Re: Jackson Ridge

Dear Mannette:

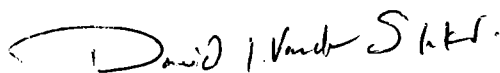

Jackson Ridge received tentative preliminary plat approval from the Georgetown Township Board in April of 2018. I would like to request that this tentative preliminary approval be extended for a period of 2 years to April of 2021.

The reason for this extension request is due to the higher than anticipated construction costs and financing required for the project. I also have vacant lots for sale at the nearby Summerset South development and do not want to further saturate the market until those lots are sold.

Please consider this request on the March 11, 2019 Town Board agenda.

If you have any questions or comments, please feel free to call me.

Sincerely,
