Dear Mannette,

We are in receipt of your letter to Marv VanSomeraan with DeWent Redi-Mix (DeWent Gravel Company), located at 1601 Chicago Drive, Jenison, MI 49428, dated January 11, 2021. As you likely know, Top Grade Aggregates, LLC has had a Lease Agreement in-place with DeWent since 2016 to operate/maintain the mining site there.

With the understanding that the mining license (ML 1601) is set to expire on June 30, 2021, please accept this letter stating our wishes to continue mining/processing activities at the site (with no significant changes planned), and the enclosed check for \$600.00.

Should you have any questions or need additional information, please do not hesitate to contact me.

Very respectfully,

Ross N. Veltema
Top Grade Aggregates, LLC, Owner
