

Georgetown Charter Township
Water/Sewer Committee Minutes

Tuesday, June 05, 2007

Present Carlton, Mohr, Sterk

Water Rate Change

The water sewer committee recommends adjusting the water rate as attached to offset the increase by the City of Wyoming. The average winter water bill will increase by \$1.25 per month.

Drain Issue

The committee determined that the Township should not be responsible for the improper installation of the Rozeveld Ridge Drain.

Personnel Manual

The committee recommends to the Township Board the approval of the attached Personnel Manual and to revoke any prior Manual.
