Gentlemen:

At a meeting of the _____ Township Board held on _____, the above project and estimate was approved. The Road Commission is authorized to proceed to accomplish the work and bill the township for all direct costs charged to the project, plus an overhead charge of five percent (5%) of the total direct costs so charged; and the township hereby agrees to pay same in full (less county contributions, if any, as indicated in writing attached hereto and incorporated by reference). Direct costs include any payments for: contracts with contractors, engineers and other consultants; materials; force account labor at 1.5 times payroll charges; equipment rental; and advertising and printing. The township agrees to make advance payments, if required, and to pay any balances due within thirty (30) days of receipt of the billing for same. The township also understands and agrees that final direct costs and quantities may vary from the estimate.

Re: 2007 Calcium Chloride Application for Dust Control

Dear Mr. Holland:

Enclosed is an estimate for application of calcium chloride in Georgetown Township for dust control during the 2007 summer season.

Please note that application will be made only upon request of the Township Supervisor and on the locations desired.

If your township desires the Road Commission to perform the dust control, please complete the estimate as indicated and return it to me.

If you should have any questions, please contact me. Thank you.

Sincerely,

Jerry L. Diekema
Operations Director
