As the parent/legal guardian of the minor child (under age 18) signing below, I have read and agree to the Georgetown Township Public Library's Internet/Computer Use Policy. I understand that, despite the best efforts of the Library, some content on the Internet may be personally objectionable to me and/or my child. I accept the responsibility for restricting and monitoring my child's access to information on the Internet and agree to allow my minor child to use the Internet. I also agree that the child signing below will conform to all Library policies, rules, procedures, and restrictions, and that I am responsible for my child's actions as well as any consequences (financial or otherwise) as a result of their actions with regard to Library equipment, services, etc.

I understand that access will remain in effect unless and until I submit a letter in writing to the Georgetown Township Library's Director revoking this permission.
