May 3, 2007

Georgetown Township
1515 Baldwin St.
Jenison, MI 49428

Dear Georgetown Township Zoning Board:

Per my telephone conversation with Mannette Minier on May 2, 2007, Jenison Public School District will allow co-locating on the proposed one hundred and ten foot light pole in our high school football stadium located at 2140 Bauer Rd.

Please keep in mind this is a light pole rather than a large tower. It is the intent of the school district to allow Clearwire to place WIFI equipment on this pole. In addition, the district plans to install the necessary equipment to transmit radio service to our buses during local travel. After which time we would be willing to co-locate other users equipment to the extent the light pole can support.

Should you need further clarification, please feel free to contact me at 667-3244.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kimberly R. Hansen', written in a cursive style.
