RE: Zoning of 5565 40th Ave., P.P.# 70-14-31-200-067

Dear Georgetown Township Board members,

There is an unusual situation that pertains to the zoning of my property as listed above. A single family home has existed on the parcel since the 1950s and I have owned it about 25 years. The parcel is zoned Industrial. Henry Hamming owned the house and Crawler Rebuilders. Sometime in the past he had the property rezoned from residential to Industrial. I asked the Zoning Administrator to research the situation and the results were inconclusive as to when this was rezoned.

The Industrial zoning makes my house nonconforming. Plus, the Township Master Plan calls for the whole area to be LDR.

Would the Township Board please consider taking the responsibility to rezone my property to LDR? Thanks for your consideration.

Sincerely,
