**RE: Application for Zoning Appeal – Rebekah Milito**

Dear Zoning Administrator Vuong:

In connection with the Zoning Appeal application submitted by Rebekah Milito, we are enclosing eight copies of the traffic count breakdown that we received from the Ottawa County Road Commission.

This traffic count analysis is the source of the information in the application (near the top of page 4 to the attachment) that there are 4,200 vehicle trips per day on 12<sup>th</sup> Avenue; it also shows more precisely when the traffic volume occurs.

Please include this information with the packet for the ZBA. Thank you for your assistance.

Very truly yours,

James R. Bruinsma
