

Georgetown Charter Township Water/Sewer Committee Minutes

November 14, 2005

Present: Carlton, Mohr & Sterk (Members)

Sidewalk Waiver Request 7147 Jasper

The committee reviewed the request for a sidewalk waiver and recommends denial of the request.

Scanning and updating Water and Sewer Plans

The committee recommends approval to authorize Prein & Newhof to scan W/S Plans for a cost of \$15,000, and to update the water & sewer maps at a cost of \$10,000. The committee also recommends changing the per lot fee from \$50 to \$60 per lot to cover future expense.

Lee's Trenching Contract

The committee recommends approving the 2006 Contract with Lee's Trenching and to adjust the tap fees as follows:

- 1 Inch Service from \$1,000 to \$1,100
- 1.5 Inch Service from \$2,000 to \$2,200
- 2 Inch Service from \$2,400 to \$2,650.

Update on Kenowa Paved paths

The committee reviewed cost estimates for Kenowa Ave.

Bike Paths on arterial roads

The committee reviewed a proposal to require wider paths on some arterial streets. The committee would like to see the zoning administrator draft language for an ordinance to require a 12' path with any development on the following streets:

- 48th Ave
- 36th Ave from Baldwin St. to Fillmore St.
- 40th Ave from Bauer Rd to Fillmore St.
- Bauer Rd from 36th Ave to 48th Ave
- Fillmore St from 28th Ave to 48th Ave.

Review of Policies

A proposed Building Use policy was reviewed.

A Board Compensation policy was reviewed and is recommended for approval with a few minor changes.
