Hey Rod,

I appreciate your inquiry regarding 2 columbaria on our page! Bellow I have pasted a picture of the description for the unit in case you wanted weight and dimensions as well!

I have also included pricing with freight from BOTH Columbus and Elberton; we have a decent amount of china grey with black door columbaria in our Columbus warehouse although I didn't know when you expected place this as an order so in the event we don't have any in stock by the time you order I pasted Elberton as that's where items over 5,000 lbs sit if not in stock in CBUS.

GRANITE → \$6,000 (**\$7500 each with Tariff**)
 Freight → Columbus - \$1475 OR Elberton - \$2250
