Township Officers
Georgetown Charter Township Office
1515 Baldwin
Georgetown Township, MI 49428

Dear Township Officers:

We recently received a letter from the township offices regarding a group daycare permit for the residents of 916 Fairwood Ct. We are not able to attend your meeting, and we would like to voice our concerns as well as complaints.

When we decided to build our house we chose Fairwood Ct. just for the reason that it was a court. Since fall, when Michelle and her daycare moved in, our street has become very busy. There is traffic from early morning till after dinner hour. Cars are also parked and left running during the drop off and pick up times. They often park in the road as well as across the sidewalk. Just waiting to turn onto our court is trying at times. Particularly when waiting for the bus to leave when there isn't anyone waiting for a special needs boy who attends her daycare.

We live across the street from this business. Cars are using our driveway and the cul-de-sac for a turn around daily. At times they are parked up to our driveway, making it difficult during peak hours to back up due to the excess of cars and children.

This is a residential area and running a business on this court has really changed things. On our court we have 22 kids who are residents already. We don't feel running a business would be suitable with this many kids already on our court. This is a big safety issue, that needs attention. We feel if she wants to run a business she should look for a building.

We don't want to cause problems with our neighbors, but with this many children already living on our court we don't need a business being run there as well.

Thank you for considering our request and please help us to keep our neighborhood the way it is, by not having a business on our court. If you have any further questions please feel free to contact us at (616)662-2176.

Thank You,

Tim & Sue Lamoreaux
