**Re: Crosswinds
Georgetown Township, Ottawa County, Michigan**

Dear Mr. Smit:

It has come to our attention that the adjacent campground property east of the Crosswinds development is interested in selling and developing their property. I have discussed this issue with Georgetown Township and it has been determined that proposed development shall provide a roadway stub to the campground property in accordance with OCRC standards and specifications. Please submit a revised preliminary plat and incorporate the roadway stub into the construction plans for our review and approval.

If you should have any questions or require additional information, please do not hesitate to contact me at 616-842-5400.

Sincerely,

Brett A. Laughlin, P.E.
Special Services Engineer
