Subject: Posh Nails & Spa - Jenison Update and Inquiry

Hello Georgetown Township Board,

I hope every member on the board is well.

First, as I am sure the city is aware, the Posh Nails and Spa location on Baldwin and Main has been open for business for over a month now. I am happy to say the business is thriving, and we felt a grand welcome from all the clients that have visited us so far. Many customers commented that they were happy to have another option in the Jenison area or that this location has saved them a drive to any one of the other two locations. Although the plan to open the salon was delayed for over 7 months because of COVID, we are proud to say that we kept our hopes up and figured a way.

The other item is if the board has any thought to discuss providing establishments that do not serve food a variance to the ordinance and allow alcohol to be sold and served, even if in just limited amounts. Although things are going well, and I believe it will continue this way, it would be a nice service that I would like to provide to my customers, especially for bridal and birthday parties. I would love to be a part of the discussion when the time comes. If you have any questions, please reach out or come by the salon. I would be happy to host.

Thank you!

--

Jimmy
