department or any agent thereof is authorized to take possession and custody of any registration plate found
attached to any motor vehicle for which it was not issued, or when any other unlawful use is being made
thereof. Expiration, revocation, cancellation or suspension of a certificate of title does not, in itself, affect the
validity of a security interest noted on it.

A vehicle brought into this state from another state or jurisdiction that has a rebuilt, salvage, scrap, flood, or comparable certificate of title issued by that other state or jurisdiction shall be issued a rebuilt, salvage, scrap, or flood certificate of title by the secretary of state. The application shall be accompanied by the required fee. An application for a certificate of title shall bear the signature or verification and certification of the owner. The application shall contain all of the following:

(a) The owner's name, the owner's bona fide residence, and either of the following:

(c) A statement of the applicant's title and the names and addresses of the holders of security interests in the vehicle and in an accessory to the vehicle, in the order of their priority.

(d) Further information that the secretary of state reasonably requires to enable the secretary of state to determine whether the vehicle is lawfully entitled to registration and the owner entitled to a certificate of title. If the secretary of state is not satisfied as to the ownership of a late model vehicle or other vehicle having a value over $2,500.00, before registering the vehicle and issuing a certificate of title, the secretary of state may require the applicant to file a properly executed surety bond in a form prescribed by the secretary of state and executed by the applicant and a company authorized to conduct a surety business in this state. The bond shall be in an amount equal to twice the value of the vehicle as determined by the secretary of state and shall be conditioned to indemnify or reimburse the secretary of state, any prior owner, and any subsequent purchaser or lessee of the vehicle and their successors in interest against any expense, loss, or damage, including reasonable attorney's fees, by reason of the issuance of a certificate of title for the vehicle or on account of any defect in the right, title, or interest of the applicant in the vehicle. An interested person has a right of action to recover on the bond for a breach of the conditions of the bond, but the aggregate liability of the surety to all persons shall not exceed the amount of the bond. The bond shall be returned at the end of 3 years, or before 3 years if the vehicle is no longer registered in this state and the currently valid certificate of title is surrendered to the secretary of state, unless the secretary of state has received notification of the pendency of an action to recover on the bond. If the secretary of state is not satisfied as to the ownership of a vehicle that is valued at $2,500.00 or less and that is not a late model vehicle, the secretary of state shall require the applicant to certify that the applicant is the owner of the vehicle and entitled to register and title the vehicle.

(e) Except as provided in subdivision (f), an application for a commercial vehicle shall also have attached a
scale weight receipt of the motor vehicle fully equipped as of the time the application is made. A scale weight
receipt is not necessary if there is presented with the application a registration receipt of the previous year that
shows on its face the empty weight of the motor vehicle as registered with the secretary of state that is
accompanied by a statement of the applicant that there has not been structural change in the motor vehicle that
has increased the empty weight and that the previous registered weight is the true weight.

(f) An application for registration of a vehicle on the basis of elected gross weight shall include a
declaration by the applicant specifying the elected gross weight for which application is being made.

(g) If the application is for a certificate of title of a motor vehicle registered in accordance with section
801(1)(p), the application shall include the manufacturer's suggested base list price for the model year of the
vehicle. Annually, the secretary of state shall publish a list of the manufacturer's suggested base list price for
each vehicle being manufactured. Once a base list price is published by the secretary of state for a model year
for a vehicle, the base list price shall not be affected by subsequent increases in the manufacturer's suggested
base list price but shall remain the same throughout the model year unless changed in the annual list published
by the secretary of state. If the secretary of state's list has not been published for that vehicle by the time of the
application for registration, the base list price shall be the manufacturer's suggested retail price as shown on
the label required to be affixed to the vehicle under 15 USC 1232. If the manufacturer's suggested retail price
is unavailable, the application shall list the purchase price of the vehicle as defined in section 801.

(2) An applicant for registration of a leased pickup truck or passenger vehicle that is subject to registration
under this act, except a vehicle that is subject to a registration fee under section 801g, shall disclose in writing
to the secretary of state the lessee's name, the lessee's bona fide residence, and either of the following:

(a) If the lessee is an individual, the lessee's Michigan driver license number or Michigan personal
identification number or, if the lessee does not have a Michigan driver license or Michigan personal
identification number, the lessee's business address.

(b) If the lessee is a firm, association, partnership, limited liability company, or corporation, the lessee's
business address.

(3) The secretary of state shall maintain the information described in subsection (2) on the secretary of
state's computer records.

(4) Except as provided in subsection (5), a dealer selling, leasing, or exchanging vehicles required to be
titled, within 15 days after delivering a vehicle to the purchaser or lessee, and a person engaged in the sale of
vessels required to be numbered by part 801 of the natural resources and environmental protection act, 1994
PA 451, MCL 324.80101 to 324.80199, within 15 days after delivering a boat trailer weighing less than 2,500
pounds to the purchaser or lessee, shall apply to the secretary of state for a new title, if required, and transfer
or secure registration plates and secure a certificate of registration for the vehicle or boat trailer, in the name
of the purchaser or lessee. The dealer's license may be suspended or revoked in accordance with section 249
for failure to apply for a title when required or for failure to transfer or secure registration plates and
certificate of registration within the 15 days required by this section. If the dealer or person fails to apply for a
title when required, and to transfer or secure registration plates and secure a certificate of registration and pay
the required fees within 15 days of delivery of the vehicle or boat trailer, a title and registration for the vehicle
or boat trailer may subsequently be acquired only upon the payment of a transfer fee of $15.00 in addition to
the fees specified in section 806. The purchaser or lessee of the vehicle or the purchaser of the boat trailer
shall sign the application, including, when applicable, the declaration specifying the maximum elected gross
weight, as required by subsection (1)(f), and other necessary papers to enable the dealer or person to secure
the title, registration plates, and transfers from the secretary of state. If the secretary of state mails or delivers
a purchaser's certificate of title to a dealer, the dealer shall mail or deliver the certificate of title to the
purchaser not more than 5 days after receiving the certificate of title from the secretary of state.

(5) A dealer selling or exchanging an off lease or buy back vehicle shall apply to the secretary of state for a
new title for the vehicle within 15 days after it receives the certificate of title from the lessor or manufacturer
under section 235 and transfer or secure registration plates and secure a certificate of registration for the
vehicle in the name of the purchaser. The dealer's license may be suspended or revoked in accordance with
section 249 for failure to apply for a title when required or for failure to transfer or secure registration plates
and certificate of registration within the 15-day period. If the dealer or person fails to apply for a title when
required, and to transfer or secure registration plates and secure a certificate of registration and pay the
required fees within the 15-day time period, a title and registration for the vehicle may subsequently be
acquired only upon the payment of a transfer fee of $15.00 in addition to the fees specified in section 806.
The purchaser of the vehicle shall sign the application, including, when applicable, the declaration specifying
the maximum elected gross weight, as required by subsection (1)(f), and other necessary papers to enable the
dealer or person to secure the title, registration plates, and transfers from the secretary of state. If the secretary
of state mails or delivers a purchaser's certificate of title to a dealer, the dealer shall mail or deliver the
certificate of title to the purchaser not more than 5 days after receiving the certificate of title from the secretary of state.

(6) If a vehicle is delivered to a purchaser or lessee who has valid Michigan registration plates that are to be transferred to the vehicle, and an application for title, if required, and registration for the vehicle is not made before delivery of the vehicle to the purchaser or lessee, the registration plates shall be affixed to the vehicle immediately, and the dealer shall provide the purchaser or lessee with an instrument in writing, on a form prescribed by the secretary of state, which shall serve as a temporary registration for the vehicle for a period of 15 days from the date the vehicle is delivered.

(7) An application for a certificate of title that indicates the existence of a security interest in the vehicle or in an accessory to the vehicle, if requested by the security interest holder, shall be accompanied by a copy of the security agreement which need not be signed. The request may be made of the seller on an annual basis. The secretary of state shall indicate on the copy the date and place of filing of the application and return the copy to the person submitting the application who shall forward it to the holder of the security interest named in the application.

(8) If the seller does not prepare the credit information, contract note, and mortgage, and the holder, finance company, credit union, or banking institution requires the installment seller to record the lien on the title, the holder, finance company, credit union, or banking institution shall pay the seller a service fee of not more than $10.00. The service fee shall be paid from the finance charges and shall not be charged to the buyer in addition to the finance charges. The holder, finance company, credit union, or banking institution shall issue its check or bank draft for the principal amount financed, payable jointly to the buyer and seller, and there shall be imprinted on the back side of the check or bank draft the following:

"Under Michigan law, the seller must record a first lien in favor of (name of lender) _______________ on the vehicle with vehicle identification number _______________ and title the vehicle only in the name(s) shown on the reverse side." On the front of the sales check or draft, the holder, finance company, credit union, or banking institution shall note the name(s) of the prospective owner(s). Failure of the holder, finance company, credit union, or banking institution to comply with these requirements frees the seller from any obligation to record the lien or from any liability that may arise as a result of the failure to record the lien. A service fee shall not be charged to the buyer.

(9) In the absence of actual malice proved independently and not inferred from lack of probable cause, a person in any manner causes a prosecution for larceny of a motor vehicle; for embezzlement of a motor vehicle; for any crime an element of which is the taking of a motor vehicle without authority; or for buying, receiving, possessing, leasing, or aiding in the concealment of a stolen, embezzled, or converted motor vehicle knowing that the motor vehicle has been stolen, embezzled, or converted, is not liable for damages in a civil action for causing the prosecution. This subsection does not relieve a person from proving any other element necessary to sustain his or her cause of action.

(10) Receipt by the secretary of state of a properly tendered application for a certificate of title on which a security interest in a vehicle is to be indicated is a condition of perfection of a security interest in the vehicle and is equivalent to filing a financing statement under the uniform commercial code. 1962 PA 174, MCL 440.1101 to 440.11102, with respect to the vehicle. When a security interest in a vehicle is perfected, it has priority over the rights of a lien creditor as lien creditor is defined in section 9102 of the uniform commercial code. 1962 PA 174, MCL 440.9102.

The secretary of state may request an insurance company to provide copies of salvage title documents and claims reports involving major component parts to assist the secretary of state in monitoring compliance with this act.

(2) Except for a late model vehicle that has been stolen and recovered and that has no major component part removed, missing, or destroyed, or damaged and not salvageable, an insurance company licensed to conduct business in this state that acquires ownership of a late model vehicle through the payment of a claim shall proceed under either of the following:

(a) If the insurance company acquires ownership of the vehicle through payment of a claim, the owner of the vehicle shall assign the certificate of title to the insurance company which shall do all of the following:

(i) Surrender a properly assigned certificate of title to the secretary of state.

   (d) If the vehicle is a late model vehicle, a listing of each major component part that was not salvageable.
   (e) Further information as may reasonably be required by the secretary of state.

(11) The secretary of state shall issue and mail the salvage certificate within 5 business days after the time the application is received at the secretary of state's office in Lansing. Each salvage certificate of title shall include a listing of each major component part that was not salvageable.

(12) A salvage certificate of title authorizes the holder of the title to possess, transport, but not drive upon a highway, and transfer ownership in, a vehicle. The secretary of state shall not issue a certificate of title or registration plates for a vehicle for which a salvage certificate of title was issued unless a specially trained officer described in subsection (14) certifies all of the following:

      (ii) For a renewal of a registration that is for more than 12 months, 2 times the amount for 12 months.
   Partial months shall be considered as whole months in the calculation of the required tax and in the determination of the length of time between the application for a registration and the owner's next birthday. The tax required for that registration shall be rounded off to whole dollars as provided in section 801.

(7) A certificate of title shall remain valid until canceled by the secretary of state for cause or upon a transfer of an interest shown on the certificate of title.

(8) The secretary of state, upon request, shall issue special registration for commercial vehicles, valid for 6 months after the date of issue, if the full registration fee exceeds $50.00, on the payment of 1/2 the full registration fee and a service charge as enumerated in section 802(1).

   (b) A vehicle purchased or leased in this state and delivered to the purchaser or lessee by a dealer or by the owner of the vehicle for removal to a place outside of this state, if a certification is made that the vehicle will be primarily used, stored, and registered outside of this state and will not be returned to this state by the purchaser or lessee for use or storage.

(10) A special registration issued under subsection (9) is valid for not more than 14 days after the date of issuance, and a fee shall be collected for each special registration as provided in section 802(3). The special registration may be in the form determined by the secretary of state. If a dealer makes a retail sale or lease of a vehicle to a purchaser or lessee who is qualified and eligible to obtain a special registration, the dealer shall apply for the special registration for the purchaser or lessee. If a person other than a dealer sells or leases a vehicle to a purchaser or lessee who is qualified and eligible to obtain a special registration, the purchaser or lessee shall appear in person, or by a person exercising the purchaser's or lessee's power of attorney, at an office of the secretary of state and furnish a certification that the person is the bona fide purchaser or lessee or
that the person has granted the power of attorney, together with other forms required for the issuance of the special registration and provide the secretary of state with proof that the vehicle is covered by a Michigan no-fault insurance policy issued pursuant to section 3101 of the insurance code of 1956, 1956 PA 218, MCL 500.3101, or proof that the vehicle is covered by a policy of insurance issued by an insurer pursuant to section 3163 of the insurance code of 1956, 1956 PA 218, MCL 500.3163. (12) In the case of a commercial vehicle, trailer, or semitrailer issued a registration under the international registration plan, the secretary of state in mutual agreement with the owner may assign or reassign the expiration date of the registration. However, the expiration date agreed to shall be either March 31, June 30, September 30, or December 31. Renewals expiring on or after September 30, 1993 shall be for a minimum of at least 12 months, if there is a change in the established expiration date.

(13) The expiration date for a multiyear registration issued for a leased vehicle shall be the date the lease expires but shall not be for a period longer than 24 months.

257.226a Temporary registration plates or markers.

Sec. 226a. (1) Temporary registration plates or markers may be issued to licensed dealers in vehicles and to persons engaged in the sale of vessels required to be numbered by part 801 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.80101 to 324.80199, upon application accompanied by the proper fee, for use by purchasers or lessees of vehicles, for not to exceed 15 days pending receipt of regular registration plates from the dealer or person. Only 1 temporary plate or marker may be issued to a purchaser or lessee of a vehicle. If a dealer or person requires a purchaser or lessee of a vessel to pay for a temporary plate or marker, the dealer or person shall not charge the purchaser or lessee more than the dealer or person was charged by the secretary of state for the individual plate or marker. The secretary of state shall determine the composition and design of the temporary registration plates or markers.

(2) A temporary registration plate or marker shall show in ink the date of issue, a description of the vehicle for which issued, and any other information required by the secretary of state. A dealer or person shall immediately notify the secretary of state of each temporary registration plate or marker issued by the dealer or person, on a form prescribed by the secretary of state. Upon the attachment of the regular plate to a vehicle for which a temporary registration plate or marker has been issued, the temporary plate shall be destroyed.

(3) All temporary registration plates or markers shall be serially numbered and upon issuance the number shall be noted on the statement of vehicle sale form or in the case of a boat trailer on a form prescribed by the secretary of state.

(4) A dealer or person, upon demand, shall immediately surrender any temporary registration plates or markers in his or her possession if the secretary of state finds, after investigation, that the dealer or person has violated this section, and the dealer or person shall immediately forfeit any right to the temporary registration plates or markers.

(5) The secretary of state may issue a registration plate upon application and payment of the proper fee to
an individual, partnership, corporation, or association who in the ordinary course of business has occasion to legally repossess a vehicle in which a security interest is held. A registration plate issued pursuant to this subsection shall be used to move and dispose of a vehicle.

(6) The secretary of state may issue a registration plate upon application and payment of the proper fee to an individual, partnership, corporation, or association who in the ordinary course of business has occasion to legally pick up or deliver a vehicle not required to be titled under this act, to legally pick up or deliver a commercial motor vehicle being driven to a facility to undergo aftermarket modification, or to repair or service a vehicle, or to persons defined as dealers under part 801 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.80101 to 324.80199, for the purpose of delivering a vessel or trailer to a customer or to and from a boat show or exposition. A registration plate issued under this subsection shall be used to move the vehicle.

(7) The secretary of state may issue a registration plate upon application and payment of the proper fee to an individual, partnership, corporation, or association who in the ordinary course of business operates an auto auction, and who in the ordinary course of business has occasion to legally pick up a vehicle which will be offered for sale at the auction, or deliver a vehicle which has been offered for sale at the auction. The registration plate shall be used only to move vehicles as provided in this subsection. Auto auctions that make application for a registration plate under this subsection shall furnish a surety bond as required by the secretary of state.

### 257.226b Temporary registration; duration; form; fee; use of vehicle.

Sec. 226b. (1) A temporary registration may be issued to an owner of a vehicle. The registration shall be valid for either 30 days or 60 days from date of issue, at the discretion of the owner, and shall be in a form as determined by the secretary of state. A fee shall be collected for each temporary registration as provided in section 802.

Sec. 227. (1) Application for renewal of a vehicle registration shall be made by the owner upon proper application and by payment of the registration fee for the vehicle, as provided by law.

(2) Every such application shall be accompanied by the certificate of title pertaining to the vehicle, showing ownership in the person applying for registration at the time of the application. However, the secretary of state may waive the presentation of the certificate of title.

(3) Beginning January 1, 1983, every application for renewal of a motor vehicle registration made by mail, shall be accompanied by proof of vehicle insurance in a form determined by the secretary of state.

(4) Beginning January 1, 1981, every application for renewal of a motor vehicle registration made in person at a secretary of state field office shall be accompanied by proof of vehicle insurance in a form determined by the secretary of state.

(5) Notwithstanding subsections (3) and (4), the secretary of state shall accept as proof of vehicle insurance a transmission of the applicant’s vehicle identification number only for an insured vehicle for which vehicle
registration is sought. The secretary of state may determine in what format the secretary of state will receive vehicle identification number information. The transmission to the secretary of state of a vehicle identification number is proof of insurance to the secretary of state for motor vehicle registration purposes only and is not evidence that a policy of insurance actually exists between an insurer and an individual. Vehicle identification numbers received by the secretary of state under this subsection are confidential, are not subject to the freedom of information act, Act No. 442 of the Public Acts of 1976, being sections 15.231 to 15.246 of the Michigan Compiled Laws, and shall not be disclosed to any person except pursuant to an order by a court of competent jurisdiction in connection with a claim or fraud investigation or prosecution.

257.227a Vehicle involved in violation; renewal, replacement, or transfer of registration plate; appearance of owner or representative at branch office required; cancellation of registration; circumstances; notice and opportunity to be heard.

Sec. 227a. (1) If a court has notified the secretary of state of a vehicle registration number as provided in section 328(4) and the owner has not secured proof that the vehicle involved in the violation is currently insured under chapter 31 of the insurance code of 1956, Act No. 218 of the Public Acts of 1956, being sections 500.3101 to 500.3179 of the Michigan Compiled Laws, the secretary of state shall not renew, replace, or transfer the registration plate of the vehicle involved in the violation or allow the purchase of a new registration plate for the vehicle involved in the violation, until the owner or the owner's representative appears at a branch office and does both of the following:

(a) Shows a certified statement from an automobile insurer on a standard form prescribed by the commissioner of insurance that the vehicle involved in the violation is currently insured under a prepaid noncancelable policy for a period of not less than 6 months under chapter 31 of Act No. 218 of the Public Acts of 1956.

(b) Pays a fee of $50.00 in addition to any other fee required by law, of which $25.00 shall be allocated to the secretary of state to defray the costs of administering this section.

(2) The secretary of state may cancel the registration of a motor vehicle under either of the following circumstances:

(a) The secretary of state receives notice that a court has determined that a vehicle involved in the violation was not insured as required by chapter 31 of Act No. 218 of the Public Acts of 1956, at the time of registration.

(b) The secretary of state receives notice that a court has determined that the owner or the owner's representative presented a certificate of insurance that was forged, altered, fraudulent, or counterfeit when insurance was required by this act.

(3) Before a cancellation occurs under subsection (2), the person who will be affected by the cancellation shall be given notice and an opportunity to be heard.

Both the initial and successor directors of the insurance verification board representing the general public and independent insurance agents shall be appointed by the commissioner of insurance with recommendations to be made by the insurance industry in this state and shall include 2 directors representing the largest share of the automobile insurance market in this state and 3 directors who are generally representative of small and medium automobile insurers.

Successor directors to the insurance verification board representing private insurers in this state shall be appointed by the commissioner of insurance with recommendations to be made by the insurance industry in this state and shall include 2 directors representing the largest share of the automobile insurance market in this state and 3 insurers representing small and medium insurers. The 2 insurers representing the largest share of the automobile insurance market in this state shall only serve if they are participating in the program to provide proof of vehicle insurance to the secretary of state pursuant to this section.

(2) Directors of the insurance verification board shall serve for terms of 1 year.

(7) The insurance verification board shall establish a plan of operation providing for the assessment of the start-up and annual costs of the insurance verification board among the insurers who choose to provide proof of vehicle insurance to the secretary of state pursuant to section 3101a(2) of Act No. 218 of the Public Acts of 1956, but shall not assess more or expend more than $150,000.00 in start-up costs and not more than $100,000.00 in annual costs to implement this section. The $100,000.00 annual cost amount shall be adjusted annually to reflect the annual average percentage increase or decrease in the Detroit consumer price index. As used in this subsection, “Detroit consumer price index” means the most comprehensive index of consumer prices available for the Detroit area from the United States department of labor, bureau of labor statistics.

(2) A person who violates this section is responsible for a civil infraction.

257.229 Duplicate registration certificate, registration plate, certificate of title, or duplicate certificate of title.

Sec. 229. (1) If a registration certificate, registration plate, certificate of title, or duplicate certificate of title is lost, mutilated, or becomes illegible, the person entitled to possession of a registration certificate, registration plate, certificate of title, or duplicate certificate of title or the legal representative or successor in interest of that person as shown by the records of the department shall immediately make application for and may obtain a duplicate or a new registration under a new registration number, as determined to be most advisable by the department, upon the applicant furnishing information satisfactory to the department and upon payment of the required fee. Every duplicate certificate of title shall contain the legend: “This is a duplicate certificate and may be subject to the rights of a person under the original certificate”, and shall be delivered to the person entitled to possession of a registration certificate or certificate of title under section 222. Upon issuance of a duplicate registration certificate or plate, the previous registration certificate or plate last issued shall be void.

(2) If a certificate of title is lost at the time that ownership of the vehicle is to be transferred to another person, the secretary of state need not issue a duplicate certificate of title if all of the following are met:

(a) The person from whom ownership of the vehicle is to be transferred appears in person at a secretary of state office and supplies evidence satisfactory to the secretary of state of his or her identity and his or her ownership of the vehicle and pays the fee required under section 806.

(b) The person to whom the vehicle is to be transferred, or his or her legal representative, accompanies the person described under subdivision (a) and makes application for an original certificate of title, supplies evidence satisfactory to the secretary of state of his or her identity, and pays the fee required under section 806.

(3) If the secretary of state does not issue a duplicate certificate of title pursuant to subsection (2), the secretary of state's records shall indicate the transfer of the vehicle without a surrender of the certificate of title.

A record of special numbers so assigned shall be maintained by the secretary of state.

The owner shall cause said number to be stamped upon the engine or otherwise as directed by the secretary of state, and upon receipt by the secretary of state of a certificate by a peace officer that he has inspected and found said number affixed upon the motor vehicle as directed in a workmanlike manner, together with application for a certificate of title such special number shall be regarded as the identifying number of said vehicle.

(b) This section is not intended to prohibit the restoration by the owner of the identifying number of the vehicle for which the certificate of title has been issued by this state, nor to prevent any manufacturer or importer, or agents, thereof, other than a dealer, from placing or stamping in the ordinary course of business, numbers on vehicles or parts thereof removed or changed and replacing the numbered parts.

(b) Determine, if possible, whether or not the motorcycle is stolen.

(c) If necessary, facilitate an examination of the motorcycle by a forensic laboratory specialist or other trained specialist to determine if the vehicle identification number can be restored or otherwise located.

carrying out the agency's functions. The secretary of state may charge the requesting agency a preparation fee to cover the cost of preparing and furnishing a list provided under this subsection if the cost of preparation exceeds $25.00, and use the revenues received from the service to defray necessary expenses. If the secretary of state sells a list of information under this subsection to a member of the state legislature, the secretary of state shall charge the same fee as the fee for the sale of information under subsection (2) unless the list of information is requested by the member of the legislature to carry out a legislative function. The secretary of state may require the requesting agency to furnish 1 or more blank computer tapes, cartridges, or other electronic media and may require the agency to execute a written memorandum of agreement as a condition of obtaining a list of information under this subsection.

(2) The secretary of state may contract for the sale of lists of driver and motor vehicle records and other records maintained under this act in bulk, in addition to those lists distributed at cost or at no cost under this section for purposes permitted by and described in section 208c(3). (4) During the time a vehicle is subject to a temporary registration plate, vehicle forfeiture, immobilization, registration denial, or the period from adjudication to immobilization or forfeiture under this act, a person shall not without a court order transfer or assign the title or an interest in the vehicle to a person who is not subject to payment of a use tax under section 3 of the use tax act, 1937 PA 94, MCL 205.93.

(iii) If the transfer knows that the odometer reading differs from the mileage and the difference is greater than that caused by odometer calibration error, a statement that the odometer reading does not reflect the
actual mileage and should not be relied upon. This notice shall include a warning notice to alert the transferee that a discrepancy exists between the odometer and the actual mileage.

(h) Space for the signature and printed name of the transferee, and the date of presentation to the transferee.

If neither the transferee nor transferor is a dealer licensed under this act, completing the odometer information on the certificate of title shall be considered to comply with subsection (1). A person shall not sign an odometer disclosure statement as both the transferor and transferee in the same transaction.

(4) A new or used vehicle dealer shall obtain from the transferor a completed odometer mileage statement which meets the requirements of subsection (1) with each motor vehicle acquired by the dealer. (6) A person shall not alter, set back, or disconnect an odometer; cause or allow an odometer to be altered, set back, or disconnected; or advertise for sale, sell, use, install, or cause or allow to be installed a device which causes an odometer to register other than the actual mileage driven. This subsection does not prohibit the service, repair, or replacement of an odometer if the mileage indicated on the odometer remains the same as before the service, repair, or replacement. If the odometer is incapable of registering the same mileage as before the service, repair, or replacement, the odometer shall be adjusted to read zero and a notice in writing shall be attached to the left door frame of the vehicle by the owner or his or her agent specifying the mileage prior to service, repair, or replacement of the odometer and the date on which it was serviced, repaired, or replaced. A person shall not remove, deface, or alter any notice affixed to a motor vehicle pursuant to this subsection.

(7) A person who violates subsection (6) is guilty of a felony.

(8) Before executing a transfer of ownership document, a lessee of a leased vehicle shall notify the lessee in writing that ownership of the vehicle is being transferred and that the lessee is required to provide a written statement to the lessor regarding the mileage of the vehicle. This notice shall inform the lessee of the penalties for failure to comply with the requirement.

(9) Upon receiving notification from the lessor of a leased vehicle that ownership of the vehicle is to be transferred, the lessee shall furnish to the lessor a written statement regarding the mileage of the vehicle. This statement shall be signed by the lessee and shall contain all of the following:
   (a) The printed name of the person making the statement.
   (b) The current odometer reading, not including tenths of miles.
   (c) The date of the statement.
   (d) The lessee’s name and current address.
   (e) The lessor’s name and current address.
   (f) The identity of the vehicle, including its make, model, year, body type, and vehicle identification number.
   (g) The date that the lessor notified the lessee of the requirements of this subsection.
   (h) The date that the completed disclosure statement was received by lessor.
   (i) The signature of the lessor.
   (j) One of the following:
      (ii) A statement by the lessee certifying that to the best of his or her knowledge the odometer reading reflects the actual mileage of the vehicle.

      (ii) If the lessee knows that the odometer reading reflects the amount of mileage in excess of the designed
mechanical odometer limit, a statement to that effect.

(iii) If the lessee knows that the odometer reading differs from the mileage and that the difference is greater than that caused by odometer calibration error, a statement that the odometer reading is not the actual mileage and should not be relied upon.

(10) If the lessor transfers a leased vehicle without obtaining possession of the vehicle, the lessor may indicate on the certificate of title the mileage disclosed by the lessee under subsection (9), unless the lessor has reason to believe that the mileage disclosed by the lessee does not reflect the actual mileage of the vehicle.

(11) A dealer who is required by this section to execute an odometer mileage statement shall retain for 5 years a photostatic, carbon, or other facsimile copy of each odometer mileage statement the dealer issues or receives. The dealer shall retain the odometer mileage statements at his or her primary place of business in an order that is appropriate to business requirements and that permits systematic retrieval.

(12) A lessor shall retain for 5 years following the date of transfer of ownership of each leased vehicle, the odometer mileage statement received from the lessee. The lessor shall retain the odometer mileage statements at his or her primary place of business in an order that is appropriate to business requirements and that permits systematic retrieval.

(13) An auction dealer or vehicle salvage pool operator shall establish and retain at his or her primary place of business in an order that is appropriate to business requirements and that permits systematic retrieval, for 5 years following the date of sale of each motor vehicle, the following records:

(a) The name and the most recent owner, other than the auction dealer or salvage pool operator.
(b) The name of the buyer.
(c) The vehicle identification number.
(d) The odometer reading, not including the tenths of a mile, on the date the auction dealer or salvage pool operator took possession of the motor vehicle.

(14) A violation of subsection (1) or (6) by any dealer licensed under this act is prima facie evidence of a fraudulent act as provided in section 249.

(15) A person who, with intent to defraud, violates any requirement under subsection (1) or (6), or a dealer who fails to retain for 5 years each odometer mileage statement the dealer receives and each odometer mileage statement furnished by the dealer upon the sale of a vehicle, is liable in an amount equal to 3 times the amount of actual damages sustained or $1,500.00 whichever is greater, and in the case of a successful recovery of damages, the costs of the action together with reasonable attorney's fees.

Compiler's note: In subsection (1)(g)(iii), the term “transfer” evidently should read “transferor.”

257.233b Definitions; disclosure by dealer of damage or repair; exception; grounds for revocation.
Sec. 233b. (1) As used in this section:
(a) “Distributor” means that term as defined in section 3(1) of 1981 PA 118, MCL 445.1563.
(b) “Manufacturer” means that term as defined in section 4(2) of 1981 PA 118, MCL 445.1564.
(c) “Program vehicle” means a motor vehicle from either the current model year or the immediately preceding model year, that was repurchased by a manufacturer or distributor from a rental car company.

(2) Except as provided in this subsection, a new motor vehicle dealer shall disclose in writing to a purchaser or lessee of a new motor vehicle, demonstrator, executive or manufacturer's vehicle, or program vehicle before entering into a sales contract or lease agreement that, after the vehicle completed the manufacturing process, the vehicle was damaged and repaired, including an itemization of repairs, if the dealer has knowledge of the damage and repairs and if the cost of the cumulative repairs, as calculated at the rate of the dealer's authorized warranty rate for labor and parts exceeds either 1 of the following:

(a) Five percent of the manufacturer's suggested retail price of the vehicle.
(b) Seven hundred fifty dollars in surface coating repairs or corrosion protection restoration or a combination of these items. If a new motor vehicle dealer fails to comply with this subsection, the purchaser or lessee shall retain all applicable remedies available under article 2 of the uniform commercial code, 1962 PA 174, MCL 440.2101 to 440.2725.

(3) A dealer in new motor vehicles is not required to disclose to a purchaser or lessee under this act that any glass, tires, wheels, bumpers, audio equipment, in-dash components, or components contained in the living quarters of a motor home that are not required for the operation of the motor home as a motor vehicle were damaged at any time if the damaged item has been replaced with original manufacturer's parts and material.

(4) Repaired damage to a motor vehicle, subject to this section, not exceeding the cost of cumulative
reparis as determined pursuant to subsection (2) shall not constitute grounds for revocation of acceptance by the purchaser or lessee. The right of revocation ceases upon the purchaser's or lessee's acceptance of delivery of the vehicle.

257.234 Presentation of certificate of title and registration certificate to secretary of state; fees; issuance of new certificate of title and registration certificate; mail or delivery; repossession of license plates; payment of transfer fee; compliance with MCL 257.238.

Sec. 234. (1) The purchaser or transferee, unless the person is a licensed dealer, shall present or cause to be presented the certificate of title and registration certificate if plates are being transferred to another vehicle, assigned as provided in this act, to the secretary of state accompanied by the fees as provided by law, whereupon a new certificate of title and registration certificate shall be issued to the assignee. The certificate of title shall be mailed or delivered to the owner or another person the owner may direct in a separate instrument in a form the secretary of state shall prescribe.

(2) If the secretary of state mails or delivers a purchaser's or transferee's certificate of title to a dealer, the dealer shall mail or deliver that certificate of title to the purchaser or transferee not more than 5 days after receiving the certificate of title from the secretary of state.

(3) Unless the transfer is made and the fee paid within 15 days, the vehicle is considered to be without registration, the secretary of state may repossess the license plates, and transfer of the vehicle ownership may be effected and a valid registration acquired thereafter only upon payment of a transfer fee of $15.00 in addition to the fee provided for in section 806.

(4) If a security interest is reserved or created at the time of the transfer, the parties shall comply with the requirements of section 238.

Compiler's note: For effective date of increases in certain fees, charges or taxes provided by this section, see MCL 257.817(1).

257.235 Dealer as transferee of vehicle; requirements; duties; liability of dealer or transferee; transfer of title or interest to another dealer; duties of dealer; dealer reassignment of title form; buy back or off lease vehicle.

Sec. 235. (1) If the transferee of a vehicle is a new motor vehicle dealer or a used vehicle dealer that acquires the vehicle for resale, the dealer is not required to obtain a new registration of the vehicle or forward the certificate of title to the secretary of state, but shall retain and have in the dealer's immediate possession the assigned certificate of title with the odometer information properly completed. A dealer shall obtain a certificate of title for a vehicle having a salvage certificate of title before the dealer may operate the vehicle under dealer's license plates. Upon transferring title or interest to another person that is not a dealer, the dealer shall complete an assignment and warranty of title upon the certificate of title, salvage certificate of title, or dealer reassignment of title form and make an application for registration and a new title as provided in section 217(4).

(2) The dealer or transferee is liable for all damages arising from the operation of the vehicle while the vehicle is in the dealer's or transferee's possession.

(3) Upon transferring title or interest to another dealer, the dealer shall complete an assignment and warranty of title upon the certificate of title, salvage certificate of title, or dealer reassignment of title form and deliver it to the licensed dealer to which the transfer is made.

(4) The secretary of state shall prescribe the dealer reassignment of title form. The form shall contain the title number of the accompanying title; the name, address, and, if applicable, dealer license number of the transferee; the year, make, model, body type, and vehicle identification number of the vehicle; the name, address, dealer number, and signature of the transferor; an odometer mileage statement pursuant to section 233a; and any other information the secretary of state requires.

(5) This section does not prohibit a dealer from selling a buy back vehicle while the certificate of title is in the possession of a manufacturer that obtained the certificate of title under the manufacturer's buy back vehicle program. The manufacturer shall mail the certificate of title to the dealer within 5 business days after the manufacturer's receipt of a signed statement from the purchaser of the vehicle acknowledging he or she was informed by the dealer that the manufacturer acquired title to the vehicle as the result of an arbitration proceeding, pursuant to a customer satisfaction policy adopted by the manufacturer, or under 1986 PA 87, MCL 257.1401 to 257.1410, or a similar law of another state.

(6) This section does not prohibit a dealer from selling an off lease vehicle while the certificate of title is in
the possession of a lessor. The lessor shall mail the certificate of title to the dealer within 21 days after the
lessor receives the purchase price of the vehicle and any other fees and charges due under the lease.

257.235a Licensed dealer or junk dealer purchasing vehicle for purpose of destroying or junking vehicle; acceptance and disposition of certificate of title; fee.

Sec. 235a. Notwithstanding any other provision of this act or of the use tax act, 1937 PA 94, MCL 205.91 to 205.111, a licensed dealer or junk dealer who purchases a vehicle for the purpose of destroying or junking the vehicle may accept a certificate of title that has been assigned to the transferee by a properly indorsed assignment on the certificate of title as required by the secretary of state. The dealer shall write the word "junk" on the face of the certificate of title above the signature of the dealer or an authorized agent of the dealer and forward the certificate to the secretary of state, together with a fee of $5.00 instead of a fee or tax otherwise applicable. This section does not apply to a transfer unless the fee and certificate of title are received by the secretary of state within 10 days after the date of the vehicle's purchase by the dealer. A certificate of title shall not again be issued for the vehicle.

Compiler's note: For effective date of increases in certain fees, charges or taxes provided by this section, see MCL 257.817(1).

257.236 Procuring title to vehicle acquired by operation of law; validity of registration upon death of owner; application for title by surviving spouse or heir; proof of death; certification; petition.

Sec. 236. (1) If ownership of a vehicle passes by operation of law, upon furnishing satisfactory proof of that ownership to the secretary of state, the person acquiring the vehicle may procure a title to the vehicle regardless of whether a certificate of title has ever been issued. Upon death of an owner of a registered vehicle, the license plate assigned to the vehicle, unless the vehicle is destroyed, is a valid registration until the end of the registration year or until the personal representative of the owner's estate transfers ownership of the vehicle.

(2) If an owner of 1 or more vehicles, which vehicles do not have a total value of more than $60,000.00, dies and the owner does not leave other property that requires issuance of letters as provided in section 3103 of the estates and protected individuals code, 1998 PA 386, MCL 700.3103, the owner's surviving spouse, or an heir of the owner in the order specified in section 2103 of the estates and protected individuals code, 1998 PA 386, MCL 700.2103, may apply for a title, after furnishing the secretary of state with proper proof of the death of the registered owner, attaching to the proof a certification setting forth the fact that the applicant is the surviving spouse or an heir. Upon proper petition, the secretary of state shall furnish the applicant with a certificate of title.

257.236a Termination of owner's interest by enforcement of security agreement; application for new certificate; certification; holding vehicle for resale; termination of owner's interest by sale pursuant to court process; issuance and contents of new certificate; outstanding certificate.

Sec. 236a. (1) If the interest of the owner in a vehicle is terminated by the enforcement of a security agreement, the transferee of the owner's interest shall promptly mail or deliver to the secretary of state the last certificate of title if the transferee has possession of the certificate; the application for a new certificate in the form prescribed by the secretary of state; and a certification made by or on behalf of the holder of the security interest so enforced that the vehicle was repossessed, that the interest of the owner was lawfully terminated by enforcement of the security agreement, and whether the owner has delivered the last certificate of title to the transferee of the owner's interest, naming the transferee, or if not, the reason for not naming the transferee, and the location of the certificate of title as known to the owner. If the holder of the security interest succeeds to the interest of the owner and holds the vehicle for resale, the holder need not secure a new certificate of title but, upon transfer to another person, shall promptly mail or deliver to the transferee or to the secretary of state the certificate, if in the holder's possession, a certification, and other documents required to be sent to the
(2) If the interest of the owner in a vehicle is terminated by sale pursuant to a levy of execution, attachment, or by other process of a court, the transferee of the owner's interest shall promptly mail or deliver to the secretary of state the last certificate of title, if the transferee has possession of the certificate, the application for a new certificate of title in the form prescribed by the secretary of state, and a certification upon a form prescribed by the secretary of state, made by the officer of the court who conducted the sale, setting forth the date of the sale, the name of the purchaser, and whether the officer of the court has delivered the certificate of title to the purchaser and if not, the reason for nondelivery and the location of the certificate of title so far as known to the officer of the court.

(3) A person holding a certificate of title in which the interest of the owner named on the certificate has been terminated in the manner provided by subsection (1) or (2), shall mail or deliver the certificate to the secretary of state upon request. The delivery of the certificate pursuant to the request of the secretary of state does not affect the rights of the person surrendering the certificate, and the action of the secretary of state in issuing a new certificate of title as provided in this act is not conclusive upon the rights of an owner or holder of a security interest named in the old certificate.

(4) The secretary of state, upon receipt of an application for a new certificate of title by a transferee in the manner provided by subsection (1) or (2), with proof of the transfer, the required fee, and other documents required by law, shall issue a new certificate of title in the name of the transferee as owner, setting forth all security interests noted on the last certificate of title as having priority over the security agreement so enforced and shall mail or deliver the certificate to the owner. If the outstanding certificate of title is not delivered to the secretary of state, the secretary of state shall make demand for the outstanding certificate of title from the holder.

257.237 Transfer of registration; issuance of new registration certificate and certificate of title; filing surrendered certificate of title; retention of records.

Sec. 237. (1) The secretary of state, upon receipt of a properly endorsed certificate of title and application for transfer of registration accompanied by the required fee, shall transfer the registration thereof under its registration number to the newly acquired vehicle and shall issue a new registration certificate and certificate of title as upon an original registration.

(2) The secretary of state shall retain and appropriately file every surrendered certificate of title, the file to be so maintained as to permit the tracing of title of the vehicles designated in the file for a period of 6 years, except that records of stolen vehicles reported in section 253 may be destroyed after being maintained on file for the year of entry plus 4 years.

(3) The secretary of state shall retain the records for 2 years after the date of notification that a vehicle has been processed for scrap.

257.238 Security interests in vehicle; certificate of title; assignment; termination statement.

Sec. 238. (a) When an owner named in a certificate of title creates a security interest in the vehicle described in such certificate or in any accessory thereon:

(1) The owner shall immediately execute an application in the form prescribed by the department to name the holder of the security interest on the certificate of title, showing the name and address of such holder and deliver the certificate of title, application and the required fee together with a copy of such application which need not be signed, to the holder of the security interest.

(2) The holder of the security interest shall cause the certificate of title, application and fee and the copy of such application to be mailed or delivered to the department.

(3) The department shall indicate on the copy of such application the date and place of filing of the application and return said copy to the person presenting the same.

(4) Upon receipt of the certificate of title, application and the required fee the department shall issue a new certificate in the form provided by section 222 setting forth the name and address of each holder of a security interest in the vehicle or in any accessory thereon for which a termination statement has not been filed and the date on which the application first stating such security interest was filed, and mail the certificate to the owner.

(b) (1) A holder of any kind of a security interest may assign, absolutely or otherwise, his security interest in the vehicle or any accessory thereon to a person other than the owner without affecting the interest of the owner or the validity of the security interest, but any person without notice of the assignment is protected in dealing with the holder of the security interest as the holder thereof.
(2) The assignee may have the certificate of title indorsed with the assignee named as the holder of the security interest by providing the department with a copy of the assignment instrument but the failure of the assignee to do so shall not affect the validity of the security interest of the assignment thereof.

(c) (1) Whenever there is no outstanding obligation and no commitment to make advances, incur obligations or otherwise give value, secured or to be secured by a security interest in a vehicle, or an accessory thereon, for which the certificate of title is in possession of a secured party, such secured party shall, within 10 days after satisfaction of the obligation and, in any event within 30 days, execute a termination statement in the form prescribed by the department and mail or deliver the termination statement to the owner or such other person as the owner may direct. The owner other than a dealer holding the vehicle for resale, shall promptly cause the certificate, all termination agreements, and an application for certificate of title accompanied by the proper fee, to be mailed or delivered to the department, which shall issue a new certificate.

(2) Whenever there is no outstanding obligation and no commitment to make advances, incur obligations or otherwise give value, secured or to be secured by a security interest in a vehicle, or an accessory thereon, for which the certificate of title is in the possession of another person, the secured party shall within 10 days after demand and in any event within 30 days, execute a termination statement in the form prescribed by the department and mail or deliver the termination statement to the owner or such other person as the owner may direct.

257.239 Certificate of title; failure to endorse or deliver, penalty.
Sec. 239. It is a misdemeanor for any person to fail or neglect to properly endorse and deliver a certificate of title to a transferee or owner lawfully entitled thereto.

257.240 Liability for use or ownership of vehicle after transfer of endorsed certificate of title; conditions; violation of subsection (2); civil infraction; fine; towing and storage fees.
Sec. 240. (1) The owner of a motor vehicle who has made a bona fide sale by transfer of his or her title or interest and who has delivered possession of the vehicle and the certificate of title to that vehicle properly endorsed to the purchaser or transferee is not liable for any damages or a violation of law that subsequently results from the use or ownership of the vehicle by another, if the owner, other than a licensed dealer, satisfies the conditions prescribed under subsection (2).

(2) The owner of a motor vehicle, other than a licensed dealer, shall satisfy 1 of the following conditions:
(a) Accompany the purchaser of the vehicle to a secretary of state branch office to assure that the title of the vehicle being sold is transferred.
(b) Maintain a record of the sale for not less than 18 months. As used in this subdivision, "record of the sale" means either a photocopy of the reassigned title or a form or document that includes the name, address, driver license number, and signature of the person to whom the vehicle is sold and the purchase price and date of sale of the vehicle.

(3) A person who violates subsection (2) is responsible for a civil infraction and shall be ordered to pay a civil fine of $15.00.

(4) A person who violates subsection (2) is presumed to be the last titled owner and to be liable for towing fees and daily storage fees for an abandoned motor vehicle.

Compiler's note: The repealed section pertained to cancellation of certificate of title for dismantled or wrecked car.

257.242 Sale of vehicle for salvage.
Sec. 242. An owner may sell a vehicle to a dealer for salvage by writing on the face of the certificate of title in bold print the word, scrap, along with the signature of the owner or authorized agent, and by then assigning the certificate of title to the dealer purchasing the vehicle. A certificate of title shall not again be issued for the vehicle.

257.242a Regrooved or recut motor vehicle or motorcycle tires; sale or possession with intent to sell prohibited; exception; misdemeanor.
Sec. 242a. No person shall regroove or recut motor vehicle or motorcycle tires or knowingly sell, offer or
expose for sale or have in his possession with intent to sell any motor vehicle or motorcycle tire or any motor
vehicle or motorcycle equipped with one or more tires which have been recut or regrooved, except that there
shall be no prohibition against the regrooving or recutting of commercial vehicle tires or the sale of regrooved
or recut commercial vehicle tires or commercial vehicles equipped with such commercial vehicle tires which
are designed and constructed in such a manner that regrooving or recutting is an acceptable and safe practice.
A violation of this section shall constitute a misdemeanor.

compensation; temporary permit; agent for secretary of state; pleasure vehicle; business
vehicle.

Sec. 243. (1) A nonresident owner, except as otherwise provided in this section, owning any foreign
vehicle of a type otherwise subject to registration under this act may operate or permit the operation of the
vehicle within this state without registering the vehicle in, or paying any fees to, this state if the vehicle at all
times when operated in this state is duly registered in, and displays upon it a valid registration certificate and
registration plate or plates issued for the vehicle in the place of residence of the owner.

(2) A nonresident owner of a foreign vehicle operated within this state for the transportation of persons or
property for compensation shall register the vehicle and pay the same fees for its registration as is required
with reference to like vehicles owned by residents of this state, except that the department may issue to the
nonresident owner a temporary permit authorizing the operation of the foreign vehicle within this state for a
period of 72 hours, without registering the vehicle, on the payment of a fee as provided in section 802a of this
act. The temporary permit shall be in a form as prescribed by, and shall be displayed on a foreign vehicle in a
manner determined by the secretary of state. Each request for a temporary permit under this subsection shall
be based on emergency or infrequent need for the permit. The secretary of state may refuse to issue a permit if
he or she has reason to believe the applicant has previously forged or misused a permit, has attempted to
circumvent the registration laws of this state, or has not demonstrated an emergency or infrequent use.

(3) The secretary of state may designate an owner or registrant having a fleet of motor vehicles currently
registered under this act to act as an agent for the secretary of state for the purpose of issuing to himself or

transporter with special plate; unauthorized use of special plate; penalties; surety bond or
insurance; number of plates; operation of vehicle with dealer plate by vendee or
prospective purchaser.

Sec. 244. (1) A manufacturer owning a vehicle of a type otherwise required to be registered under this act
may operate or move the vehicle upon a street or highway primarily for the purposes of transporting or testing
or in connection with a golf tournament or a public civic event, if the vehicle displays, in the manner
prescribed in section 225, 1 special plate approved by the secretary of state.

(2) A producer of a vehicle subcomponent system essential to the operation of the vehicle or the safety of

subcomponent system if the motor vehicle displays, in the manner prescribed in section 225, 1 special plate
approved by the secretary of state. To be eligible for the special plate, the subcomponent system producer
must be either a recognized subcomponent system producer or must be a subcomponent system producer
under contract with a vehicle manufacturer.

(3) A dealer owning a vehicle of a type otherwise required to be registered under this act may operate or

to be registered under this act upon a street or highway if the vehicle displays, in the manner prescribed in
section 225, a special plate issued to the transporter under this chapter.

(5) A licensee shall not use a special plate described in this section on service cars or wreckers operated as
an adjunct of a licensee's business. A manufacturer, transporter, or dealer making or permitting any
unauthorized use of a special plate under this chapter forfeits the right to use special plates and the secretary
of state, after notice and a hearing, may suspend or cancel the right to use special plates and require that the
special plates be surrendered to or repossessed by the state.

(6) A transporter shall furnish a sufficient surety bond or policy of insurance as protection for public

permitted to operate the vehicle upon a street or highway for not more than 72 hours after taking possession if
the vehicle has a dealer plate attached as provided in this section. The application for registration shall be
made in the name of the vendee or lessee before the vehicle is used. The dealer and the vendee or lessee are
jointly responsible for the return of the dealer plate to the dealer within 72 hours, and the failure of the vendee
or lessee to return or the vendor or lessor to use due diligence to procure the dealer plate is a misdemeanor,
and in addition the license of the dealer may be revoked. While using a dealer's plate, a vendee or lessee shall
have in his or her possession proof that clearly indicates the date of sale or lease of the motor vehicle.

(9) A vehicle owned by a dealer and bearing the dealer’s plate may be driven upon a street or highway for

department.

(2) The department, upon granting the application, shall issue a special plate with a general distinguishing

plate shall be different from every other special plate.

(3) A manufacturer or transporter may make application on a form prescribed by the secretary of state for 1
or more special plates, which special plates shall be valid for 3 years. Upon approval of the application, the
fee for 1 or more special plates shall be 3 times the annual fee assessed under section 803.

Sec. 248. (1) The secretary of state shall not grant a dealer license under this section until an investigation is made of the applicant's qualifications under this act, except that this subsection does not apply to license renewals. The secretary of state shall make the investigation within 15 days after receiving the application and make a report on the investigation.

(2) An applicant for a new vehicle dealer or a used or secondhand vehicle dealer or broker license shall include a properly executed bond or renewal certificate with the application. payment of the fine will prevent scheduling of an administrative hearing.

(9) A notice of hearing under this section shall be served on the person by first-class mail not less than 5

The dealer to whom the order is directed shall comply immediately, but on application to the department shall be afforded a hearing within 30 days pursuant to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328. On the basis of the hearing, the summary order shall be continued, modified, or held in abeyance not later than 30 days after the hearing.

the vehicle for sale at a public sale under section 252g.

(a) The court informs the secretary of state that the person has resolved all outstanding matters regarding each notice or citation.

(b) The person has paid to the court a $45.00 driver license clearance fee. If the court determines that the person is not responsible for any violation for which the person's license was not issued or renewed under this subsection, the court shall waive the fee.

(10) For the purposes of subsections (5)(a), (8)(a), and (9)(a), the court shall give to the person a copy of the information being transmitted to the secretary of state. Upon showing that copy, the person shall not be arrested or issued a citation for driving on a suspended license, on an expired license, or without a license on the basis of any matter resolved under subsection (5)(a), (8)(a), or (9)(a), even if the information being sent to the secretary of state has not yet been received or recorded by the department.

(11) For each fee received under subsection (5)(b), (8)(b), or (9)(b), the court shall transmit the following amounts on a monthly basis:

(a) Fifteen dollars to the secretary of state. The funds received by the secretary of state under this subdivision shall be deposited in the state general fund and shall be used to defray the expenses of the secretary of state in processing the suspension and reinstatement of driver licenses under this section.

(b) Fifteen dollars to 1 of the following, as applicable:

(i) If the matter is before the circuit court, to the treasurer of the county for deposit in the general fund.

(ii) If the matter is before the district court, to the treasurer of the district funding unit for that court, for deposit in the general fund. As used in this section, "district funding unit" means that term as defined in section 8104 of the revised judicature act of 1961, 1961 PA 236, MCL 600.8104.

(iii) If the matter is before a municipal court, to the treasurer of the city in which the municipal court is located, for deposit in the general fund.

(c) Fifteen dollars to the juror compensation reimbursement fund created in section 151d of the revised judicature act of 1961, 1961 PA 236, MCL 600.151d.

(13) The secretary of state shall immediately suspend the operator's and chauffeur's license of a person licensed to operate a commercial motor vehicle, or a person who operates a commercial motor vehicle without a license to operate that vehicle, if the person fails to answer an out-state citation, or a notice to appear in a court or an authorized administrative tribunal for a violation reportable to the secretary of state under section 732(16), or fails to comply with an order or judgment of an out-state court or an authorized administrative tribunal reportable to the secretary of state under section 732(16), or fails to appear or fails to comply with the out-state court or an authorized administrative tribunal order or judgment reportable to the secretary of state under section 732(16), including, but not limited to, paying all fines, costs, fees, and assessments. For a suspension imposed under this subsection, the secretary of state shall immediately notify the person of the suspension by regular mail at the person's last known address.

(14) A suspension imposed under subsection (13) remains in effect until the secretary of state is notified by the court or authorized administrative tribunal of the other state in which the person failed to answer a citation, or notice to appear, or failed to pay a fine or cost, that the person has answered that citation or notice to appear or has paid the fine or cost.

(15) The secretary of state shall not suspend the person's license under subsection (13) if the person fails to appear in response to a citation issued for, or fails to comply with an order or judgment involving, the parking
or standing of a vehicle.

(16) The secretary of state, upon being informed of the failure of a person to appear or comply as provided in subsection (15), shall not issue license to the person or renew license for the person until the court or authorized administrative tribunal of the other state informs the secretary of state that the person has resolved all outstanding matters regarding the notices, orders, or citations.

(2) Upon being informed of a suspension under subsection (1), the secretary of state shall not issue a license to a person whose license is already suspended, revoked, or denied or who does not have a license to suspend until the person is in compliance with subsection (3) and other provisions of this act.

The hearing officer shall include his or her findings of fact and conclusions of law in the record.

(6) Except as provided in subsection (7), if a person whose license has been denied or revoked under section 303(2)(c), (d), or (g) applies for a license or reinstatement of a license after the time period specified in section 303(4) has elapsed, the hearing officer may issue a restricted license to that person, setting restrictions upon operating a vehicle as the hearing officer determines are appropriate. If the hearing officer issues a restricted license following a hearing held after October 1, 1999, he or she shall do both of the following:

(a) Require installation of a functioning ignition interlock device that meets or exceeds the model specifications of the national highway traffic safety administration set forth in 57 F.R. p.11772, April 7, 1992, on each motor vehicle the person owns or intends to operate, the costs of which shall be borne by the person whose license is restricted.

(b) Condition issuance of a restricted license upon verification by the secretary of state that an ignition interlock device has been installed.

(7) The hearing officer shall not issue a restricted license under subsection (6) that would permit the person to operate a commercial motor vehicle that hauls hazardous material.

(8) If the hearing officer issues a restricted license to a person who intends to operate a vehicle owned by his or her employer, the secretary of state shall notify the employer of the employee's license restriction that requires the installation of an ignition interlock device. An employer who receives notice under this subsection is not required to install an ignition interlock device on the employer-owned vehicle. This subsection does not apply to a vehicle that is operated by a self-employed individual who uses the vehicle for both business and personal use.

Sec. 323. (1) A person aggrieved by a final determination of the secretary of state denying the person an operator's or chauffeur's license, a vehicle group designation, or an indorsement on a license or revoking, suspending, or restricting an operator's or chauffeur's license, vehicle group designation, or an indorsement may petition for a review of the determination in the circuit court in the county where the person was arrested if the denial or suspension was imposed pursuant to section 625f or pursuant to the order of a trial court under section 328 or, in all other cases, in the circuit court in the person's county of residence. The person shall file the petition within 63 days after the determination is made except that for good cause shown the court may allow the person to file petition within 182 days after the determination is made. As provided in section 625f, a peace officer aggrieved by a determination of a hearing officer in favor of a person who requested a hearing under section 625f may, with the prosecuting attorney's consent, petition for review of the determination in the circuit court in the county where the arrest was made. The court may affirm, modify, or set aside the restriction, suspension, or denial, except the court shall not order the secretary of state to issue a restricted or unrestricted chauffeur's license that would permit the person to drive a commercial motor vehicle that hauls a hazardous material. The court shall enter the order and the petitioner shall file a certified copy of the order with the secretary of state's office in Lansing within 7 days after entry of the order.

(4) Except as otherwise provided in this section, in reviewing a determination resulting in a denial, suspension, restriction, or revocation under this act, the court shall confine its consideration to a review of the record prepared pursuant to section 322 or 625f or the driving record created under section 204a for a statutory legal issue, and shall not grant restricted driving privileges. The court shall set aside the secretary of state's determination only if the petitioner's substantial rights have been prejudiced because the determination is any of the following:

Except as provided in subsection (2), the court may enter an ex parte order staying the suspension or revocation subject to terms and conditions prescribed by the court until the determination of an appeal to the secretary of state or of an appeal or a review by the circuit court, or for a lesser time which the court considers proper, except that the court shall not enter an ex parte order staying the suspension or revocation of a person who drives a truck or truck tractor, including a trailer, which hauls hazardous material.

(2) The court shall not enter an ex parte order staying the suspension, denial, or revocation if the order is based upon a claim of undue hardship.

257.323c Restricted license; issuance by circuit court; limitations; exceptions; condition.

Sec. 323c. (1) A person denied a license to operate a motor vehicle or whose license for that purpose has been suspended by the secretary of state under section 625f has a right to a review of the matter in circuit court as provided in sections 323 and 323a. Except as provided in this section, the court may order the secretary of state to issue a restricted license permitting the person to drive to and from the person's residence and work location; in the course of the person's employment or occupation; to and from an alcohol or drug education program or treatment program as ordered by a court; to and from the person's residence and the court probation department, or a court-ordered community service program, or both; to and from the person's residence and an educational institution at which the person is enrolled as a student; or pursuant to a combination of these restrictions. The restricted license shall permit the driver to take any driving skills test required by the secretary of state. If the denial, suspension, or revocation of a person's license or vehicle group designation under section 625f occurred in connection with the operation of a commercial motor vehicle, the court shall not order the secretary of state to issue a restricted license that would permit the person to operate a commercial motor vehicle. The court shall not order the secretary of state to issue a restricted operator's or chauffeur's license that would permit a person to operate a commercial motor vehicle hauling hazardous material. The court shall not order the secretary of state to issue a restricted license unless the person states under oath and the court finds that the person is unable to take public transportation to and from his or her work location, place of alcohol or drug education or treatment, or educational institution, and does not have a family member or other person able to provide transportation. The court order and license shall indicate the person's work location and the approved route or routes and permitted times of travel. (4) Notwithstanding any other provision of this act, the court shall not issue a restricted license to a person to operate a commercial motor vehicle when a vehicle group designation is required to operate that vehicle.

Compiler's note: Section 2 of Act 310 of 1982 provides: “All proceedings pending and all rights and liabilities existing, acquired, or incurred at the time this amendatory act takes effect are saved and may be consummated according to the law in force when they are commenced. **reimbursement of costs.**

Sec. 323d. (1) The drug case information management fund is created as a separate fund in the state treasury. The purpose of the fund is to help defray the costs of complying with requirements for the timely management and reporting to the secretary of state of information concerning cases involving an attempt to violate, a conspiracy to violate, or a violation of part 74 or section 17766a of the public health code, Act No. 368 of the Public Acts of 1978, being sections 333.7401 to 333.7461 and 333.17766a of the Michigan Compiled Laws, or of a local ordinance that prohibits conduct prohibited under part 74 or section 17766a of Act No. 368 of the Public Acts of 1978. Money in the fund shall be expended only as provided in subsection (3).

The state treasurer may invest money contained in the drug case information management fund in any manner authorized by law for the investment of state money. However, an investment shall not interfere with any apportionment, allocation, or payment of money as required by this section. The state treasurer shall credit all earnings from the fund to the fund. Money in the fund at the end of the fiscal year shall remain in the fund and shall not revert to the general fund.

(3) The state court administrator, at the direction of the supreme court and upon confirmation of the amount by the state treasurer, shall distribute from the drug case information management fund the total amount available in a fiscal year to each circuit of the circuit court, each district of the district court, and each probate court as provided in this subsection. The state court administrator, after reimbursement of costs as provided in this subsection, shall distribute the balance of the drug case information management fund annually after costs are disbursed to each circuit of the circuit court, each district of the district court, and each probate court in an amount determined by multiplying the amount available for distribution by a fraction, the numerator of which is the number of cases in which the defendant was charged with an attempt to violate, a conspiracy to violate, or a violation of part 74 or section 17766a of Act No. 368 of the Public Acts of 1978, or a local ordinance that prohibits conduct prohibited under part 74 or section 17766a of Act No. 368 of the Public Acts of 1978, in the prior calendar year in that circuit of the circuit court, that district of the district court, or that probate court, as certified by the state court administrator, and the denominator of which is the total number of cases in all circuits of the circuit court, all districts of the district court, and all probate courts in which the defendant was charged with an attempt to violate, a conspiracy to violate, or a violation of part 74 of section 17766a of Act No. 368 of the Public Acts of 1978, or a local ordinance that prohibits conduct prohibited under part 74 or section 17766a of Act No. 368 of the Public Acts of 1978. If the court requires the license to be surrendered, the court shall order the secretary of state to suspend the person's license. The court shall immediately destroy the license and shall forward to the secretary of state an abstract of the court record as required by section 732. This notification shall be made on the abstract or on a form approved by the supreme court administrator. Upon receipt, the secretary of state shall immediately enter this information in the records of the department. (7) Points shall not be entered on a driver's record pursuant to section 320a for a violation of this section.

(8) This section does not apply to the owner or operator of a motor vehicle that is registered in a state other than this state or a foreign country or province.

257.329 Possessing, selling, or offering for sale a stolen, false, or counterfeit certificate of insurance; penalty.

Sec. 329. (1) A person who knowingly possesses, sells, or offers for sale a stolen, false, or counterfeit certificate of insurance is guilty of a felony.

(3) A person who is convicted of a third or subsequent violation of this section shall be punished by imprisonment for not less than 5 years or more than 15 years, or by a fine of not less than $5,000.00 or more than $15,000.00, or both.

CHAPTER IV
CIVIL LIABILITY ACT

CIVIL LIABILITY OF OWNERS AND OPERATORS OF MOTOR VEHICLES

257.401 Civil actions; liability of owner; liability of lessor; construction of subsections (3) and (4); “motor vehicle” defined; liability for off lease vehicle.

Sec. 401. (1) This section shall not be construed to limit the right of a person to bring a civil action for damages for injuries to either person or property resulting from a violation of this act by the owner or operator of a motor vehicle or his or her agent or servant. The owner of a motor vehicle is liable for an injury caused by the negligent operation of the motor vehicle whether the negligence consists of a violation of a statute of this state or the ordinary care standard required by common law. The owner is not liable unless the motor vehicle is being driven with his or her express or implied consent or knowledge. It is presumed that the motor...
vehicle is being driven with the knowledge and consent of the owner if it is driven at the time of the injury by his or her spouse, father, mother, brother, sister, son, daughter, or other immediate member of the family.

(2) A person engaged in the business of leasing motor vehicles who is the lessor of a motor vehicle under a lease providing for the use of the motor vehicle by the lessee for a period that is greater than 30 days, or a dealer acting as agent for that lessor, is not liable at common law for damages for injuries to either person or property resulting from the operation of the leased motor vehicle, including damages occurring after the expiration of the lease if the vehicle is in the possession of the lessee.

(3) Notwithstanding subsection (1), a person engaged in the business of leasing motor vehicles who is the lessor of a motor vehicle under a lease providing for the use of the motor vehicle by the lessee for a period of 30 days or less is liable for an injury caused by the negligent operation of the leased motor vehicle only if the injury occurred while the leased motor vehicle was being operated by an authorized driver under the lease agreement or by the lessee’s spouse, father, mother, brother, sister, son, daughter, or other immediate family member. Unless the lessor, or his or her agent, was negligent in the leasing of the motor vehicle, the lessor’s liability under this subsection is limited to $20,000.00 because of bodily injury to or death of 1 person in any 1 accident and $40,000.00 because of bodily injury to or death of 2 or more persons in any 1 accident.

(4) A person engaged in the business of leasing motor vehicles as provided under subsection (3) shall notify a lessee that the lessor is liable only up to the maximum amounts provided for in subsection (3), and only if the leased motor vehicle was being operated by the lessee or other authorized driver or by the lessee’s spouse, father, mother, brother, sister, son, daughter, or other immediate family member, and that the lessee may be liable to the lessor up to amounts provided for in subsection (3), and to an injured person for amounts awarded in excess of the maximum amounts provided for in subsection (3).

(5) Subsections (3) and (4) shall not be construed to expand or reduce, except as otherwise provided by this act, the liability of a person engaged in the business of leasing motor vehicles or to impair that person’s right to indemnity or contribution, or both.

(6) As used in subsections (3), (4), and (5), “motor vehicle” means a self-propelled device by which a person or property may be transported upon a public highway. Motor vehicle does not include a bus, power shovel, road machinery, agricultural machinery, or other machinery or vehicle not designed primarily for highway transportation. Motor vehicle also does not include a device that moves upon or is guided by a track.

(7) A lessee in possession of an off lease vehicle, and not the dealer of the vehicle, is liable as the owner of the vehicle for any damages awarded for an injury to a person or property resulting from the operation of the vehicle. The dealer of an off lease vehicle may be liable at common law for damages awarded for an injury to a person or property resulting from the operation of the vehicle only if the dealer is in possession of the vehicle and the certificate of title and has acknowledged possession of the certificate of title to the lessor.

**Constitutionality:** The guest passenger exception to the owners liability statute is unconstitutional. *Manistee Bank & Trust Company v McGowan*, 394 Mich 655; 232 NW2d 636 (1975).

### 257.401a “Owner” defined.

Sec. 401a. As used in this chapter, “owner” does not include a person engaged in the business of leasing motor vehicles who is the lessor of a motor vehicle pursuant to a lease providing for the use of the motor vehicle by the lessee for a period that is greater than 30 days.

### 257.402 Rear end collision; prima facie evidence of negligence.

Sec. 402. (a) In any action, in any court in this state when it is shown by competent evidence, that a vehicle traveling in a certain direction, overtook and struck the rear end of another vehicle proceeding in the same direction, or lawfully standing upon any highway within this state, the driver or operator of such first mentioned vehicle shall be deemed prima facie guilty of negligence. This section shall apply, in appropriate cases, to the owner of such first mentioned vehicle and to the employer of its driver or operator.

(b) This section may not be invoked by the owner of any vehicle, the rear of which was struck under the circumstances above mentioned, if the accident occurred between 1 hour after sunset and 1 hour before sunrise, and the vehicle so struck did not, at the time, have a lighted lamp or lantern reasonably visible to the drivers of vehicles approaching from the rear.

### 257.403 Nonresident vehicle operators; service of process, manner, record; service upon defendant, certification; taxable costs; application of section.
Sec. 403. (a) Service of summons in any action against a person, who at the time of such service is a nonresident of this state, growing out of any accident or collision in which such person may have been involved while operating a motor vehicle upon a public highway of this state or in which a motor vehicle owned by him may have been involved while being operated with his consent, express or implied, on such public highway, may be made upon the secretary of state as the true and lawful attorney of such person with the same legal force as if served on him personally within this state. Service of such summons shall be made by leaving a copy thereof with the secretary of state, or his deputy, who shall keep a record of each such process and the day and hour of service, and such service shall be sufficient service upon such nonresident, provided that notice of such service and a copy of the summons are forthwith either served upon the defendant personally by the sheriff or constable of the county in which he resides or sent by registered mail by the plaintiff or his attorney to the defendant. If personal service of such notice and copy of summons is had upon the defendant the officer making the service shall so certify in his return which shall be filed with the court having jurisdiction of said cause, or if service be made by registered mail then the plaintiff or his attorney shall make an affidavit showing that he has made service of the notice of summons upon the defendant by registered mail as herein provided and the affiant shall attach thereto a true copy of the summons and notice so served and the registry receipt of the defendant and shall file the affidavit and attached papers with the court having jurisdiction of the cause. The court in which the action is pending may order such extension of time as may be necessary to afford the defendant reasonable opportunity to defend the action.

The death of the nonresident shall not operate to revoke the appointment by the nonresident of the secretary of state as his true and lawful attorney upon whom may be served the summons in an action against him growing out of any such accident or collision; and in event of his death, any action growing out of such accident or collision may be commenced or prosecuted against his executor or administrator duly appointed by the state, territory or district of the United States or foreign country in which the nonresident was domiciled at the time of his death, and service of the summons shall be made upon the secretary of state, and personal service of such notice and the copy of the summons be had upon his executor or administrator in like manner with the same force and effect as service upon such nonresident during his lifetime.

Any action or proceeding pending in any court of this state, in which the court shall have obtained jurisdiction of such nonresident pursuant to the provision of this statute, shall not abate by reason of the death of such nonresident, but his executor or administrator duly appointed in the state, territory or district of the United States or foreign country in which he was domiciled at the time of his death, shall, upon the application of the plaintiff in the action, and upon such notice as the court may prescribe, be brought in and substituted in the place of the decedent, and the action or proceeding shall continue.

(b) The court shall include as taxable costs, in addition to other legal costs, against the plaintiff in case the defendant shall prevail in such suit, the actual traveling expenses of the defendant from his residence to the place of trial and return not to exceed the sum of $100.00.

(c) The provisions of this section shall apply to actions commenced in all courts of this state having civil jurisdiction, including justice courts.

(d) Any service of process made on the secretary of state under this section shall be accompanied by an affidavit by the plaintiff or his attorney setting forth that the defendant is a nonresident of this state, and if known, the last known nonresident address of the defendant.

257.403a Nonresident; definition.

Sec. 403a. As used in section 403, the term “nonresident” shall include any person who was, at the time of the accident or event, a resident of the state of Michigan but who removed from the state before the commencement of the action or proceeding.

257.404 Service of process; place.

Sec. 404. In any tort action for the recovery of damages to person or property resulting from the operation of 1 or more motor vehicles, where the action is brought in the county where the cause of action arose, process from any court of record may be served anywhere within the state where the party upon whom service is to be made may be found.

ADMINISTRATION

257.501 Financial responsibility act; administration, rules and regulations.
Sec. 501. The secretary of state through the director of driver services or his authorized agent shall administer and enforce the provisions of this chapter and may make rules and regulations necessary for its administration.

257.502 Operating record; certified abstract inadmissible as evidence.
Sec. 502. (a) The secretary of state shall upon request and upon payment of the required fee furnish any person a certified abstract of the operating record of any person subject to the provisions of this chapter, which abstract shall also fully designate the motor vehicles, if any, registered in the name of such person, and, if there be no record in the office of the secretary of state of any conviction of such person of violating any law relating to the operation of a motor vehicle or any injury or damage caused by such person, the secretary of state shall so certify.

(b) Such record shall not be admissible as evidence in any action, civil or criminal, arising out of a motor vehicle accident.

257.502a Proof of compliance with laws of another state.
Sec. 502a. Proof of compliance with the financial responsibility laws of another state may be submitted to the secretary of state in lieu of the proof of financial responsibility required by this chapter if the accident for which proof of financial responsibility is required under this chapter occurred in the state with whose laws there was compliance.

WRITTEN REPORTS OF ACCIDENTS

SECURITY FOLLOWING ACCIDENT

PROOF OF FINANCIAL RESPONSIBILITY FOR THE FUTURE

257.511 Nonpayment of judgment; certification to secretary of state; nonresidents.
Sec. 511. (1) If a person fails within 30 days to satisfy a judgment, the clerk of the court, or of the judge of a court that has no clerk, in which the judgment is rendered shall forward to the secretary of state immediately upon the request of the plaintiff or plaintiff's attorney after the expiration of 30 days an abstract of the court record of the judgment properly certified, on forms supplied by the department.

(2) Failure, refusal, or neglect to comply with subsection (1) constitutes misconduct in office and is grounds for removal from office.

(3) If the defendant named in an abstract of court record reported to the secretary of state under subsection (1) is a nonresident, the secretary of state shall transmit a certified copy of the abstract of court record to the official in charge of issuing licenses and registration certificates of the state in which the defendant resides.

257.512 Nonpayment of judgment; suspension of registration and nonresident's operating privilege.
Sec. 512. The secretary of state upon receipt of a certified abstract of court record of a judgment rendered in this state or any other state shall forthwith suspend the license and registration and any nonresident's operating privilege of any person against whom such judgment was rendered, except as otherwise provided in this chapter.

257.512a Nonpayment of judgment; finding as to insurer, effect.
Sec. 512a. No license, registration or nonresident's operating privilege of any person shall be suspended
under the provisions of this chapter if the secretary of state finds that an insurer was obligated to pay the judgment upon which the suspension is based, at least to the extent and for the amounts required in this chapter, but has not paid the judgment for any reason. A finding by the secretary of state that an insurer is obligated to pay a judgment is not binding upon the insurer and shall have no legal effect whatever except for the purpose of administering this section. Whenever in any judicial proceedings it is determined by any final judgment, decree or order that an insurer is not obligated to pay any judgment, the secretary of state, notwithstanding any contrary finding theretofore made by him, shall forthwith suspend as provided in section 512 the license and registration and any nonresident's operating privilege of any person against whom the judgment was rendered.

### 257.513 Duration of suspension of license, registration, and nonresident's operating privilege; satisfaction of judgment.

Sec. 513. (a) The license, registration and nonresident's operating privilege shall remain so suspended and shall not be renewed, nor shall any license or registration be thereafter issued in the name of the person, including any person not previously licensed unless and until the judgment is satisfied in full or he files an installment repayment agreement as provided in section 515 and, notwithstanding the provisions of section 528, maintains proof of financial responsibility as provided in section 517 until the judgment is satisfied in full.

(b) Judgments shall be deemed to be satisfied in full under this section if not renewed prior to the expiration of the statute of limitations.

### 257.514 When judgments deemed satisfied.

Sec. 514. Judgments herein referred to shall, for the purpose of this chapter only, be deemed satisfied:

1. When $20,000.00 is credited upon any judgment or judgments rendered in excess of that amount because of bodily injury to or death of 1 person as the result of any one accident; or

2. When, subject to such limit of $20,000.00 because of bodily injury to or death of 1 person, the sum of $40,000.00 is credited upon any judgment or judgments rendered in excess of that amount because of bodily injury to or death of 2 or more persons as the result of any one accident; or

3. When $10,000.00 is credited upon any judgment or judgments rendered in excess of that amount because of injury to or destruction of property of others as a result of any one accident.

### 257.515 Installment payment of judgment; default.

Sec. 515. (a) A judgment debtor upon due notice to the judgment creditor may apply to the court in which such judgment was rendered for the privilege of paying such judgment in installments and the court, in its discretion and without prejudice to any other legal remedies which the judgment creditor may have, may so order and fix the amounts and times of payment of the installments. A true copy of the order shall be filed with the secretary of state. In lieu of a court order for installment payments, the judgment debtor and judgment creditor may make an agreement in writing, a copy of which shall be filed with the secretary of state, for the payment of the judgment in installments.

(b) The secretary of state shall not suspend a license, registration, or nonresident's operating privilege, and shall restore any license, registration, or nonresident's operating privilege suspended following non-payment of a judgment, when the judgment debtor gives proof of financial responsibility and obtains an order, or written agreement, permitting the payment of the judgment in installments, and while the payment of any installment is not in default.

(c) If the judgment debtor fails to pay any installments as specified by the order, or written agreement, then upon notice of the default, the secretary of state shall forthwith suspend the license, registration, or nonresident's operating privilege of the judgment debtor until the judgment is satisfied, as provided in this chapter.

### 257.515a Restoration of license or registration after nonpayment of installment; limitation.

Sec. 515a. The secretary of state shall not restore a license, registration or nonresident's operating privilege of any person more than twice within a 2-year period following nonpayment of the installment agreement.
judgment, order or other written agreement contemplated in section 515 of this chapter.

Compiler's note: The repealed section pertained to suspension of license and registration.

257.517 Proof of financial responsibility; alternative methods.

Sec. 517. Proof of financial responsibility when required under this chapter may be given by filing:
1. A certificate of insurance as provided in section 518 or section 519; or
2. A bond as provided in section 523; or
3. A certificate of deposit of money or securities as provided in section 524.

257.518 Proof of financial responsibility; certificate of insurance.

Sec. 518. (a) Proof of financial responsibility may be furnished by filing with the secretary of state the written certificate of any insurance carrier duly authorized to do business in this state certifying that there is in effect a motor vehicle liability policy for the benefit of the person required to furnish proof of financial responsibility. Such certificate shall give the effective date of such motor vehicle liability policy, which date shall be the same as the effective date of the certificate, and shall designate by explicit description or by appropriate reference all motor vehicles covered thereby, unless the policy is issued to a person who is not the owner of a motor vehicle.

(b) No motor vehicle shall be or continue to be registered in the name of any person required to file proof of financial responsibility unless such motor vehicle is so designated in such a certificate.

257.519 Proof of financial responsibility; nonresident, compliance of insurance carrier.

Sec. 519. (a) The nonresident owner of a motor vehicle not registered in this state may give proof of financial responsibility by filing with the secretary of state a written certificate or certificates of an insurance carrier authorized to transact business in the state in which the motor vehicle, or motor vehicles, described in such certificate is registered, or if such nonresident does not own a motor vehicle, then in the state in which the insured resides, provided such certificate otherwise conforms with the provisions of this chapter, and the secretary of state shall accept the same upon condition that said insurance carrier complies with the following provisions with respect to the policies so certified:
1. Said insurance carrier shall execute a power of attorney authorizing the secretary of state to accept service on its behalf of notice or process in any action arising out of a motor vehicle accident in this state;
2. Duly adopt a resolution providing that its policies shall be deemed to be varied to comply with the law of this state relating to the terms of motor vehicle liability policies issued therein; and
3. Agree to accept as final and binding any final judgment duly rendered in any action arising out of a motor vehicle accident in any court of competent jurisdiction in this state.

(b) If any insurance carrier not authorized to transact business in this state, which has qualified to furnish proof of financial responsibility, defaults in any said undertakings or agreements, the secretary of state shall not thereafter accept as proof any certificates of said carrier whether theretofore filed or thereafter tendered as proof, so long as such default continues.

257.520 Motor vehicle liability policy; definition; contents; coverage; limits; conditions; excess or additional coverage; reimbursement; proration; binder or indorsement.

Sec. 520. (a) A “motor vehicle liability policy” as used in this chapter, shall mean an owner's or an operator's policy of liability insurance, certified as provided in section 518 or section 519 as proof of financial responsibility, and issued, except as otherwise provided in section 519, by an insurance carrier duly authorized to transact business in this state, to or for the benefit of the person named therein as insured.

(b) Such owner's policy of liability insurance:
1. Shall designate by explicit description or by appropriate reference all motor vehicles with respect to which coverage is thereby to be granted; and
2. Shall insure the person named therein and any other person, as insured, using any such motor vehicle or motor vehicles with the express or implied permission of such named insured, against loss from the liability imposed by law for damages arising out of the ownership, maintenance or use of such motor vehicle or motor vehicles within the United States of America or the Dominion of Canada, subject to limits exclusive of...
interest and costs, with respect to each such motor vehicle, as follows: $20,000.00 because of bodily injury to or death of 1 person in any 1 accident and, subject to said limit for 1 person, $40,000.00 because of bodily injury to or death of 2 or more persons in any 1 accident, and $10,000.00 because of injury to or destruction of property of others in any 1 accident.

(3) When a certificate is filed showing that a policy or policies have been issued covering all motor vehicles owned by the insured but not insuring such person when operating any motor vehicle not owned by him, it shall be unlawful for such person to operate any motor vehicle not owned by him or not covered by such certificate.

(c) Such operator's policy of liability insurance shall insure the person named as insured therein against loss from the liability imposed upon him by law for damages arising out of the use by him of any motor vehicle not owned by him, within the same territorial limits and subject to the same limits of liability as are set forth above with respect to an owner's policy of liability insurance.

(d) Such motor vehicle liability policy shall state the name and address of the named insured, the coverage afforded by the policy, the policy period, and the limits of liability, and shall contain an agreement or be indorsed that insurance is provided thereunder in accordance with the coverage defined in this chapter as respects bodily injury and death or property damage, or both, and is subject to all the provisions of this chapter.

(e) Such motor vehicle liability policy need not insure any liability under any workmen's compensation law nor any liability on account of bodily injury to or death of an employee of the insured while engaged in the employment, other than domestic, of the insured, or while engaged in the operation, maintenance or repair of any such motor vehicle nor any liability for damage to property owned by, rented to, in charge of, or transported by the insured.

(f) Every motor vehicle liability policy shall be subject to the following provisions which need not be contained therein:

1. The liability of the insurance carrier with respect to the insurance required by this chapter shall become absolute whenever injury or damage covered by said motor vehicle liability policy occurs; said policy may not be cancelled or annulled as to such liability by any agreement between the insurance carrier and the insured after the occurrence of the injury or damage; no statement made by the insured or on his behalf and no violation of said policy shall defeat or void said policy, and except as hereinafter provided, no fraud, misrepresentation, assumption of liability or other act of the insured in obtaining or retaining such policy, or in adjusting a claim under such policy, and no failure of the insured to give any notice, forward any paper or otherwise cooperate with the insurance carrier, shall constitute a defense as against such judgment creditor.

2. The satisfaction by the insured of a judgment for such injury or damage shall not be a condition precedent to the right or duty of the insurance carrier to make payment on account of such injury or damage.

3. If any person shall secure final judgment against the insured for loss or damage covered by any such policy and if such judgment is not satisfied within 30 days after it shall have become final, then such judgment creditor shall be entitled to recover under the terms of such policy in the same manner and to the same extent as the insured, except as hereinafter provided.

4. The insurance carrier shall have the right to settle any claim covered by the policy, and if such settlement is made in good faith, the amount thereof shall be deductible from the limits of liability specified in subparagraph (d) of paragraph (b) of this section.

5. The policy, the written application therefor, if any, and any rider or indorsement which does not conflict with the provisions of this chapter, shall constitute the entire contract between the parties.

6. The insurance carrier shall not be liable on any judgment if it has not had prompt notice of and reasonable opportunity to appear in and defend the action in which such judgment was rendered, or if the judgment has been obtained through collusion between the judgment creditor and the insured.

7. Any policy which grants the coverage required for a motor vehicle liability policy may also grant any lawful coverage in excess of or in addition to the coverage specified for a motor vehicle liability policy and such excess or additional coverage shall not be subject to the provisions of this chapter, with respect to a policy which grants such excess or additional coverage the term "motor vehicle liability policy" shall apply only to that part of the coverage which is required by this section.

8. Any motor vehicle liability policy may provide that the insured shall reimburse the insurance carrier for any payment the insurance carrier would not have been obligated to make under the terms of the policy except for the provisions of this chapter.

9. Any motor vehicle liability policy may provide for the prorating of the insurance thereunder with other valid and collectible insurance.

10. The requirements for a motor vehicle liability policy may be fulfilled by the policies of 1 or more insurance carriers which policies together meet such requirements.
(k) Any carrier authorized to issue motor vehicle liability policies may, pending the issuance of such a policy, execute an agreement, to be known as a “binder”, or may, in lieu of such a policy, issue an endorsement to an existing policy. Every such binder or endorsement shall be subject to the provisions of this section and shall be construed to provide indemnity or insurance in like manner and to the same extent as a motor vehicle liability policy.

257.521 Motor vehicle liability policy; notice of termination.

Sec. 521. When an insurance carrier has certified a motor-vehicle liability policy under section 518 or section 519, the insurance so certified shall not be cancelled or terminated until at least 10 days after a notice of cancellation or termination of the insurance so certified shall be filed in the office of the secretary of state, except that such a policy subsequently procured and certified shall, on the effective date of its certification, terminate the insurance previously certified with respect to any motor vehicle designated in both certificates.

257.522 Automobile insurance policies unaffected by chapter.

Sec. 522. (a) This chapter shall not be held to apply to or affect policies of automobile insurance against liability which may now or hereafter be required by any other law of this state, and such policies, if they contain an agreement or are endorsed to conform with the requirements of this chapter, may be certified as proof of financial responsibility under this chapter.

(b) This chapter shall not be held to apply to or affect policies insuring solely the insured named in the policy against liability resulting from the maintenance or use by persons in the insured's employ or on his behalf of motor vehicles not owned by the insured.

257.523 Bond as proof of financial responsibility; satisfaction of judgment.

Sec. 523. (a) The bond of a surety company, duly authorized to transact business within the state, or a bond, with at least 2 individual sureties, each owning real estate within this state, which real estate shall be scheduled in the bond and approved by a judge of a court of record which said bond shall be conditioned for the payment of the amounts specified herein may be accepted as proof of financial responsibility, and such bond shall be filed with the register of deeds of the county where such property is located, and a true copy thereof shall be filed with the secretary of state, and shall not be cancelable except after 10 days' written notice to the secretary of state. Such bonds shall constitute a lien in favor of the state upon the real estate so scheduled or any surety, which lien shall exist in favor of any holder of a final judgment against the person who has filed such proof on account of damage to property or injury to, including death of a person or persons resulting from the ownership, maintenance, use or operation hereafter of a motor vehicle, upon the filing of notice to that effect by the secretary of state in the office of the register of deeds of the county where such real estate is located.

(b) If such judgment rendered against the principal on the surety company or real estate individual bond given under the provisions of this chapter shall not be satisfied within 30 days after it has become final as hereinbefore provided, the judgment creditor may, for his own use and benefit and at his sole expense, bring an action or actions in the name of the state against the company or person executing such bond, including an action or proceeding to foreclosure any lien that may exist upon the real estate of a person who has executed such bond in like manner as foreclosure of a mortgage in chancery.

257.524 Money or securities as proof.

Sec. 524. (a) The certificate of the state treasurer that the person named therein has deposited with him a sum of money or securities for money approved by him in the amounts as specified herein shall be taken as proof of financial responsibility. The state treasurer shall accept any such deposits and issue a certificate therefor, and the secretary of state shall accept such certificate if accompanied by evidence that there are no unsatisfied judgments against the depositor registered in the office of the county clerk of the county where the depositor resides.

(b) Such deposit shall be held by the state treasurer to satisfy, in accordance with the provisions of this chapter, any execution on a judgment issued against such person making the deposit, for damages, including damages for care and loss of services, because of bodily injury to or death of any person, or for damages because of injury to or destruction of property, including the loss of use thereof, resulting from the ownership,
maintenance, use, or operation of a motor vehicle after such deposit was made. Money or securities so deposited shall not be subject to attachment or execution unless such attachment or execution shall arise out of a suit for damages as aforesaid.

257.525 Owners' proof for others.

Sec. 525. Whenever any person required to give proof of financial responsibility hereunder is or later becomes an operator in the employ of any owner, or is or later becomes a member of the immediate family or household of the owner, the secretary of state shall accept proof given by such owner in lieu of proof by such other person to permit such other person to operate a motor vehicle for which the owner has given proof as herein provided. In like manner the secretary of state shall accept the certificate of self-insurance issued by him to any owner under the provisions of this act in lieu of proof of financial responsibility which would otherwise be required of any person employed as an operator by such owner to permit such person to operate motor vehicles of such self-insured owner. The secretary of state, shall designate the restrictions imposed by this section on the face of such person's license.

257.526 Substitution of proof.

Sec. 526. The secretary of state shall consent to the cancellation of any bond or certificate of insurance or the secretary of state shall direct and the state treasurer shall return any money or securities to the person entitled thereto upon the substitution and acceptance of other adequate proof of financial responsibility pursuant to this chapter.

257.527 Other proof required.

Sec. 527. Whenever any proof of financial responsibility filed under the provisions of this chapter no longer fulfills the purposes for which required, the secretary of state shall for the purpose of this chapter require other proof as required by this chapter, and shall suspend the license and registration or the nonresident's operating privilege pending the filing of such other proof.

257.528 Cancellation of bond or certificate of insurance, returning money or securities deposited as proof of financial responsibility, or waiving requirement of filing proof; conditions; certification; refusal of application by person whose proof is cancelled or returned; reestablishment of proof.

Sec. 528. (1) The secretary of state shall upon request consent to the immediate cancellation of a bond or certificate of insurance, or the secretary of state shall direct and the state treasurer shall return to the person entitled thereto upon the substitution and acceptance of other adequate proof of financial responsibility pursuant to this chapter.

(2) The secretary of state shall not consent to the cancellation of a bond or the return of money or securities if an action for damages upon a liability covered by the proof is pending, a judgment upon the liability is unsatisfied, or if the person who has filed the bond or deposited the money or securities has within 1 year immediately preceding the request been involved as an operator or owner in a motor vehicle accident resulting in injury or damage to the person or property of others. A certification of the applicant as to the nonexistence of the facts described in this subsection, that the applicant has been released from liability, or has been finally adjudicated not to be liable for the injury or damage, shall be sufficient evidence of the nonexistence of those facts, in the absence of evidence to the contrary, in the records of the secretary of state.

(3) If a person whose proof has been canceled or returned under subsection (1)(c) applies for a license or registration within a period of 3 years from the date proof was originally required, the application shall be refused unless the applicant reestablishes the proof for the remainder of the 3-year period.
257.529 Transfer of registration.
Sec. 529. This chapter shall not prevent the owner of a motor vehicle, the registration of which has been suspended hereunder, from effecting a bona fide transfer of such motor vehicle to another person whose rights or privileges are not suspended under this chapter nor prevent the registration of such motor vehicle by such transferee. This chapter shall not in anywise affect the rights of any conditional vendor, chattel mortgagee, or lessor of a motor vehicle registered in the name of another as owner who becomes subject to the provisions of this chapter.

257.530 Surrender of license and registration upon suspension or for lack of sufficient proof.
Sec. 530. Any person whose license or registration shall have been suspended as herein provided, or whose policy of insurance or bond, when required under this chapter, shall have been cancelled or terminated, or who shall neglect to furnish other proof upon request of the secretary of state shall immediately return his license and registration to the secretary of state. If any person wilfully fails to return to the secretary of state the license or registration provided herein, the secretary of state shall forthwith direct any peace officer to secure possession thereof and to return the same to the secretary of state.

GENERAL PROVISIONS

257.531 Self-insurance; certificate, cancellation.
Sec. 531. (a) Any person in whose name more than 25 motor vehicles are registered may qualify as a self-insurer by obtaining a certificate of self-insurance issued by the secretary of state as provided in paragraph (b) of this section.
(b) The secretary of state may, in his discretion, upon the application of such a person, issue a certificate of self-insurance when he is satisfied that such person is possessed and will continue to be possessed of ability to pay judgments obtained against such person.
(c) Upon not less than 5 days' notice and a hearing pursuant to such notice, the secretary of state may upon reasonable grounds cancel a certificate of self-insurance. Failure to pay any judgment within 30 days after such judgment shall have become final shall constitute a reasonable ground for the cancellation of a certificate of self-insurance.

257.532 Availability of other security.
Sec. 532. Nothing in this chapter shall be construed as preventing the plaintiff in any action at law from relying for security upon the other processes provided by law.

CHAPTER VI
OBEDIENCE TO AND EFFECT OF TRAFFIC LAWS

257.601 Applicability of chapter to operations on highways; exceptions.
Sec. 601. The provisions of this chapter relating to the operation of vehicles refer exclusively to the operation of vehicles upon highways except where a different place is specifically referred to in a given section.

257.601a Private road open to general public; contract.
Sec. 601a. (1) A city, township, or village may contract with a person who owns or is in charge of a private road that is open to the general public, at that person's request or with that person's consent, to enforce provisions of this act on that private road.
(2) Subject to subsection (1) and section 906, a peace officer may enter upon a private road that is open to the general public to enforce provisions of this act if signs meeting the requirements of the Michigan manual of uniform traffic control devices are posted on the private road.
(3) The owner or person in charge of a private road open to the general public who enters into a contract as described in subsection (1) is responsible for the cost and the posting of signs described in subsection (2).

This section shall not be construed to affect a contract entered into between a city, township, or village and the person who owns or is in charge of a private road open to the general public before the effective date of the amendatory act that added this section.

**Compiler’s note:** Former MCL 257.601a, which pertained to certain vehicle owned and operated by state and local authorities and vehicles transporting hazardous materials, was repealed by Act 248 of 1995, Imd. Eff. Dec. 27, 1995.

### 257.601b Moving violation in work zone, emergency scene, or school zone; penalties; exceptions; definitions.

Sec. 601b. (1) Notwithstanding any other provision of this act, a person responsible for a moving violation in a work zone, at an emergency scene, or in a school zone during the period beginning 30 minutes before school in the morning and through 30 minutes after school in the afternoon is subject to a fine that is double the fine otherwise prescribed for that moving violation.

(2) A person who commits a moving violation in a work zone for which not fewer than 3 points are assigned under section 320a and as a result causes injury to another person in the work zone is guilty of a misdemeanor punishable by a fine of not more than $1,000.00 or imprisonment for not more than 1 year, or both.

(3) A person who commits a moving violation in a work zone for which not fewer than 3 points are assigned under section 320a and as a result causes death to another person in the work zone is guilty of a felony punishable by a fine of not more than $7,500.00 or by imprisonment for not more than 15 years, or both.

(4) Subsections (2) and (3) do not apply if the injury or death was caused by the negligence of the injured or deceased person in the work zone.

(5) As used in this section:

(a) "Emergency scene" means a traffic accident, a serious incident caused by weather conditions, or another occurrence along a highway or street for which a police officer, firefighter, or emergency medical personnel are summoned to aid an injured victim.

(b) "Moving violation" means an act or omission prohibited under this act or a local ordinance substantially corresponding to this act that occurs while a person is operating a motor vehicle, and for which the person is subject to a fine.

(c) "School zone" means that term as defined in section 627a.

### 257.601c Moving violation causing injury or death to person operating implement of husbandry on highway.

Sec. 601c. (1) A person who commits a moving violation that has criminal penalties and as a result causes injury to a person operating an implement of husbandry on a highway in compliance with this act is guilty of a misdemeanor punishable by imprisonment for not more than 1 year or a fine of not more than $1,000.00, or both.

(2) A person who commits a moving violation that has criminal penalties and as a result causes death to a person operating an implement of husbandry on a highway in compliance with this act is guilty of a felony punishable by imprisonment for not more than 15 years or a fine of not more than $7,500.00, or both.

(3) As used in this section, “moving violation” means an act or omission prohibited under this act or a local ordinance substantially corresponding to this act that occurs while a person is operating a motor vehicle, and for which the person is subject to a fine.

### 257.602 Compliance with order or direction of police officer.

Sec. 602. A person shall not refuse to comply with a lawful order or direction of a police officer when that officer, for public interest and safety, is guiding, directing, controlling, or regulating traffic on the highways of this state.

### 257.602a Failure to stop at signal of police or conservation officer; penalty; subsection (1) inapplicable unless officer in uniform and vehicle identified; violation of subsection (1) as felony; conviction for conduct arising out of same transaction; “serious injury” defined.

Sec. 602a. (1) A driver of a motor vehicle who is given by hand, voice, emergency light, or siren a visual
or audible signal by a police or conservation officer, acting in the lawful performance of his or her duty, directing the driver to bring his or her motor vehicle to a stop shall not willfully fail to obey that direction by increasing the speed of the motor vehicle, extinguishing the lights of the motor vehicle, or otherwise attempting to flee or elude the officer. This subsection does not apply unless the police or conservation officer giving the signal is in uniform and the officer’s vehicle is identified as an official police or department of natural resources vehicle.

(2) Except as provided in subsection (3), (4), or (5), an individual who violates subsection (1) is guilty of fourth-degree fleeing and eluding, a felony punishable by imprisonment for not more than 2 years or a fine of not more than $500.00, or both.

(3) Except as provided in subsection (4) or (5), an individual who violates subsection (1) is guilty of third-degree fleeing and eluding, a felony punishable by imprisonment for not more than 5 years or a fine of not more than $1,000.00, or both, if 1 or more of the following circumstances apply:
   (a) The violation results in a collision or accident.
   (b) A portion of the violation occurred in an area where the speed limit is 35 miles an hour or less, whether that speed limit is posted or imposed as a matter of law.
   (c) The individual has a prior conviction for fourth-degree fleeing and eluding, attempted fourth-degree fleeing and eluding, or fleeing and eluding under a current or former law of this state prohibiting substantially similar conduct.

(4) Except as provided in subsection (5), an individual who violates subsection (1) is guilty of second-degree fleeing and eluding, a felony punishable by imprisonment for not more than 10 years or a fine of not more than $5,000.00, or both, if 1 or more of the following circumstances apply:
   (a) The violation results in serious injury to an individual.
   (b) The individual has 1 or more prior convictions for first-, second-, or third-degree fleeing and eluding, attempted first-, second-, or third-degree fleeing and eluding, or fleeing and eluding under a current or former law of this state prohibiting substantially similar conduct.
   (c) The individual has any combination of 2 or more prior convictions for fourth-degree fleeing and eluding, attempted fourth-degree fleeing and eluding, or fleeing and eluding under a current or former law of this state prohibiting substantially similar conduct.

(5) If the violation results in the death of another individual, an individual who violates subsection (1) is guilty of first-degree fleeing and eluding, a felony punishable by imprisonment for not more than 15 years or a fine of not more than $10,000.00, or both.

(6) A conviction under this section does not prohibit a conviction and sentence under any other applicable provision, except section 479a(2), (3), (4), or (5) of the Michigan penal code, 1931 PA 328, MCL 750.479a, for conduct arising out of the same transaction.

(7) As used in this section, “serious injury” means a physical injury that is not necessarily permanent, but that constitutes serious bodily disfigurement or that seriously impairs the functioning of a body organ or limb. Serious injury includes, but is not limited to, 1 or more of the following:
   (a) Loss of a limb or use of a limb.
   (b) Loss of a hand, foot, finger, or thumb or use of a hand, foot, finger, or thumb.
   (c) Loss of an eye or ear or use of an eye or ear.
   (d) Loss or substantial impairment of a bodily function.
   (e) Serious visible disfigurement.
   (f) A comatose state that lasts for more than 3 days.
   (g) Measurable brain damage or mental impairment.
   (h) A skull fracture or other serious bone fracture.
   (i) Subdural hemorrhage or hematoma.

257.603 Applicability of chapter to government vehicles; exemption of authorized emergency vehicles; conditions; exemption of police vehicles not sounding audible signal; exemption of persons, vehicles, and equipment working on surface of highway.

Sec. 603. (1) The provisions of this chapter applicable to the drivers of vehicles upon the highway apply to the drivers of all vehicles owned or operated by the United States, this state, or a county, city, township, village, district, or any other political subdivision of the state, subject to the specific exceptions set forth in this chapter with reference to authorized emergency vehicles.

(2) The driver of an authorized emergency vehicle when responding to an emergency call, but not while
returning from an emergency call, or when pursuing or apprehending a person who has violated or is violating
the law or is charged with or suspected of violating the law may exercise the privileges set forth in this
section, subject to the conditions of this section.
(3) The driver of an authorized emergency vehicle may do any of the following:
(a) Park or stand, irrespective of this act.
(b) Proceed past a red or stop signal or stop sign, but only after slowing down as may be necessary for safe
operation.
(c) Exceed the prima facie speed limits so long as he or she does not endanger life or property.
(d) Disregard regulations governing direction of movement or turning in a specified direction.
(4) The exemptions granted in this section to an authorized emergency vehicle apply only when the driver
of the vehicle while in motion sounds an audible signal by bell, siren, air horn, or exhaust whistle as may be
reasonably necessary, except as provided in subsection (5), and when the vehicle is equipped with at least 1
lighted lamp displaying a flashing, oscillating, or rotating red or blue light visible under normal atmospheric
conditions from a distance of 500 feet in a 360 degree arc unless it is not advisable to equip a police vehicle
operating as an authorized emergency vehicle with a flashing, oscillating or rotating light visible in a 360
degree arc. In those cases, a police vehicle shall display a flashing, oscillating, or rotating red or blue light
visible under normal atmospheric conditions from a distance of 500 feet to the front of the vehicle. Only
police vehicles that are publicly owned shall be equipped with a flashing, oscillating, or rotating blue light
that when activated is visible under normal atmospheric conditions from a distance of 500 feet in a 360 degree
arc.
(5) A police vehicle shall retain the exemptions granted in this section to an authorized emergency vehicle
without sounding an audible signal if the police vehicle is engaged in an emergency run in which silence is
required.
(6) The exemptions provided for by this section apply to persons, teams, motor vehicles, and other
equipment while actually engaged in work upon the surface of a highway but do not apply to those persons
and vehicles when traveling to or from work. The provisions of this chapter governing the size and width of
vehicles do not apply to vehicles owned by public highway authorities when the vehicles are proceeding to or
from work on public highways.

257.604 Riding animal or driving animal-drawn vehicle on roadway; rights and duties.

Sec. 604. A person riding an animal or driving an animal-drawn vehicle upon a roadway shall be granted
all of the rights and shall be subject to all the duties, criminal penalties, and civil sanctions applicable to the
driver of a vehicle by this chapter, except those provisions of this chapter which by their very nature may not have
application.

257.605 Applicability and uniformity of provisions; local laws and regulations; payment and
allocation of civil fines; issuance of more than 1 citation; equipment violations; definitions.

Sec. 605. (1) This chapter and chapter VIII apply uniformly throughout this state and in all political
subdivisions and municipalities in the state. A local authority shall not adopt, enact, or enforce a local law that
provides lesser penalties or that is otherwise in conflict with this chapter or chapter VIII.
(2) A local law or portion of a local law that imposes a criminal penalty for an act or omission that is a
civil infraction under this act, or that imposes a criminal penalty or civil sanction in excess of that prescribed
in this act, is in conflict with this act and is void to the extent of the conflict.
(3) Except for a case in which the citation is dismissed pursuant to subsection (4), proceeds of a civil fine
imposed by a local authority for violation of a local law regulating the operation of a commercial motor
vehicle and substantially corresponding to a provision of this act shall be paid to the county treasurer and
allocated as follows:
(a) Seventy percent to the local unit of government in which the citation is issued.
(b) Thirty percent for library purposes as provided by law.
(4) The owner or operator of a commercial motor vehicle shall not be issued more than 1 citation for each
violation of a code or ordinance regulating the operation of a commercial motor vehicle and substantially
corresponding to a provision of sections 683 to 725a of the Michigan vehicle code, 1949 PA 300, MCL
257.683 to 257.725a, within a 24-hour period. If the owner or operator of a commercial motor vehicle is
issued a citation for an equipment violation pursuant to section 683 that does not result in the vehicle being
placed out of service, the court shall dismiss the citation if the owner or operator of that commercial motor
vehicle provides written proof to the court within 14 days after the citation is issued showing that the
defective equipment indicated in the citation has been repaired.

(5) As used in this section:
(a) “Local law” includes a local charter provision, ordinance, rule, or regulation.
(b) “Out of service” means that process established under the motor carrier safety act, 1963 PA 181, MCL
480.11 to 480.22.

257.606 Regulation of streets or highways under jurisdiction of local authority and within
reasonable exercise of police power; stop sign or traffic control device requiring state
trunk line highway traffic to stop; approval; posting signs giving notice of local traffic
regulations; providing by ordinance for impounding of motor vehicle parked contrary to
local ordinance; bond or cash deposit.

Sec. 606. (1) The provisions of this chapter shall not be considered to prevent local authorities with respect
to streets or highways under the jurisdiction of the local authority and within the reasonable exercise of the
police power from:
(a) Regulating the standing or parking of vehicles.
(b) Regulating the impoundment or immobilization of vehicles whose owner has failed to answer 6 or
more parking violation notices or citations regarding illegal parking.
(c) Regulating traffic by means of police officers or traffic control signals.
(d) Regulating or prohibiting processions or assemblages on the highways or streets.
(e) Designating particular highways as 1-way highways and requiring that all vehicles on those highways
be moved in 1 specific direction.
(f) Regulating the speed of vehicles in public parks.
(g) Designating any highway as a through highway and requiring that all vehicles stop before entering or
crossing the through highway; designating any intersection as a stop intersection and requiring all vehicles to
stop at 1 or more entrances to these intersections; or designating intersections at which vehicular traffic shall
be required to yield the right of way at 1 or more entrances to these intersections.
(h) Restricting the use of highways as authorized in section 726.
(i) Regulating the operation of bicycles and requiring the registration and licensing of bicycles, including
the requirement of a registration fee.
(j) Regulating or prohibiting the turning of vehicles at intersections.
(k) Increasing the prima facie speed limits as authorized in this act.
(l) Adopting other traffic regulations as are specifically authorized by this chapter.

(2) A local authority shall not erect or maintain a stop sign or traffic control device at a location so as to
require the traffic on any state trunk line highway to stop before entering or crossing any intersecting highway
unless approval in writing has been first obtained from the director of the state transportation department.

(3) An ordinance or regulation enacted under subsection (1)(a), (d), (e), (f), (g), (i), or (j) shall not be
enforceable until signs giving notice of the local traffic regulations are posted upon or at the entrance to the
highway or street or part of the highway or street affected, as may be most appropriate, and are sufficiently
legible as to be seen by an ordinarily observant person. The posting of signs giving the notice shall not be
required for a local ordinance which does not differ from the provisions of this act regulating the parking or
standing of vehicles; nor to ordinances of general application throughout the jurisdiction of the municipalities
enacting the ordinances which prohibit, limit, or restrict all night parking or parking during the early morning
hours, if signs, approximately 3 feet by 4 feet, sufficiently legible as to be seen by an ordinarily observant
person, giving notice of these ordinances relating to all night parking or parking during the early morning
hours, are posted on highways at the corporate limits of the municipality.

(4) A local authority, in providing by ordinance for the impounding of any motor vehicle parked contrary
to a local ordinance, shall not require a bond or cash deposit by the owner of the motor vehicle in excess of
$500.00 in order to recover the possession of the motor vehicle pending final adjudication of the case.

257.606a Maintenance of highway by state or local government; duty; immunity from tort
liability; exception.

Sec. 606a. (1) The state transportation department, a board of county road commissioners, a county board

of commissioners, and a county, city, or village have no duty to maintain any highway under their jurisdiction in a condition reasonably safe and convenient for the operation of low-speed vehicles.

(2) The state transportation department, a board of county road commissioners, a county board of commissioners, and a county, city, or village are immune from tort liability for injuries or damages sustained by any person arising in any way out of the operation or use of a low-speed vehicle on maintained or unmaintained highways, shoulders, and rights-of-way over which the state transportation department, the board of county road commissioners, the county board of commissioners, or the county, city, or village has jurisdiction. The immunity provided by this subsection does not apply to actions which constitute gross negligence. Gross negligence is defined as conduct so reckless as to demonstrate a substantial lack of concern for whether an injury results.

257.607 Realty owners' regulation of traffic on private property.
Sec. 607. Nothing in this act shall be construed to prevent the owner of real property used by the public for purposes of vehicular travel by permission of the owner and not as a matter of right from prohibiting such use nor from requiring other or different or additional conditions than those specified in this act or otherwise regulating such use as may seem best to such owner.

TRAFFIC SIGNS, SIGNALS, AND MARKINGS

257.608 Uniform system of traffic-control devices; manual.
Sec. 608. The state highway commissioner and commissioner of state police shall adopt a manual and specifications for a uniform system of traffic-control devices consistent with the provisions of this chapter for use upon highways within this state. Such uniform system shall correlate with and so far as possible conform to the system then current as approved by the American Association of State Highway Officials and such manual may be revised whenever necessary to carry out the provisions of this act. It is hereby declared to be the policy of the state of Michigan to achieve, insofar as is practicable, uniformity in the design, and shape and color scheme of traffic signs, signals and guide posts erected and maintained upon the streets and highways within the state with other states.

257.609 Traffic-control devices; placement and maintenance; restrictions; county road commission, permission, costs.
Sec. 609. (a) The state highway commission shall place or require to be placed and maintain or require to be maintained such traffic-control devices, conforming to said manual and specifications, upon all state highways as it shall deem necessary to indicate and to carry out the provisions of this chapter or to regulate, warn or guide traffic.

(b) No local authority shall place or maintain any traffic-control device upon any trunk line highway under the jurisdiction of the state highway commissioner except by the latter's permission or upon any county road without the permission of the county road commission having jurisdiction thereof. With the approval of the department of state highways, the board of county road commissioners of any county, at its option, may install and maintain uniform traffic-control devices according to the standards promulgated by the department of state highways and as required by the commission on trunk line highways, if the cost would be less than that estimated by the state highway commission, billing the state highway commission for its share of the cost of installation.

257.610 Traffic control devices; placement and maintenance by local authorities and county road commissions; compliance with state manual and specifications; noncompliance with statutory provisions; sale, purchase, or manufacture of devices.
Sec. 610. (a) Local authorities and county road commissions in their respective jurisdictions shall place and maintain such traffic control devices upon highways under their jurisdiction as they may deem necessary to indicate and to carry out the provisions of this chapter or local traffic ordinances or to regulate, warn or guide traffic. All such traffic control devices hereafter erected shall conform to the state manual and specifications.

(b) The state highway commissioner shall withhold from any township, incorporated village, city or county, failing to comply with the provisions of sections 608, 609, 612 and 613, the share of weight and
gasoline tax refunds otherwise due the township, incorporated village, city or county. Notice of such failure, and a reasonable time to comply therewith, shall first be given.

(c) A person, firm or corporation shall not sell or offer for sale to local authorities and local authorities shall not purchase or manufacture any traffic control device which does not conform to the Michigan manual of uniform traffic control devices except by permission of the director of the department of state highways.

257.611 Traffic control devices; obedience required; exception; avoiding obedience by driving on public or private property; violation as civil infraction.

Sec. 611. (1) The driver of a vehicle or operator of a streetcar shall not disobey the instructions of a traffic control device placed in accordance with this chapter unless at the time otherwise directed by a police officer.

(2) The driver of a vehicle shall not, for the purpose of avoiding obedience to a traffic control device placed in accordance with this chapter, drive upon or through private property, or upon or through public property which is not a street or highway.

(3) A person who violates this section is responsible for a civil infraction.

257.611a Direction of traffic in work zone; conditions; failure to comply; violation as civil infraction.

Sec. 611a. (1) An owner or employee of an entity performing construction, maintenance, surveying, or utility work within a work zone may direct traffic within that work zone if both of the following apply:

(a) The department of transportation, the local authority, or the county road commission, within its respective jurisdiction, authorizes that owner or employee to direct traffic due to safety or work requirements. The authorization shall be issued in the manner considered appropriate by the department of transportation, the local authority, or the county road commission, and may be general or specific. The authorization may establish the conditions under which the owner or employee may direct traffic, and may allow the owner or employee to direct traffic in disregard of an existing traffic control device.

(b) The operator of a motor vehicle who fails to comply with the directions of an owner or employee directing traffic under this section, including a direction made in disregard of an existing traffic control device, is responsible for a civil infraction.

(2) The operator of a motor vehicle who fails to comply with the directions of an owner or employee directing traffic under this section, including a direction made in disregard of an existing traffic control device, is responsible for a civil infraction.

257.612 Traffic control signals; location; red arrow and yellow arrow indications; colors; traffic control signal at place other than intersection; stopping at sign, marking, or signal; violation of subsection (1) or (2) as civil infraction; approaching person using wheelchair or device to aid walking; violation of subsection (4) as misdemeanor; location of sign prohibiting turn on red signal; additional sign.

Sec. 612. (1) When traffic is controlled by traffic control signals, not fewer than 1 signal shall be located over the traveled portion of the roadway so as to give vehicle operators a clear indication of the right-of-way assignment from their normal positions approaching the intersection. The vehicle signals shall exhibit different colored lights successively, 1 at a time, or with arrows. Red arrow and yellow arrow indications have the same meaning as the corresponding circular indications, except that they apply only to vehicle operators intending to make the movement indicated by the arrow. The following colors shall be used, and the terms and lights shall indicate and apply to vehicle operators as follows:

(a) If the signal exhibits a green indication, vehicular traffic facing the signal may proceed straight through or turn right or left unless a sign at that place prohibits either turn. Vehicular traffic, including vehicles turning right or left, shall yield the right-of-way to other vehicles and to pedestrians and bicyclists lawfully within the intersection or an adjacent crosswalk at the time the signal is exhibited.

(b) If the signal exhibits a steady yellow indication, vehicular traffic facing the signal shall stop before entering the nearest crosswalk at the intersection or at a limit line when marked, but if the stop cannot be made in safety, a vehicle may be driven cautiously through the intersection.

(c) If the signal exhibits a steady red indication, the following apply:

(i) Vehicular traffic facing a steady red signal alone shall stop before entering the crosswalk on the near side of the intersection or at a limit line when marked or, if there is no crosswalk or limit line, before entering the intersection and shall remain standing until a green indication is shown, except as provided in subparagraph (ii).

(ii) Vehicular traffic facing a steady red signal, after stopping before entering the crosswalk on the near side of the intersection or at a limit line when marked or, if there is no crosswalk or limit line, before entering the intersection, may make a right turn from a 1-way or 2-way street into a 2-way street or into a 1-way street carrying traffic in the direction of the right turn or may make a left turn from a 1-way or 2-way street into a 1-way roadway carrying traffic in the direction of the left turn, unless prohibited by sign, signal, marking, light, or other traffic control device. The vehicular traffic shall yield the right of way to pedestrians and bicyclists lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection.

(d) If the signal exhibits a steady green arrow indication, vehicular traffic facing the green arrow signal, shown alone or in combination with another indication, may cautiously enter the intersection only to make the movement indicated by the arrow or other movement permitted by other indications shown at the same time. The vehicular traffic shall yield the right-of-way to pedestrians and bicyclists lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection.

(2) If a traffic control signal is erected and maintained at a place other than an intersection, the provisions of this section apply except for those provisions that by their nature cannot apply. Any stop required shall be made at a sign or marking on the pavement indicating where the stop shall be made, but in the absence of a sign or marking, the stop shall be made at the signal.

(3) A person who violates subsection (1) or (2) is responsible for a civil infraction.

(4) A vehicle operator who approaches a person using a wheelchair or a device to aid the person to walk at a crosswalk or any other pedestrian crossing shall take necessary precautions to avoid accident or injury to the person using the wheelchair or device. A person who violates this subsection is guilty of a misdemeanor.

(5) A sign prohibiting a turn on a red signal as provided in subsection (1)(c)(ii) shall be located above or adjacent to the traffic control signal or as close as possible to the point where the turn is made, or at both locations, so that 1 or more of the signs are visible to a vehicle operator intending to turn, at the point where the turn is made. An additional sign may be used at the far side of the intersection in the direct line of vision of the turning vehicle operator.

257.613 Applicability of regular traffic control signals to pedestrians; special pedestrian control signals; violation as civil infraction.

Sec. 613. (1) If special pedestrian control signals are not utilized, the regular traffic control signals as indicated in section 612 shall apply to pedestrians as follows:

(a) Green indication. Pedestrians facing the signal may proceed across the roadway within a marked or unmarked crosswalk.

(b) Steady yellow indication. Pedestrians facing the signal are advised that there is insufficient time to cross the roadway and a pedestrian then starting to cross shall yield the right of way to all vehicles.

(c) Steady red indication. Pedestrians facing the signal shall not enter the highway unless they can do so safely and without interfering with vehicular traffic.

(d) Red with arrow. Pedestrians facing the signal shall not enter the highway unless they can do so safely without interfering with vehicular traffic.

(2) If special pedestrian control signals are installed, they shall be placed at the far end of each crosswalk and shall indicate a “walk” or “don’t walk” interval. These special signals shall apply to pedestrians only to the exclusion of a regular traffic control signal or signals which may be present at the same location, as follows:

(a) Walk interval—Pedestrians facing the signal may proceed across the highway in the direction of the signal and shall be given the right of way by the drivers of all vehicles.

(b) Don’t walk (steady burning or flashing) interval—A pedestrian shall not start to cross the highway in the direction of the signals, but a pedestrian who has partially completed crossing on the walk interval of the signal shall proceed to a sidewalk or safety island while the don’t walk interval of the signal is showing.

(c) A person who violates this section is responsible for a civil infraction.

257.613a School crossings; establishment; basis; determination; notice; erection of school crossing signs.

Sec. 613a. (1) Except as provided in subsections (2) and (3), the state transportation department, a county road commission, or a local authority shall establish school crossings considered necessary for the safety of
schoolchildren on streets and highways under its jurisdiction. The establishment of a school crossing shall be based upon a traffic and engineering study conducted by the authority having jurisdiction, in consultation with the superintendent of the school district.

(2) If considered necessary under subsection (1) or pursuant to a traffic and engineering study conducted under subsection (4), a school crossing shall be established within a safe distance from a school located on a street or highway on which the speed limit is 25 miles or more per hour.

(3) Upon request of the superintendent of the school district, the following individuals shall meet at not less than 5-year intervals to consider whether a traffic and engineering study should be conducted to determine whether a school crossing is required under subsection (2):
   (a) The superintendent of the school district in which the school is located or his or her designee.

257.625a Arrest without warrant; circumstances; preliminary chemical breath analysis; operator ordered out-of-service; refusal of commercial motor vehicle operator to submit to breath analysis as misdemeanor; provisions applicable to chemical tests and analysis; evidence; availability of test results; admissibility of refusal to submit to chemical test. 

Sec. 625a. (1) A peace officer may arrest a person without a warrant under either of the following circumstances:

(a) The peace officer has reasonable cause to believe the person was, at the time of an accident in this state, the operator of a vehicle involved in the accident and was operating the vehicle in violation of section 625 or a local ordinance substantially corresponding to section 625.

(b) The person is found in the driver's seat of a vehicle parked or stopped on a highway or street within this state if any part of the vehicle intrudes into the roadway and the peace officer has reasonable cause to believe the person was operating the vehicle in violation of section 625 or a local ordinance substantially corresponding to section 625.

(2) A peace officer who has reasonable cause to believe that a person was operating a vehicle upon a public highway or other place open to the public or generally accessible to motor vehicles, including an area designated for the parking of vehicles, within this state that the person by the consumption of alcoholic liquor may have affected his or her ability to operate a vehicle, or reasonable cause to believe that a person was operating a commercial motor vehicle within the state while the person's blood, breath, or urine contained any measurable amount of alcohol or while the person had any detectable presence of alcoholic liquor, or reasonable cause to believe that a person who is less than 21 years of age was operating a vehicle upon a public highway or other place open to the public or generally accessible to motor vehicles, including an area designated for the parking of vehicles, within this state while the person had any bodily alcohol content as that term is defined in section 625(6), may require the person to submit to a preliminary chemical breath analysis. The following provisions apply with respect to a preliminary chemical breath analysis administered under this
subsection:
(a) A peace officer may arrest a person based in whole or in part upon the results of a preliminary chemical breath analysis.

(b) The results of a preliminary chemical breath analysis are admissible in a criminal prosecution for a crime enumerated in section 625c(1) or in an administrative hearing for 1 or more of the following purposes:
   (i) To assist the court or hearing officer in determining a challenge to the validity of an arrest. This subparagraph does not limit the introduction of other competent evidence offered to establish the validity of an arrest.
   (ii) As evidence of the defendant's breath alcohol content, if offered by the defendant to rebut testimony elicited on cross-examination of a defense witness that the defendant's breath alcohol content was higher at the time of the charged offense than when a chemical test was administered under subsection (6).
   (iii) As evidence of the defendant's breath alcohol content, if offered by the prosecution to rebut testimony elicited on cross-examination of a prosecution witness that the defendant's breath alcohol content was lower at the time of the charged offense than when a chemical test was administered under subsection (6).
   (c) A person who submits to a preliminary chemical breath analysis remains subject to the requirements of sections 625c, 625d, 625e, and 625f for purposes of chemical tests described in those sections.

(d) Except as provided in subsection (5), a person who refuses to submit to a preliminary chemical breath analysis upon a lawful request by a peace officer is responsible for a civil infraction.

(3) A peace officer shall use the results of a preliminary chemical breath analysis conducted pursuant to this section to determine whether to order a person out-of-service under section 319d. A peace officer shall order out-of-service as required under section 319d a person who was operating a commercial motor vehicle and who refuses to submit to a preliminary chemical breath analysis as provided in this section. This section does not limit use of other competent evidence by the peace officer to determine whether to order a person out-of-service under section 319d.

(4) A person who was operating a commercial motor vehicle and who is requested to submit to a preliminary chemical breath analysis under this section shall be advised that refusing a peace officer's request to take a test described in this section is a misdemeanor punishable by imprisonment for not more than 93 days or a fine of not more than $100.00, or both, and will result in the issuance of a 24-hour out-of-service order.

(5) A person who was operating a commercial motor vehicle and who refuses to submit to a preliminary chemical breath analysis upon a peace officer's lawful request is guilty of a misdemeanor punishable by imprisonment for not more than 93 days or a fine of not more than $100.00, or both.

(6) The following provisions apply with respect to chemical tests and analysis of a person's blood, urine, or breath, other than preliminary chemical breath analysis:
(a) The amount of alcohol or presence of a controlled substance or both in a driver's blood or urine or the amount of alcohol in a person's breath at the time alleged as shown by chemical analysis of the person's blood, urine, or breath is admissible into evidence in any civil or criminal proceeding and is presumed to be the same as at the time the person operated the vehicle.

(b) A person arrested for a crime described in section 625c(1) shall be advised of all of the following:
   (i) If he or she takes a chemical test of his or her blood, urine, or breath administered at the request of a peace officer, he or she has the right to demand that a person of his or her own choosing administer 1 of the chemical tests.
   (ii) The results of the test are admissible in a judicial proceeding as provided under this act and will be considered with other admissible evidence in determining the defendant's innocence or guilt.
   (iii) He or she is responsible for obtaining a chemical analysis of a test sample obtained at his or her own request.
   (iv) If he or she refuses the request of a peace officer to take a test described in subparagraph (i), a test shall not be given without a court order, but the peace officer may seek to obtain a court order.
   (v) Refusing a peace officer's request to take a test described in subparagraph (i) will result in the suspension of his or her operator's or chauffeur's license and vehicle group designation or operating privilege and in the addition of 6 points to his or her driver record.
(c) A sample or specimen of urine or breath shall be taken and collected in a reasonable manner. Only a licensed physician, or an individual operating under the delegation of a licensed physician under section 16215 of the public health code, 1978 PA 368, MCL 333.16215, qualified to withdraw blood and acting in a medical environment, may withdraw blood at a peace officer's request to determine the amount of alcohol or presence of a controlled substance or both in the person's blood, as provided in this subsection. Liability for a crime or civil damages predicated on the act of withdrawing or analyzing blood and related procedures does not attach to a licensed physician or individual operating under the delegation of a licensed physician who...
withdraws or analyzes blood or assists in the withdrawal or analysis in accordance with this act unless the withdrawal or analysis is performed in a negligent manner.

(d) A chemical test described in this subsection shall be administered at the request of a peace officer having reasonable grounds to believe the person has committed a crime described in section 625c(1). A person who takes a chemical test administered at a peace officer's request as provided in this section shall be given a reasonable opportunity to have a person of his or her own choosing administer 1 of the chemical tests described in this subsection within a reasonable time after his or her detention. The test results are admissible and shall be considered with other admissible evidence in determining the defendant's innocence or guilt. If the person charged is administered a chemical test by a person of his or her own choosing, the person charged is responsible for obtaining a chemical analysis of the test sample.

(e) If, after an accident, the driver of a vehicle involved in the accident is transported to a medical facility and a sample of the driver's blood is withdrawn at that time for medical treatment, the results of a chemical analysis of that sample are admissible in any civil or criminal proceeding to show the amount of alcohol or presence of a controlled substance or both in the person's blood at the time alleged, regardless of whether the person had been offered or had refused a chemical test. The medical facility or person performing the chemical analysis shall disclose the results of the analysis to a prosecuting attorney who requests the results for use in a criminal prosecution as provided in this subdivision. A medical facility or person disclosing information in compliance with this subsection is not civilly or criminally liable for making the disclosure.

(f) If, after an accident, the driver of a vehicle involved in the accident is deceased, a sample of the decedent's blood shall be withdrawn in a manner directed by the medical examiner to determine the amount of alcohol or the presence of a controlled substance, or both, in the decedent's blood. The medical examiner shall give the results of the chemical analysis of the sample to the law enforcement agency investigating the accident and that agency shall forward the results to the department of state police.

(g) The department of state police shall promulgate uniform rules in compliance with the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, for the administration of chemical tests for the purposes of this section. An instrument used for a preliminary chemical breath analysis may be used for a chemical test described in this subsection if approved under rules promulgated by the department of state police.

(7) The provisions of subsection (6) relating to chemical testing do not limit the introduction of any other admissible evidence bearing upon any of the following questions:

(a) Whether the person was impaired by, or under the influence of, alcoholic liquor, a controlled substance, or a combination of alcoholic liquor and a controlled substance.

(b) Whether the person had an alcohol content of 0.08 grams or more per 100 milliliters of blood, per 210 liters of breath, or per 67 milliliters of urine, beginning October 1, 2013, the person had an alcohol content of 0.10 grams or more per 100 milliliters of blood, per 210 liters of breath, or per 67 milliliters of urine.

(c) If the person is less than 21 years of age, whether the person had any bodily alcohol content within his or her body. As used in this subdivision, "any bodily alcohol content" means either of the following:

(i) An alcohol content of 0.02 grams or more but less than 0.08 grams per 100 milliliters of blood, per 210 liters of breath, or per 67 milliliters of urine, beginning October 1, 2013, the person had an alcohol content of 0.02 grams or more but less than 0.10 grams or more per 100 milliliters of blood, per 210 liters of breath, or per 67 milliliters of urine.

(ii) Any presence of alcohol within a person's body resulting from the consumption of alcoholic liquor, other than the consumption of alcoholic liquor as a part of a generally recognized religious service or ceremony.

(8) If a chemical test described in subsection (6) is administered, the test results shall be made available to the person charged or the person's attorney upon written request to the prosecution, with a copy of the request filed with the court. The prosecution shall furnish the results at least 2 days before the day of the trial. The prosecution shall offer the test results as evidence in that trial. Failure to fully comply with the request bars the admission of the results into evidence by the prosecution.

(9) A person's refusal to submit to a chemical test as provided in subsection (6) is admissible in a criminal prosecution for a crime described in section 625c(1) only to show that a test was offered to the defendant, but not as evidence in determining the defendant's innocence or guilt. The jury shall be instructed accordingly.

**Constitutionality:** The provision in the implied consent act for the admission in a prosecution involving driving under the influence...
of intoxicating liquor or a controlled substance of the results of a chemical analysis of a blood sample drawn for the purpose of medical treatment from a driver of a vehicle involved in an accident, and the requirement in the act that the medical facility or person performing the analysis must release the results to a prosecuting attorney who requests the results for use in the prosecution are constitutionally valid. People v Perlos, 436 Mich 305; 462 NW2d 310 (1990).

Compiler's note: Section 2 of Act 310 of 1982 provides: “All proceedings pending and all rights and liabilities existing, acquired, or incurred at the time this amendatory act takes effect are saved and may be consummated according to the law in force when they are commenced. This amendatory act shall not be construed to affect any prosecution pending or initiated before the effective date of this amendatory act, or initiated after the effective date of this amendatory act for an offense committed before that effective date.”

(a) If the person was operating a vehicle other than a commercial motor vehicle, suspend or deny the person's operator's or chauffeur's license or permit to drive, or nonresident operating privilege, for 1 year or, for a second or subsequent refusal within 7 years, for 2 years. If the person is a resident without a license or permit to operate a vehicle in the state, the secretary of state shall not issue the person a license or permit for 1 year or, for a second or subsequent refusal within 7 years, for 2 years.

(b) If the person was operating a commercial motor vehicle, for the first refusal, suspend all vehicle group designations on the person's operator's or chauffeur's license or permit or nonresident privilege to operate a commercial motor vehicle or, if the person is a resident without a license or permit to operate a commercial motor vehicle in the state, not issue the person an operator's or chauffeur's license with vehicle group designations, for 1 year.

Not more than 1 adjournment shall be granted to a party and the length of an adjournment shall not exceed 14 days. A hearing under this subsection shall be scheduled to be held within 45 days after the date of arrest for the violation. The hearing officer shall not impose any sanction for a failure to comply with these time limits.

(3) Except for delay attributable to the unavailability of the defendant, a witness, or material evidence, or due to an interlocutory appeal or exceptional circumstances, but not a delay caused by docket congestion, a hearing shall be finally adjudicated within 77 days after the date of arrest. The hearing officer shall not impose any sanction for a failure to comply with this time limit.

(4) The hearing shall cover only the following issues:

Proceedings at which evidence was presented need not be transcribed and transmitted if the sole reason for review is to determine whether the court will order the issuance of a restricted license. The parties to the proceedings for judicial review may stipulate that the record be shortened. A party unreasonably refusing to stipulate to a shortened record may be taxed by the court in which the petition is filed for the additional costs. The court may permit subsequent corrections to the record.

(7) If the person who requested a hearing does not prevail, the secretary of state shall impose the following license sanctions after the hearing:

(a) If the person was operating a vehicle other than a commercial motor vehicle, suspend or deny issuance of a license or driving permit or a nonresident operating privilege of the person for 1 year or, for a second or subsequent refusal within 7 years, for 2 years. If the person is a resident without a license or permit to operate a vehicle in the state, the secretary of state shall not issue the person a license or permit for 1 year or, for a second or subsequent refusal within 7 years, for 2 years. The person may file a petition in the circuit court of the county in which the arrest was made to review the suspension or denial as provided in section 323.

(9) When it has been finally determined that a nonresident's privilege to operate a vehicle in the state has been suspended or denied, the department shall give notice in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of each state in which he or she has a license to operate a motor vehicle.

Compiler's note: Section 2 of Act 310 of 1982 provides: “All proceedings pending and all rights and liabilities existing, acquired, or incurred at the time this amendatory act takes effect are saved and may be consummated according to the law in force when they are commenced. (7) The state, or the department, its officers, employees, or agents, or a court, its officers, employees, or agents are not liable in any claim or action that may arise, directly or indirectly, out of any act or omission by a manufacturer, installer, or servicing agent of an ignition interlock device that results in damage to persons or property.

(8) A person shall not sell, lease, install, or monitor in a vehicle in this state an ignition interlock device unless the ignition interlock device manufacturer and provider carries liability insurance covering product liability, including, but not limited to, insurance to indemnify the department and any person injured as a result of a design defect or the calibration or removal of the ignition interlock device or a misrepresentation about the ignition interlock device. The insurance required by this subsection shall be in an amount of not less than $1,000,000.00 per incident.

(9) The provider of insurance described in this section may cancel the insurance upon 30 days' written notice to the department and is not liable for a claim arising from an event that occurs after the effective date of a cancellation made in compliance with this section.

(10) An ignition interlock device shall be serviced according to manufacturer's standards. Service shall include, but not be limited to, physical inspection of the device and vehicle for tampering, calibration of the device, and monitoring of the data contained within the device's memory. Only authorized employees of the manufacturer or the department, or other persons approved by the court, may observe the installation of a
device. Reasonable security measures must be taken to prevent the customer from observing the installation of a device or obtaining access to installation materials.

### 257.625m Operation of commercial motor vehicle by person with certain alcohol content; arrest without warrant; violation as misdemeanor; sentence; “prior conviction” defined.

Sec. 625m. (1) A person, whether licensed or not, who has an alcohol content of 0.04 grams or more but less than 0.08 grams per 100 milliliters of blood, per 210 liters of breath, or per 67 milliliters of urine, or, beginning October 1, 2013, an alcohol content of 0.04 grams or more but less than 0.10 grams per 100 milliliters of blood, per 210 liters of breath, or per 67 milliliters of urine, shall not operate a commercial motor vehicle within this state.

(2) A peace officer may arrest a person without a warrant under either of the following circumstances:

(a) The peace officer has reasonable cause to believe that the person was, at the time of an accident, the driver of a commercial motor vehicle involved in the accident and was operating the vehicle in violation of this section or a local ordinance substantially corresponding to this section.

(b) The person is found in the driver's seat of a commercial motor vehicle parked or stopped on a highway or street within this state if any part of the vehicle intrudes into the roadway and the peace officer has reasonable cause to believe the person was operating the vehicle in violation of this section or a local ordinance substantially corresponding to this section.

(3) Except as otherwise provided in subsections (4) and (5), a person who is convicted of a violation of this section or a local ordinance substantially corresponding to this section is guilty of a misdemeanor punishable by imprisonment for not more than 93 days or a fine of not more than $300.00, or both, together with costs of the prosecution.

(4) A person who violates this section or a local ordinance substantially corresponding to this section within 7 years of 1 prior conviction may be sentenced to imprisonment for not more than 1 year or a fine of not more than $1,000.00, or both.

(5) A person who violates this section or a local ordinance substantially corresponding to this section within 10 years of 2 or more prior convictions is guilty of a felony and shall be sentenced to pay a fine of not less than $500.00 or more than $5,000.00 and to either of the following:

(a) Imprisonment under the jurisdiction of the department of corrections for not less than 1 year or more than 5 years.

(b) Probation with imprisonment in the county jail for not less than 30 days or more than 1 year and community service for not less than 60 days or more than 180 days. Not less than 48 hours of the imprisonment imposed under this subdivision shall be served consecutively.

(6) A term of imprisonment imposed under subsection (4) or (5) shall not be suspended.

(7) Subject to subsection (9), as used in this section, “prior conviction” means a conviction for any of the following, whether under a law of this state, a local ordinance substantially corresponding to a law of this state, or a law of another state substantially corresponding to a law of this state:

(a) Except as provided in subsection (8), a violation or attempted violation of any of the following:

(i) This section.

(ii) Section 625, except a violation of section 625(2), or a violation of any prior enactment of section 625 in which the defendant operated a vehicle while under the influence of intoxicating or alcoholic liquor or a controlled substance, or a combination of intoxicating or alcoholic liquor and a controlled substance, or while visibly impaired, or with an unlawful bodily alcohol content.

(iii) Former section 625b.

(b) Negligent homicide, manslaughter, or murder resulting from the operation of a vehicle or an attempt to commit any of those crimes.

(8) Only 1 violation or attempted violation of section 625(6), a local ordinance substantially corresponding to section 625(6), or a law of another state substantially corresponding to section 625(6) may be used as a prior conviction.

(9) If 2 or more convictions described in subsection (7) are convictions for violations arising out of the same transaction, only 1 conviction shall be used to determine whether the person has a prior conviction.

### 257.625n Forfeiture of vehicle or return to lessor.

Sec. 625n. (1) Except as otherwise provided in this section and in addition to any other penalty provided
for in this act, the judgment of sentence for a conviction for a violation of section 625(1) described in section 625(8)(b) or (c), a violation of section 625(3) described in section 625(10)(b) or (c), a violation of section 625(4), (5), or (7), or a violation of section 904(4) or (5) may require 1 of the following with regard to the vehicle used in the offense if the defendant owns the vehicle in whole or in part or leases the vehicle:

(a) Forfeiture of the vehicle if the defendant owns the vehicle in whole or in part.
(b) Return of the vehicle to the lessor if the defendant leases the vehicle.

(2) The vehicle may be seized pursuant to an order of seizure issued by the court having jurisdiction upon a showing of probable cause that the vehicle is subject to forfeiture or return to the lessor.

(3) The forfeiture of a vehicle is subject to the interest of the holder of a security interest who did not have prior knowledge of or consent to the violation.

(4) Within 14 days after the defendant's conviction for a violation described in subsection (1), the prosecuting attorney may file a petition with the court for the forfeiture of the vehicle or to have the court order return of a leased vehicle to the lessor. The prosecuting attorney shall give notice by first-class mail or other process to the defendant and his or her attorney, to all owners of the vehicle, and to any person holding a security interest in the vehicle that the court may require forfeiture or return of the vehicle.

(5) If a vehicle is seized before disposition of the criminal proceedings, a defendant who is an owner or lessee of the vehicle may move the court having jurisdiction over the proceedings to require the seizing agency to file a lien against the vehicle and to return the vehicle to the owner or lessee pending disposition of the criminal proceedings. The court shall hear the motion within 7 days after the motion is filed. If the defendant establishes at the hearing that he or she holds the legal title to the vehicle or that he or she has a leasehold interest and that it is necessary for him or her or a member of his or her family to use the vehicle pending the outcome of the forfeiture action, the court may order the seizing agency to return the vehicle to the owner or lessee. If the court orders the return of the vehicle to the owner or lessee, the court shall order the defendant to post a bond in an amount equal to the retail value of the vehicle, and shall also order the seizing agency to file a lien against the vehicle.

(6) Within 14 days after notice by the prosecuting attorney is given under subsection (4), the defendant, an owner, lessee, or holder of a security interest may file a claim of interest in the vehicle with the court. Within 21 days after the expiration of the period for filing claims, but before or at sentencing, the court shall hold a hearing to determine the legitimacy of any claim, the extent of any co-owner's equity interest, the liability of the defendant to any co-lessee, and whether to order the vehicle forfeited or returned to the lessor. In considering whether to order forfeiture, the court shall review the defendant's driving record to determine whether the defendant has multiple convictions under section 625 or a local ordinance substantially corresponding to section 625, or multiple suspensions, restrictions, or denials under section 904, or both. If the defendant has multiple convictions under section 625 or multiple suspensions, restrictions, or denials under section 904, or both, that factor shall weigh heavily in favor of forfeiture.

(7) If a vehicle is forfeited under this section, the unit of government that seized the vehicle shall sell the vehicle and dispose of the proceeds in the following order of priority:

(a) Pay any outstanding security interest of a secured party who did not have prior knowledge of or consent to the commission of the violation.
(b) Pay the equity interest of a co-owner who did not have prior knowledge of or consent to the commission of the violation.
(c) Satisfy any order of restitution entered in the prosecution for the violation.
(d) Pay the claim of each person who shows that he or she is a victim of the violation to the extent that the claim is not covered by an order of restitution.
(e) Pay any outstanding lien against the property that has been imposed by a governmental unit.
(f) Pay the proper expenses of the proceedings for forfeiture and sale, including, but not limited to, expenses incurred during the seizure process and expenses for maintaining custody of the property, advertising, and court costs.

(g) The balance remaining after the payment of items (a) through (f) shall be distributed by the court having jurisdiction over the forfeiture proceedings to the unit or units of government substantially involved in effecting the forfeiture. Seventy-five percent of the money received by a unit of government under this subdivision shall be used to enhance enforcement of the criminal laws and 25% of the money shall be used to implement the crime victim's rights act, 1985 PA 87, MCL 780.751 to 780.834. A unit of government receiving money under this subdivision shall report annually to the department of management and budget the amount of money received under this subdivision that was used to enhance enforcement of the criminal laws and the amount that was used to implement the crime victim's rights act, 1985 PA 87, MCL 780.751 to 780.834.

(8) The court may order the defendant to pay to a co-lessee any liability determined under subsection (6).
The order may be enforced in the same manner as a civil judgment.

(9) The return of a vehicle to the lessor under this section does not affect or impair the lessor's rights or the defendant's obligations under the lease.

(10) A person who knowingly conceals, sells, gives away, or otherwise transfers or disposes of a vehicle with the intent to avoid forfeiture or return of the vehicle to the lessor under this section is guilty of a misdemeanor punishable by imprisonment for not more than 1 year or a fine of not more than $1,000.00, or both.

(11) The failure of the court or prosecutor to comply with any time limit specified in this section does not preclude the court from ordering forfeiture of a vehicle or its return to a lessor, unless the court finds that the owner or claimant suffered substantial prejudice as a result of that failure.

(12) The forfeiture provisions of this section do not preclude the prosecuting attorney from pursuing a forfeiture proceeding under any other law of this state or a local ordinance substantially corresponding to this section.

### 257.625o Ignition interlock device; sale, lease, or installation in vehicle; surety bond.

Sec. 625o. (1) A person shall not sell, lease, or install in a vehicle in this state an ignition interlock device unless the manufacturer of the device has obtained an executed bond described in subsection (2) or a renewal certificate for that bond.

(2) The bond required under subsection (1) shall be in the amount of $50,000.00 with a surety approved by the department and shall be conditioned to indemnify or reimburse a person who has an ignition interlock device installed on his or her vehicle for monetary loss caused by the manufacturer's fraud, cheating, misrepresentation, or defaulting on a contractual obligation, whether the fraud, cheating, misrepresentation, or defaulting was done by the manufacturer or by an employee or agent of the manufacturer.

(3) The surety on the bond described in subsection (2) is required to make indemnification or reimbursement for a monetary loss only after final judgment has been entered in a court of record against the manufacturer or an employee or agent of the manufacturer. The surety on the bond may cancel the bond upon 30 days' written notice to the department and is not liable for a loss arising from an event that occurs after the effective date of the cancellation.

### 257.626 Reckless driving on highway, frozen public lake, or parking place; violation as misdemeanor; penalty.

Sec. 626. (1) A person who drives a vehicle upon a highway or a frozen public lake, stream, or pond or other place open to the general public, including, but not limited to, an area designated for the parking of motor vehicles, in willful or wanton disregard for the safety of persons or property is guilty of reckless driving.

(2) A person who violates subsection (1) is guilty of a misdemeanor punishable by imprisonment for not more than 93 days or a fine of not more than $500.00, or both.

### 257.626a Drag races; prohibition on public highways; definition; prima facie evidence.

Sec. 626a. It shall be unlawful for any person to operate any vehicle upon any highway, or any other place open to the general public, including any area designated for the parking of motor vehicles, in a speed or acceleration contest or for the purpose of making a speed record, whether from a standing start or otherwise over a measured or unmeasured distance, or in a drag race as herein defined.

“Drag racing” means the operation of 2 or more vehicles from a point side by side at accelerating speeds in a competitive attempt to out-distance each other over a common selected course or where timing is involved or where timing devices are used in competitive accelerations of speeds by participating vehicles. Persons rendering assistance in any manner to such competitive use of vehicles shall be equally charged as participants. The operation of 2 or more vehicles either at speeds in excess of prima facie lawfully established speeds or rapidly accelerating from a common starting point to a speed in excess of such prima facie lawful speed is prima facie evidence of drag racing and is unlawful.

### 257.626b Careless or negligent operation of vehicle as civil infraction.

Sec. 626b. A person who operates a vehicle upon a highway or a frozen public lake, stream, or pond or
other place open to the general public including an area designated for the parking of vehicles in a careless or negligent manner likely to endanger any person or property, but without wantonness or recklessness, is responsible for a civil infraction.

### 257.626c Operation of vehicle on highway or public place; conduct as felony; penalty.

Sec. 626c. A person who operates a vehicle upon a highway or other place open to the general public or generally accessible to motor vehicles, including an area designated for the parking of vehicles, carelessly and heedlessly in willful and wanton disregard of the rights or safety of others, or without due caution and circumspection and at a speed or in a manner that endangers or is likely to endanger any person or property resulting in a serious impairment of a body function of a person, but does not cause death, is guilty of felonious driving punishable by imprisonment for not more than 2 years or a fine of not more than $2,000.00, or both.

### SPEED RESTRICTIONS

#### 257.627 Speed limitations.

Sec. 627. (1) A person operating a vehicle on a highway shall operate that vehicle at a careful and prudent speed not greater than nor less than is reasonable and proper, having due regard to the traffic, surface, and width of the highway and of any other condition then existing. A person shall not operate a vehicle upon a highway at a speed greater than that which will permit a stop within the assured, clear distance ahead.

(2) Except in those instances where a lower speed is specified in this chapter or the speed is unsafe pursuant to subsection (1), it is prima facie lawful for the operator of a vehicle to operate that vehicle at a speed not exceeding the following, except when this speed would be unsafe:

(a) 25 miles per hour on all highways in a business district as that term is defined in section 5.

(b) 25 miles per hour in public parks unless a different speed is fixed and duly posted.

(c) 25 miles per hour on all highways or parts of highways within the boundaries of land platted under the land division act, 1967 PA 288, MCL 560.101 to 560.293, or the condominium act, 1978 PA 59, MCL 559.101 to 559.276, unless a different speed is fixed and posted.

(d) 25 miles per hour on a highway segment with 60 or more vehicular access points within 1/2 mile.

(e) 35 miles per hour on a highway segment with not less than 45 vehicular access points but no more than 59 vehicular access points within 1/2 mile.

(f) 45 miles per hour on a highway segment with not less than 30 vehicular access points but no more than 44 vehicular access points within 1/2 mile.

(3) It is prima facie unlawful for a person to exceed the speed limits prescribed in subsection (2), except as provided in section 629.

(4) A person operating a vehicle in a mobile home park as defined in section 2 of the mobile home commission act, 1987 PA 96, MCL 125.2302, shall operate that vehicle at a careful and prudent speed, not greater than a speed that is reasonable and proper, having due regard for the traffic, surface, width of the roadway, and all other conditions existing, and not greater than a speed that permits a stop within the assured clear distance ahead. It is prima facie unlawful for the operator of a vehicle to operate that vehicle at a speed exceeding 15 miles an hour in a mobile home park as defined in section 2 of the mobile home commission act, 1987 PA 96, MCL 125.2302.

(5) A person operating a passenger vehicle drawing another vehicle or trailer shall not exceed the posted speed limit.

(6) Except as otherwise provided in this subsection, a person operating a truck with a gross weight of 10,000 pounds or more, a truck-tractor, a truck-tractor with a semi-trailer or trailer, or a combination of these vehicles shall not exceed a speed of 55 miles per hour on highways, streets, or freeways and shall not exceed a speed of 35 miles per hour during the period when reduced loadings are being enforced in accordance with this chapter. However, a person operating a school bus, a truck, a truck-tractor, or a truck-tractor with a semi-trailer or trailer described in this subsection shall not exceed a speed of 60 miles per hour on a freeway if the maximum speed limit on that freeway is 70 miles per hour.

(7) Except as otherwise provided in subsection (6), a person operating a school bus shall not exceed the speed of 55 miles per hour.

(8) The maximum rates of speeds allowed under this section are subject to the maximum rate established under section 629b.

(9) A person operating a vehicle on a highway, when entering and passing through a work zone described
in section 79d(a) where a normal lane or part of the lane of traffic has been closed due to highway
construction, maintenance, or surveying activities, shall not exceed a speed of 45 miles per hour unless a
different speed limit is determined for that work zone by the state transportation department, a county road
commission, or a local authority, based on accepted engineering practice. The state transportation department,
a county road commission, or a local authority shall post speed limit signs in each work zone described in
section 79d(a) that indicate the speed limit in that work zone and shall identify that work zone with any other
traffic control devices necessary to conform to the Michigan manual of uniform traffic control devices. A
person shall not exceed a speed limit established under this section or a speed limit established under section
628 or 629.

(10) Subject to subsections (1) and (2)(c), speed limits established pursuant to this section are not valid
unless properly posted. In the absence of a properly posted sign, the speed limit in effect shall be the general
speed limit pursuant to section 628(1).

(11) Nothing in this section prevents the establishment of an absolute speed limit pursuant to section 628.
Subject to subsection (1), an absolute speed limit established pursuant to section 628 supersedes a prima facie
speed limit established pursuant to this section.

(12) Nothing in this section shall be construed as justification to deny a traffic and engineering
investigation.

(13) As used in this section, "vehicular access point" means a driveway or intersecting roadway.

(14) A person who violates this section is responsible for a civil infraction.

257.627a "Regularly scheduled school session," "school," and "school zone" defined; prima
facie speed limit in school zone; signs; applicability of section to walkway; location of
school; school in session year-round.

Sec. 627a. (1) As used in this section and section 629:
(a) "Regularly scheduled school session" means that part of a day of student instruction that is followed by
a break for lunch or by a final dismissal of the student body for that day.
(b) "School" means an educational institution operated by a local school district or by a private,
denominational, or parochial organization. School does not include an educational institution that the
department of education determines has its entire student population in residence at the institution.
(c) "School zone" means school property on which a school building is located and the area adjacent to the
school property that is designated by the signs required under subsection (2). Except as otherwise provided in
subsection (5), the school zone extends not more than 1,000 feet from the property line of the school in each
direction.

(2) Except as provided in subsection (4), the prima facie speed limit in a school zone, which shall be in
force not less than 30 minutes but not more than 1 hour before the first regularly scheduled school session
until school commences and from dismissal until not less than 30 minutes but not more than 1 hour after the
last regularly scheduled school session, and during a lunch period when students are permitted to leave the
school, shall be 25 miles an hour, if permanent signs designating the school zone and the speed limit in the
school zone are posted at the request of the school superintendent. The signs shall conform to the Michigan
manual of uniform traffic control devices.

(3) This section does not apply to a limited access highway or to that portion of a street or highway over
which a pedestrian overhead walkway is erected, if the walkway is adjacent to school property and is
designed and located so as to be used, and is being used, as the principal means by which students of a school
that has property adjacent to the walkway travel to and from the school.

(4) Local authorities may increase or decrease the prima facie speed limit within a school zone under their
jurisdiction pursuant to section 629.

(5) Notwithstanding the requirements for a school zone as defined in subsection (1)(c), if a school is
located in an area that requires school children to cross a state trunk line highway or county highway that has
a speed limit of 35 miles per hour or more to attend that school, the school superintendent may submit a
request to the state transportation commission, county road commission, or local authority having jurisdiction
over the roadway, as applicable, for a school crossing as permitted under section 613a. If, based on the traffic
engineering studies, the road authority determines the need for a lower speed limit, the road authority may
designate the crossing as a school zone. Before submitting a request, the school superintendent shall have

completed a school route plan as prescribed by section 7A-1 of the Michigan manual of uniform traffic control devices.

(6) Notwithstanding the 25-mile-per-hour prima facie speed limit established by subsection (2), the prima facie speed limit for any street in a school zone that has sidewalks along at least 1 side of the street, which shall be in effect during the same periods that a 25-mile-per-hour speed limit provided by subsection (2) would otherwise be effective, shall be set at the limit requested by the superintendent of schools with jurisdiction over the school within the school zone, but this limit shall neither be more than 15 miles per hour below the regularly posted speed limit for that street nor less than 25 miles per hour. Permanent signs designating the school zone and the speed limit in the school zone shall be posted. These signs shall conform to the Michigan manual of uniform traffic control devices.

(7) If appropriate, the school superintendent may request that a sign be erected in the school zone indicating that a school is in session year-round. A sign erected under this subsection shall be posted on the same signpost as the school zone sign and immediately below the school zone sign. The sign shall read "Year-Round School" and shall conform to the Michigan manual of uniform traffic control devices.

Compiler's note: The repealed section pertained to speed limit for school buses.

257.628 Maximum or minimum speed limits; determination; petition by township board; speed control signs, signals, or devices; public record as evidence; violation as civil infraction; absolute speed limits.

Sec. 628. (1) If the state transportation department and the department of state police jointly determine upon the basis of an engineering and traffic investigation that the speed of vehicular traffic on a state trunk line highway is greater or less than is reasonable or safe under the conditions found to exist at an intersection or other place or upon a part of the highway, the departments acting jointly may determine and declare a reasonable and safe maximum or minimum speed limit on that state trunk line highway or intersection that shall be effective at the times determined when appropriate signs giving notice of the speed limit are erected at the intersection or other place or part of the highway. The maximum speed limit on all highways or parts of highways upon which a maximum speed limit is not otherwise fixed under this act is 55 miles per hour, which shall be known and may be referred to as the "general speed limit".

(2) If the county road commission, the township board, and the department of state police unanimously determine upon the basis of an engineering and traffic investigation that the speed of vehicular traffic on a county highway is greater or less than is reasonable or safe under the conditions found to exist upon any part of the highway, then acting unanimously they may establish a reasonable and safe maximum or minimum speed limit on that county highway that is effective at the times determined when appropriate signs giving notice of the speed limit are erected on the highway. A township board that does not wish to continue as part of the process provided by this subsection shall notify in writing the county road commission. As used in this subsection, "county road commission" means the board of county road commissioners elected or appointed under section 6 of chapter IV of 1909 PA 283, MCL 224.6, or, in the case of a charter county with a population of 2,000,000 or more with an elected county executive that does not have a board of county road commissioners, the county executive.

(3) If a superintendent of a school district determines that the speed of vehicular traffic on a state trunk line or county highway, which is within 1,000 feet of a school in the school district of which that person is the superintendent, is greater or less than is reasonable or safe, the officials identified in subsection (1) or (2), as appropriate, shall include the superintendent of the school district affected in acting jointly in determining and declaring a reasonable and safe maximum or minimum speed limit on that state trunk line or county highway.

(4) In the case of a county highway of not less than 1 mile with residential lots with road frontage of 300 feet or less along either side of the highway for the length of that part of the highway that is under review for a proposed change in the speed limit, the township board may petition the county road commission or in charter counties where there is no road commission, but there is a county board of commissioners, the township board may petition the county board of commissioners for a proposed change in the speed limit. The county road commission or in charter counties where there is no road commission, but there is a county board of commissioners, the township board may petition the county board of commissioners to approve the proposed change in the speed limit without the necessity of an engineering and traffic investigation.

(5) If upon investigation the state transportation department or county road commission and the department
of state police find it in the interest of public safety, they may order the township board, or city or village officials to erect and maintain, take down, or regulate the speed control signs, signals, or devices as directed, and in default of an order the state transportation department or county road commission may cause the designated signs, signals, and devices to be erected and maintained, taken down, regulated, or controlled, in the manner previously directed, and pay for the erecting and maintenance, removal, regulation, or control of the sign, signal, or device out of the highway fund designated.

(6) A public record of all speed control signs, signals, or devices authorized under this section shall be filed in the office of the county clerk of the county in which the highway is located, and a certified copy shall be prima facie evidence in all courts of the issuance of the authorization. The public record with the county clerk shall not be required as prima facie evidence of authorization in the case of signs erected or placed temporarily for the control of speed or direction of traffic at points where construction, repairs, or maintenance of highways is in progress, or along a temporary alternate route established to avoid the construction, repair, or maintenance of a highway, if the signs are of uniform design approved by the state transportation department and the department of state police and clearly indicate a special control, when proved in court that the temporary traffic control sign was placed by the state transportation department or on the authority of the state transportation department and the department of state police or by the county road commission or on the authority of the county road commission, at a specified location.

(7) A person who fails to observe an authorized speed or traffic control sign, signal, or device is responsible for a civil infraction.

(8) Except as otherwise provided in this section, the maximum speed limit on all freeways shall be 70 miles per hour except that if the state transportation department and the department of state police jointly determine upon the basis of an engineering and traffic investigation that the speed of vehicular traffic on a freeway is greater or less than is reasonable or safe under the conditions found to exist upon a part of the freeway, the departments acting jointly may determine and declare a reasonable and safe maximum or minimum speed limit on that freeway that is not more than 70 miles per hour but not less than 55 miles per hour and that shall be effective when appropriate signs giving notice of the speed limit are erected. The minimum speed limit on all freeways is 55 miles per hour except if reduced speed is necessary for safe operation or in compliance with law or in compliance with a special permit issued by an appropriate authority.

(9) The maximum rates of speed allowed under this section are subject to the maximum rates established under section 629b, section 627(5) to (7) for certain vehicles and vehicle combinations, and section 629(4).

(10) Except for the general speed limit described in subsection (1), speed limits established pursuant to this section shall be known as absolute speed limits.

Compiler's note: In OAG 6480, issued November 23, 1987, the Attorney General stated: “It is my opinion, therefore, that 1987 PA 154, which fixes maximum speed limit on certain state highways, becomes effective November 29, 1987.”

Compiler's note: The repealed section pertained to minimum speed limit on freeways.

257.629 Prima facie speed limits; establishment; limitations; signs; civil infraction; “local authority” defined.

Sec. 629. (1) Local authorities may establish or increase the prima facie speed limits on highways under their jurisdiction subject to the following limitations:

(a) A highway within a business district on which the prima facie speed limit is increased shall be designated a through highway at the entrance to which vehicles shall be required to stop before entering, except that where 2 of these through highways intersect, local authorities may require traffic on only 1 highway to stop before entering the intersection.

(b) The local authorities shall place and maintain, upon all through highways in which the permissible speed is increased, adequate signs giving notice of the special regulations and shall also place and maintain upon each highway intersecting a through highway, appropriate signs which shall be reflectorized or illuminated at night.

(c) Local authorities may establish prima facie lawful speed limits on highways outside of business districts that are consistent with the limits established in section 627(2).
(2) The state transportation department shall establish the speed upon all trunk line highways located within cities and villages as follows:

(a) A written copy of the authorization or determination shall be filed in the office of the county clerk of the county or counties where the highway is located and a certified copy of the authorization or determination shall be prima facie evidence in all courts of the issuance of the authorization or determination.

(b) When the state transportation department increases the speed upon a trunk line highway as provided in this act, subject to section 627a, the state transportation department shall place and maintain upon these highways adequate signs giving notice of the permissible speed fixed by the state transportation commission.

(3) Local authorities are authorized to decrease the prima facie speed limits to not less than 15 miles per hour in public parks under their jurisdiction. A decrease in the prima facie speed limits is binding when adequate signs are duly posted giving notice of the reduced speeds.

(4) Local authorities are authorized to decrease the prima facie speed limits to not less than 25 miles an hour on each street or highway under their jurisdiction that is adjacent to a publicly owned park or playground. A decrease in the prima facie speed limits is binding when adequate signs are duly posted giving notice of the reduced speeds. As used in this subsection, "local authority" includes the county road commission with the concurrence of the township board of a township for a street or highway within the boundaries of the township.

(5) The maximum rates of speed allowed under this section are subject to the maximum rate established under section 629b.

(6) A person who exceeds a lawful speed limit established under this section is responsible for a civil infraction.

(7) As used in this section, "local authority" means the governing body of a city or village, except as provided in subsection (4).

257.629a County traffic safety organization; creation, appropriation.

Sec. 629a. The board of supervisors of any county may create a county traffic safety organization to cooperate with governmental units and officials thereof in the solution of traffic safety problems in the county and to appropriate such sums as it shall deem necessary for the creation and support thereof and to prescribe rules and regulations relative to the duties of such organization and with respect to the expenditure of any such appropriation.

257.629b Reduction of maximum speed limit; violation as civil infraction.

Sec. 629b. (1) The governor may reduce the maximum speed limit on a street, highway, or freeway pursuant to an executive order issued during a state of energy emergency as provided by law.

(2) A person who violates a speed limit established pursuant to this section is responsible for a civil infraction.

Compiler's note: In OAG 6480, issued November 23, 1987, the Attorney General stated: “It is my opinion, therefore, that 1987 PA 154, which fixes maximum speed limit on certain state highways, becomes effective November 29, 1987.”

257.629c Points and minimum fine; schedule; applicability of subsection (1).

Sec. 629c. (1) Notwithstanding sections 320a and 907, a person who is determined responsible or responsible "with explanation" for a civil infraction for violating the maximum speed limit on a limited access freeway or part of a limited access freeway upon which the maximum speed limit is 55 miles per hour or more shall be ordered by the court to pay a minimum fine and shall have points entered on his or her driving record by the secretary of state only according to the following schedule, except as otherwise provided in subsections (2) and (3):

(2) Subsection (1) does not apply to a person operating a vehicle or vehicle combination for which the maximum rate of speed is established pursuant to section 627(5) to (7).

(3) For a violation of a maximum speed limit on a limited access freeway by a person operating a vehicle or vehicle combination described in subsection (2), points shall be assessed under section 320a and fines shall be assessed under section 907.

Compiler's note: In OAG 6480, issued November 23, 1987, the Attorney General stated: “It is my opinion, therefore, that 1987 PA 154, which fixes maximum speed limit on certain state highways, becomes effective November 29, 1987.”

Compiler's note: The repealed section pertained to highway safety task force.

257.629e Levy, transmittal, and disposition of assessments; annual report; highway safety fund, jail reimbursement program fund, secondary road patrol and training fund; creation; administration; use of money collected; annual report.

Sec. 629e. (1) Before October 1, 2003, in addition to any fine or cost ordered to be paid under this act, and in addition to any assessment levied under section 907, the judge or district court magistrate shall levy a highway safety assessment of $5.00, a jail reimbursement program assessment of $5.00, and a secondary road patrol and training assessment of $10.00 for each civil infraction determination except for a parking violation or a violation for which the total fine and costs imposed are $10.00 or less. Upon payment of the assessments, the clerk of the court shall transmit the assessments levied to the department of treasury. Until October 1, 2003, the state treasurer shall deposit the revenue received pursuant to this subsection in the highway safety fund, in the jail reimbursement program fund, and in the secondary road patrol and training fund, and shall report annually to the legislature all revenues received and disbursed under this section. An assessment levied under this subsection shall not be considered a civil fine for purposes of section 909.

(2) A highway safety fund, a jail reimbursement program fund, and a secondary road patrol and training fund are created in the department of treasury. The highway safety fund and the secondary road patrol and training fund shall be administered by the department of state police. The jail reimbursement program fund shall be administered by the department of corrections. Until October 1, 2003, money collected under subsection (1) shall be deposited in the respective funds as provided in subsection (1). Beginning October 1, 2003, money collected under subsection (1) shall be deposited in the justice system fund created in section 181 of the revised judicature act of 1961, 1961 PA 236, MCL 600.181. Money remaining in the respective funds at the end of a fiscal year shall not lapse but shall remain in the respective funds for use for the purposes of the funds. The money deposited in the highway safety fund shall serve as a supplement to, and not as a replacement for, the funds budgeted for the department of state police. The money in the highway safety fund shall be used by the department of state police for the employment of additional state police enlisted personnel to enforce the traffic laws on the highways and freeways of this state. The money in the jail reimbursement program fund shall be used by the department of corrections to reimburse counties for housing and custody of convicted felons pursuant to the requirements of section 35 of chapter IX of the code of criminal procedure, 1927 PA 175, MCL 769.35. The money in the secondary road patrol and training fund shall be used for secondary road patrol and traffic accident grants pursuant to section 77 of 1846 RS 14, MCL 51.77, and for grants under section 14 of the commission on law enforcement standards act, 1965 PA 203, MCL 28.614. The department of state police and the department of corrections shall report annually to the legislature all revenues received and disbursed under this section.

Compiler's note: In OAG 6480, issued November 23, 1987, the Attorney General stated: “It is my opinion, therefore, that 1987 PA 154, which fixes maximum speed limit on certain state highways, becomes effective November 29, 1987.”

Compiler's note: The repealed section pertained to motor-driven cycles.

Sec. 631. (1) A person shall not drive a vehicle upon a public bridge, causeway, or viaduct at a speed or with a load which is greater than the maximum speed or load which can be maintained with safety to the structure, when the structure is signposted as provided in this section. A person who violates this subsection is responsible for a civil infraction.

(2) A person who drives or moves a vehicle or combination of vehicles, or the owner or lessee of a vehicle who causes or allows such a vehicle or combination of vehicles to be loaded and driven or moved, upon a public bridge, causeway, or viaduct when the gross weight of the vehicle or combination of vehicles exceeds the limitations established and signposted pursuant to this section is responsible for a civil infraction and shall be assessed a civil fine as set forth in this subsection. This subsection shall not apply to either of the following:

(a) implements of husbandry operated upon a public bridge, causeway, or viaduct.

(b) The use of a public bridge, causeway, or viaduct by a vehicle or combination of vehicles for a function essential to a farm operation otherwise reasonably inaccessible to vehicles performing the essential agricultural function.

(3) The civil fine assessed under subsection (2) shall be determined as follows:

(a) In the amount equal to 4 cents per pound for each pound of excess load when the excess is more than 2,500 pounds but not more than 3,000 pounds.

(b) In the amount equal to 6 cents per pound for each pound of excess load when the excess is more than 3,000 pounds but not more than 4,000 pounds.

(c) In the amount equal to 8 cents per pound for each pound of excess load when the excess is more than 4,000 pounds but not more than 5,000 pounds.

(d) In the amount equal to 10 cents per pound for each pound of excess load when the excess is more than 5,000 pounds.

(4) For the purpose of this section, the gross weight of a vehicle or combination of vehicles shall be determined as prescribed in section 722(7).

(5) The department of transportation, county road commission, or other authority having jurisdiction of a public bridge, causeway, or viaduct may conduct an investigation of that bridge, causeway, or viaduct. If it is found after investigation that the structure cannot with safety to itself withstand vehicles traveling at the speed or carrying a load otherwise permissible under this chapter, the department, commission, or other authority shall determine and declare the maximum speed of vehicles or load which the structure can withstand, and shall cause or permit suitable signs stating that maximum speed and load limitations to be erected and maintained not more than 50 feet from each end of the structure, and also at a suitable distance from each end of the bridge to enable vehicles to take a different route.

(6) The findings and determination of the department of transportation, county road commission, or other local authority, shall be conclusive evidence of the maximum speed and load which can with safety be maintained on a public bridge, causeway, or viaduct.

257.632 Exemption from speed limitations; police vehicles, fire department or fire patrol vehicles, and ambulances; conditions.

Sec. 632. The speed limitation set forth in this chapter shall not apply to vehicles when operated with due regard for safety under the direction of the police when traveling in emergencies or in the chase or apprehension of violators of the law or of persons charged with or suspected of a violation, nor to fire department or fire patrol vehicles when traveling in response to a fire alarm, nor to public or private ambulances when traveling in emergencies. This exemption shall apply only when the driver of the vehicle while in motion sounds an audible signal by bell, siren or exhaust whistle as may be reasonably necessary or when the vehicle is equipped with at least 1 lighted lamp displaying a flashing, oscillating or rotating red or blue light visible under normal atmospheric conditions from a distance of 500 feet to the front of such vehicles, unless the nature of the mission requires that a law enforcement officer travel without giving warning to suspected law violators. This exemption shall not however protect the driver of the vehicle from the consequences of a reckless disregard of the safety of others.

257.633 Violation of speed regulation; specifications in complaint, citation, summons, or notice; burden of proof.

Sec. 633. (1) In every charge of a violation of a speed regulation in this chapter the complaint or citation and the summons or notice to appear, shall specify the speed at which the defendant is alleged to have driven.
and the speed applicable within the district or at the location.

(2) The provision of this chapter declaring speed limitations shall not be construed to relieve the plaintiff in a civil action from the burden of proving negligence on the part of the defendant as the proximate cause of an accident.

DRIVING ON RIGHT SIDE OF ROADWAY—OVERTAKING AND PASSING, ETC.

257.634 Driving on right half of roadway; exceptions; driving on roadway having 2 or more lanes for travel in 1 direction; traveling on freeway having 3 or more lanes for travel in same direction; ordinance regulating same subject matter prohibited; violation as civil infraction.

Sec. 634. (1) Upon each roadway of sufficient width, the driver of a vehicle shall drive the vehicle upon the right half of the roadway, except as follows:

(a) When overtaking and passing another vehicle proceeding in the same direction under the rules governing that movement.

(b) When the right half of a roadway is closed to traffic while under construction or repair or when an obstruction exists making it necessary to drive to the left of the center of the highway. A driver who is driving on the left half of a roadway under this subdivision shall yield the right-of-way to an oncoming vehicle traveling in the proper direction upon the unobstructed portion of the roadway.

(c) When a vehicle operated by a state agency or a local authority or an agent of a state agency or local authority is engaged in work on the roadway.

(d) Upon a roadway divided into 3 marked lanes for traffic under the rules applicable on the roadway.

(2) Upon a roadway having 2 or more lanes for travel in 1 direction, the driver of a vehicle shall drive the vehicle in the extreme right-hand lane available for travel except as otherwise provided in this section. However, the driver of a vehicle may drive the vehicle in any lane lawfully available to traffic moving in the same direction of travel when the lanes are occupied by vehicles moving in substantially continuous lanes of traffic and in any left-hand lane lawfully available to traffic moving in the same direction of travel for a reasonable distance before making a left turn.

(3) This section shall not be construed to prohibit a vehicle traveling in the appropriate direction from traveling in any lane of a freeway having 3 or more lanes for travel in the same direction. However, a city, village, township, or county may not enact an ordinance which regulates the same subject matter as any provision of this subsection. The driver of a truck with a gross weight of more than 10,000 pounds, a truck tractor, or a combination of a vehicle and trailer or semitrailer shall drive the vehicle or combination of vehicles only in either of the 2 lanes farthest to the right, except for a reasonable distance when making a left turn or where a special hazard exists that requires the use of an alternative lane for safety reasons.

(4) A person who violates this section is responsible for a civil infraction.

257.635 Passing vehicle proceeding in opposite direction; violation as civil infraction.

Sec. 635. (1) Drivers of vehicles proceeding in opposite directions shall pass each other to the right, each giving to the other not less than 1/2 of the main traveled portion of the roadway as nearly as possible.

(2) A person who violates this section is responsible for a civil infraction.

257.636 Overtaking and passing of vehicles proceeding in same direction; limitations, exceptions, and special rules; violation as civil infraction.

Sec. 636. (1) The following rules shall govern the overtaking and passing of vehicles proceeding in the same direction, subject to those limitations, exceptions, and special rules stated in sections 637 to 643a:

(a) The driver of a vehicle overtaking another vehicle proceeding in the same direction shall pass at a safe distance to the left of that vehicle, and when safely clear of the overtaken vehicle shall take up a position as near the right-hand edge of the main traveled portion of the highway as is practicable.

(b) Except when overtaking and passing on the right is permitted, the driver of an overtaken vehicle shall give way to the right in favor of the overtaking vehicle on audible signal and shall not increase the speed of his or her vehicle until completely passed by the overtaking vehicle.

(2) A person who violates this section is responsible for a civil infraction.

257.637 Overtaking and passing on right of another vehicle; conditions; violation as civil infraction.
Sec. 637. (1) The driver of a vehicle may overtake and pass upon the right of another vehicle only if 1 or more of the following conditions exist:
(a) When the vehicle overtaken is making or about to make a left turn.
(b) Upon a street or highway with unobstructed pavement not occupied by parked vehicles of sufficient width for 2 or more lines of moving vehicles in each direction and when the vehicles are moving in substantially continuous lanes of traffic.
(c) Upon a 1-way street, or upon a roadway on which traffic is restricted to 1 direction of movement, where the roadway is free from obstructions and of sufficient width for 2 or more lines of moving vehicles and when the vehicles are moving in substantially continuous lanes of traffic.
(2) The driver of a vehicle may overtake and pass another vehicle upon the right only under conditions permitting the overtaking and passing in safety. The driver of a vehicle shall not overtake and pass another vehicle upon the right by driving off the pavement or main-traveled portion of the roadway.
(3) A person who violates this section is responsible for a civil infraction.

257.638 Overtaking and passing on left of another vehicle; violation as civil infraction.
Sec. 638. (1) A vehicle shall not be driven to the left side of the center of a 2-lane highway or in the center lane of a 3-lane highway in overtaking and passing another vehicle proceeding in the same direction unless the left side or center lane is clearly visible and is free of oncoming traffic for a sufficient distance ahead to permit the overtaking and passing to be completely made without interfering with the safe operation of a vehicle approaching from the opposite direction or the vehicle overtaken.
(2) A person who violates this section is responsible for a civil infraction.

257.639 Driving to left side of roadway; limitations; violation as civil infraction.
Sec. 639. (1) A vehicle shall not be driven to the left side of the roadway under the following conditions:
(a) When approaching the crest of a grade or upon a curve in the highway where the driver's view is obstructed within a distance as to create a hazard in the event another vehicle might approach from the opposite direction.
(b) When the view is obstructed upon approaching within 100 feet of a bridge, viaduct, or tunnel.
(2) The limitations of subsection (1) shall not apply upon a 1-way roadway.
(3) A person who violates this section is responsible for a civil infraction.

257.640 No-passing zones; determination; signs or markings; traffic control devices; violation as civil infraction.
Sec. 640. (1) The state highway commission and county road commissions shall determine those portions of a highway under their jurisdiction where overtaking and passing or driving to the left of the roadway would be especially hazardous, and by appropriate signs or markings on the roadway shall indicate the beginning and end of those zones in a manner enabling an ordinary observant driver of a vehicle to observe the directions and obey them. A sign shall be placed to the left of the highway on those portions of a highway where additional notice is considered necessary.
(2) The no-passing zones provided for by this section shall be based upon a traffic survey and engineering study. Traffic-control devices installed pursuant to this section shall conform to the state manual and specifications as provided for by section 608.
(3) A person who fails to obey the traffic-control devices installed pursuant to this section is responsible for a civil infraction.

257.641 Designating 1-way traffic; signs; driving to right of rotary traffic island; violation as civil infraction.
Sec. 641. (1) The state highway commissioner may designate any highway or any separate roadway under his jurisdiction for 1-way traffic and shall erect appropriate signs giving notice thereof.
(2) Upon a roadway designated and signposted for 1-way traffic a vehicle shall be driven only in the
direction designated.

(3) A vehicle passing around a rotary traffic island shall be driven only to the right of that island.

(4) A person who violates subsection (2) or (3) is responsible for a civil infraction.

257.642 Roadway divided into 2 or more marked lanes; applicable rules; violation as civil infraction.

Sec. 642. (1) When a roadway has been divided into 2 or more clearly marked lanes for traffic the following rules in addition to all others consistent with this act shall apply:

(a) A vehicle shall be driven as nearly as practicable entirely within a single lane and shall not be moved from the lane until the driver has first ascertained that the movement can be made with safety. Upon a roadway with 4 or more lanes which provides for 2-way movement of traffic, a vehicle shall be driven within the extreme right-hand lane except when overtaking and passing, but shall not cross the center line of the roadway except where making a left turn.

(b) Upon a roadway which is divided into 3 lanes and provides for 2-way movement of traffic, a vehicle shall not be driven in the center lane except when overtaking and passing another vehicle traveling in the same direction, when the center lane is clear of traffic within a safe distance, or in preparation for a left turn, or where the center lane is at the time allocated exclusively to traffic moving in the same direction the vehicle is proceeding and the allocation is designated by official traffic control devices.

(c) Official traffic control devices may be erected directing specified traffic to use a designated lane or designating those lanes to be used by traffic moving in a particular direction regardless of the center of the roadway and drivers of vehicles shall obey the directions of the traffic-control device.

(d) Official traffic-control devices may be installed prohibiting the changing of lanes on sections of roadway, and drivers of vehicles shall obey the directions of the traffic-control devices.

(2) A person who violates this section is responsible for a civil infraction.

257.643 Distance between vehicles; violation as civil infraction.

Sec. 643. (1) The driver of a motor vehicle shall not follow another vehicle more closely than is reasonable and prudent, having due regard for the speed of the vehicles and the traffic upon, and the condition of, the highway.

(2) A person shall not operate a motor vehicle with a gross weight, loaded or unloaded, in excess of 5,000 pounds outside the corporate limits of a city or village, within 500 feet of a like vehicle described in this subsection, moving in the same direction, except when overtaking and passing the vehicle.

(3) A distance of not less than 500 feet shall be maintained between 2 or more driven vehicles being delivered from 1 place to another.

(4) A person who violates this section is responsible for a civil infraction.

257.643a Leaving space between trucks or truck tractors; passing; violation as civil infraction.

Sec. 643a. (1) The driver of a truck or truck tractor, when traveling upon a highway outside of a business or residence district, when conditions permit, shall leave sufficient space between the vehicle and another truck or truck tractor so that an overtaking vehicle may enter and occupy the space without danger, except that this shall not prevent the driver of a truck or truck tractor from overtaking and passing another truck, truck tractor, or other vehicle in a lawful manner.

(2) A person who violates this section is responsible for a civil infraction.

257.644 Driving on highway divided into 2 roadways; parking or driving on dividing space, barrier, or section; use of crossovers on limited access highways; violation as civil infraction.

Sec. 644. (1) When a highway has been divided into 2 roadways by leaving an intervening space or by a physical barrier or clearly indicated dividing section constructed to impede vehicular traffic, a vehicle shall be driven only upon the right-hand roadway and a vehicle shall not park or be driven over, across, or within the dividing space, barrier, or section, except through an opening in the physical barrier, dividing section, or space or at a crossover or intersection established by public authority. Crossovers on limited access highways shall not be used except by vehicles described in section 603, road service vehicles while going to or returning...
from servicing a disabled vehicle, and as otherwise permitted by authorized signs. “Road service vehicles” means vehicles clearly marked and readily recognizable as a vehicle used to assist disabled vehicles.

(2) A person who violates this section is responsible for a civil infraction.

Sec. 645. (1) A person shall not drive a vehicle onto or from a limited access roadway except at entrances and exits established by public authority.

(2) A person who violates this section is responsible for a civil infraction.

Compiler's note: The repealed section pertained to limited access highway restrictions on use.

TURNING AND STARTING AND SIGNALS ON STOPPING AND TURNING

257.647 Turning at intersection; violation as civil infraction.

Sec. 647. (1) The driver of a vehicle intending to turn at an intersection shall do so as follows:

(a) Both the approach for a right turn and a right turn shall be made as close as practicable to the right-hand curb or edge of the roadway.

(b) Approach for a left turn shall be made in that portion of the right half of the roadway nearest the center line in a manner as not to interfere with the progress of any streetcar, and after entering the intersection the left turn shall be made so as to leave the intersection to the right of the center line of the roadway being entered.

(c) Approach for a left turn from a 2-way roadway into a 1-way roadway shall be made in that portion of the right half of the roadway nearest the center line and clear of existing car tracks in use, and by passing to the right of the center line where it enters the intersection. Approach for a left turn from a 1-way roadway into a 2-way roadway shall be made as close as practicable to the left curb or edge of the roadway and by passing to the right of the center line of the roadway being entered.

(d) Where both streets or roadways are 1-way, both the approach for a left turn and a left turn shall be made as close as practicable to the left-hand curb or edge of the roadway.

(e) Local authorities in their respective jurisdictions may cause pavement markers, signs, or signals to be placed within or adjacent to intersections and thereby require and direct that a different course from that specified in this section be traveled by vehicles turning at an intersection. When markers, signs, or signals are so placed, a driver of a vehicle shall not turn a vehicle at an intersection other than as directed and required by those markers, signs, or signals.

(2) A person who violates this section is responsible for a civil infraction.

257.648 Signals for stopping or turning; violation as civil infraction.

Sec. 648. (1) The driver of a vehicle or bicycle upon a highway, before stopping or turning from a direct line, shall first see that the stopping or turning can be made in safety and shall give a signal as required in this section.

(2) A signal required in this section shall be given either by means of the hand and arm in the manner specified in this section, or by a mechanical or electrical signal device which conveys an intelligible signal or warning to other highway traffic, except as otherwise provided in subsection (3). When a signal is given by means of the hand and arm, the driver shall indicate his or her intention to stop or turn by extending his hand and arm from and beyond the left side of the vehicle and signal as follows:

(a) Left turn ..... hand and arm extended horizontally.

(b) Right turn ..... hand and arm extended upward.

(c) Stop or decrease speed ..... hand and arm extended downward.

(3) A commercial motor vehicle, other than those in transit from a manufacturer to a dealer, in use on a highway shall be equipped with, and required signal shall be given by, a signal lamp or mechanical signal device when the distance from the center of the top of the steering post to the left outside limit of the body, cab, or load of the commercial motor vehicle exceeds 24 inches, or when the distance from the center of the top of the steering post to the rear limit of the body or load of the commercial vehicle exceeds 14 feet. The measurement from steering post to rear limit shall apply to a single vehicle or combination of vehicles.

(4) A person who violates this section is responsible for a civil infraction.
257.649 Right-of-way; rules; violation as civil infraction.
Sec. 649. (1) The driver of a vehicle approaching an intersection shall yield the right of way to a vehicle which has entered the intersection from a different highway.

(2) When 2 vehicles enter an intersection from different highways at approximately the same time, the driver of the vehicle on the left shall yield the right of way to the vehicle on the right.

(3) The right of way rules declared in subsections (1) and (2) are modified at through highways and otherwise as stated in this chapter.

(4) The driver of a vehicle approaching a yield sign, in obedience to the sign, shall slow down to a speed reasonable for the existing conditions and shall yield the right of way to a vehicle in the intersection or approaching on another highway so closely as to constitute an immediate hazard during the time the driver would be moving across or within the intersection. However, if required for safety to stop, the driver shall stop before entering the crosswalk on the near side of the intersection or, if there is not a crosswalk, at a clearly marked stop line; but if there is not a crosswalk or a clearly marked stop line, then at the point nearest the intersecting roadway where the driver has a view of approaching traffic on the intersecting roadway.

(5) The driver of a vehicle traveling at an unlawful speed shall forfeit a right of way which the driver might otherwise have under this section.

(6) Except when directed to proceed by a police officer, the driver of a vehicle approaching a stop intersection indicated by a stop sign shall stop before entering the crosswalk on the near side of the intersection, or if there is not a crosswalk shall stop at a clearly marked stop line; or if there is not a crosswalk or a clearly marked stop line, then at the point nearest the intersecting roadway where the driver has a view of approaching traffic on the intersecting roadway. After having stopped, the driver shall yield the right of way to a vehicle which has entered the intersection from another highway or which is approaching so closely on the highway as to constitute an immediate hazard during the time when the driver would be moving across or within the intersection.

(7) When a vehicle approaches the intersection of a highway from an intersecting highway or street which is intended to be, and is constructed as, a merging highway or street, and is plainly marked at the intersection with appropriate merge signs, the vehicle shall yield right of way to a vehicle so close as to constitute an immediate hazard on the highway about to be entered and shall adjust its speed so as to enable it to merge safely with the through traffic.

(8) A person who violates this section is responsible for a civil infraction.

257.650 Right-of-way; turning left at intersection; violation as civil infraction.
Sec. 650. (1) The driver of a vehicle within an intersection intending to turn to the left shall yield the right of way to a vehicle approaching from the opposite direction which is within the intersection or so close to the intersection as to constitute an immediate hazard; but the driver, having so yielded and having given a signal when and as required by this chapter, may make the left turn and the drivers of all other vehicles approaching the intersection from the opposite direction shall yield the right of way to the vehicle making the left turn. At an intersection at which a traffic signal is located, a driver intending to make a left turn shall permit vehicles bound straight through in the opposite direction which are waiting a go signal to pass through the intersection before making the turn.

(2) A person who violates this section is responsible for a civil infraction.

257.651 State trunk line highways; preference at intersections; stop, yield or merge signs.
Sec. 651. (a) Except where approved traffic signals are used to control traffic, the state highway commissioner shall erect stop, yield or merge signs at every entrance to a state trunk line highway from intersecting highways or streets. However, after a traffic engineering investigation the state highway commission acting jointly with the commissioner of the Michigan state police may give preference to a city street or a county road over a state trunk line highway, and shall erect appropriate signs.

(b) Where 2 or more state trunk line highways intersect or cross, the state highway commissioner and the commissioner of the Michigan state police, acting jointly, shall determine which traffic, if any, shall be given preference and appropriate stop, yield or merge signs shall be erected.
257.652 Stopping before entering or crossing highway from alley, private road, or driveway; violation as civil infraction.

Sec. 652. (1) The driver of a vehicle about to enter or cross a highway from an alley, private road, or driveway shall come to a full stop before entering the highway and shall yield right of way to vehicles approaching on the highway.

(2) A person who violates this section is responsible for a civil infraction.

Sec. 653. (1) Upon the immediate approach of an authorized emergency vehicle equipped with not less than 1 lighted flashing, rotating, or oscillating lamp exhibiting a red or blue light visible under normal atmospheric condition from a distance of 500 feet to the front of the vehicle and when the driver is giving audible signal by siren, exhaust whistle, or bell:

(a) The driver of another vehicle shall yield the right of way and shall immediately drive to a position parallel to and as close as possible to the right-hand edge or curb of the roadway, clear of an intersection, and shall stop and remain in that position until the authorized emergency vehicle has passed, except when otherwise directed by a police officer.

(b) The operator of a streetcar shall immediately stop the car, clear of an intersection, and shall keep it in that position until the authorized emergency vehicle has passed, except when otherwise directed by a police officer.

(a) On any public roadway with at least 2 adjacent lanes proceeding in the same direction of the stationary authorized emergency vehicle, the driver of the approaching vehicle shall proceed with caution and yield the right-of-way by moving into a lane at least 1 moving lane or 2 vehicle widths apart from the stationary authorized emergency vehicle, unless directed otherwise by a police officer. If movement to an adjacent lane or 2 vehicle widths apart is not possible due to weather, road conditions, or the immediate presence of vehicular or pedestrian traffic in parallel moving lanes, the driver of the approaching vehicle shall proceed as required in subdivision (b).

(b) On any public roadway that does not have at least 2 adjacent lanes proceeding in the same direction as the stationary authorized emergency vehicle, or if the movement by the driver of the vehicle into an adjacent lane or 2 vehicle widths apart is not possible as described in subdivision (a), the approaching vehicle shall reduce and maintain a safe speed for weather, road conditions, and vehicular or pedestrian traffic and proceed with due care and caution, or as directed by a police officer.

Sec. 660. (1) A person operating an electric personal assistive mobility device, low-speed vehicle, or moped upon a roadway shall ride as near to the right side of the roadway as practicable, exercising due care when passing a standing vehicle or one proceeding in the same direction. A motorcycle is entitled to full use of a lane, and a motor vehicle shall not be driven in such a manner as to deprive a motorcycle of the full use of a lane. This subsection does not apply to motorcycles operated 2 abreast in a single lane.

(2) A person riding an electric personal assistive mobility device, motorcycle, or moped upon a roadway shall not ride more than 2 abreast except on a path or part of a roadway set aside for the exclusive use of those vehicles.

Except as otherwise provided in this subsection, a governing body of a county, city, village, entity created under the urban cooperation act of 1967, 1967 (Ex Sess) PA 7, MCL 124.501 to 124.512, or township may prohibit the operation of electric personal assistive mobility devices in an area open to pedestrian traffic adjacent to a waterfront or on a trail under their jurisdiction or in a downtown or central business district. Signs indicating the regulation shall be conspicuously posted in the area where the use of an electric personal assistive mobility device is regulated.

(11) Operation of an electric personal assistive mobility device is prohibited in a special charter city and a state park under the jurisdiction of the Mackinac Island state park commission.

History:

257.660a Operation of bicycle upon highway or street; riding close to right-hand curb or edge of roadway; exceptions.

Sec. 660a. A person operating a bicycle upon a highway or street at less than the existing speed of traffic shall ride as close as practicable to the right-hand curb or edge of the roadway except as follows:

(a) When overtaking and passing another bicycle or any other vehicle proceeding in the same direction.
(b) When preparing to turn left.
(c) When conditions make the right-hand edge of the roadway unsafe or reasonably unusable by bicycles, including, but not limited to, surface hazards, an uneven roadway surface, drain openings, debris, parked or moving vehicles or bicycles, pedestrians, animals, or other obstacles, or if the lane is too narrow to permit a vehicle to safely overtake and pass a bicycle.
(d) When operating a bicycle in a lane in which the traffic is turning right but the individual intends to go straight through the intersection.
(e) When operating a bicycle upon a 1-way highway or street that has 2 or more marked traffic lanes, in which case the individual may ride as near the left-hand curb or edge of that roadway as practicable.

257.660b Operation of bicycle upon highway or street; riding more than 2 abreast.

Sec. 660b. Two or more individuals operating bicycles upon a highway or street shall not ride more than 2 abreast except upon a path or portion of the highway or street set aside for the use of bicycles.

257.660c Operation of bicycle upon sidewalk or pedestrian crosswalk.

Sec. 660c. (1) An individual operating a bicycle upon a sidewalk or a pedestrian crosswalk shall yield the right-of-way to pedestrians and shall give an audible signal before overtaking and passing a pedestrian.

(2) An individual shall not operate a bicycle upon a sidewalk or a pedestrian crosswalk if that operation is prohibited by an official traffic control device.

(3) An individual lawfully operating a bicycle upon a sidewalk or a pedestrian crosswalk has all of the rights and responsibilities applicable to a pedestrian using that sidewalk or crosswalk.

257.660d Parking bicycle on sidewalk, highway, or street.
Sec. 660d. (1) An individual may park a bicycle on a sidewalk except as prohibited by an official traffic control device.

(2) An individual shall not park a bicycle on a sidewalk in such a manner that the bicycle impedes the lawful movement of pedestrians or other traffic.

(3) An individual may park a bicycle on a highway or street at any location where parking is allowed for motor vehicles, may park at any angle to the curb or the edge of the highway, and may park abreast of another bicycle.

(4) An individual shall not park a bicycle on a highway or street in such a manner as to obstruct the movement of a legally parked motor vehicle.

(5) Except as otherwise provided in this section, an individual parking a bicycle on a highway or street shall do so in compliance with this act and any local ordinance.

257.661 Carrying package, bundle, or article on bicycle, electric personal assistive mobility device, moped, or motorcycle.

Sec. 661. A person operating a bicycle, electric personal assistive mobility device, moped, or motorcycle shall not carry any package, bundle, or article that prevents the driver from keeping both hands upon the handlebars of the vehicle.

257.661a Handlebars of motorcycle or moped.

Sec. 661a. A person shall not operate on a public highway of this state a motorcycle or moped equipped with handlebars that are higher than 15 inches from the lowest point of the undepressed saddle to the highest point of the handle grip of the operator.

257.662 Bicycles or electric personal assistive mobility device; equipment; violation as civil infraction.

Sec. 662. (1) A bicycle or an electric personal assistive mobility device being operated on a roadway between 1/2 hour after sunset and 1/2 hour before sunrise shall be equipped with a lamp on the front which shall emit a white light visible from a distance of at least 500 feet to the front and with a red reflector on the rear which shall be visible from all distances from 100 feet to 600 feet to the rear when directly in front of lawful lower beams of head lamps on a motor vehicle. A lamp emitting a red light visible from a distance of 500 feet to the rear may be used in addition to the red reflector.

(2) A bicycle shall be equipped with a brake which will enable the operator to make the braked wheels skid on dry, level, clean pavement.

(3) An electric personal assistive mobility device shall enable the operator to bring it to a controlled stop.

(4) A person shall not sell, offer for sale, or deliver for sale in this state a bicycle or a pedal for use on a bicycle, either of which was manufactured after January 1, 1976, unless it is equipped with a type of reflex reflector located on the front and rear surfaces of the pedal. The reflector elements may be either integral with the construction of the pedal or mechanically attached, but shall be sufficiently recessed from the edge of the pedal, or of the reflector housing, to prevent contact of the reflector element with a flat surface placed in contact with the edge of the pedal. The pedal reflectors shall be visible from the front and rear of the bicycle during the nighttime from a distance of 200 feet when viewed under lawful low beam motor vehicle head lamps under normal atmospheric conditions.

(5) A person shall not sell, offer for sale, or deliver for sale in this state a bicycle manufactured after January 1, 1976 or an electric personal assistive mobility device unless it is equipped with either tires which have reflective sidewalls or with wide-angle prismatic spoke reflectors. If the bicycle or the electric personal assistive mobility device is manufactured with reflective sidewalls, the reflective portion of the sidewall shall form a continuous circle on the sidewall, and may not be removed from the tire without removal of tire material. If the bicycle is equipped with wide-angle prismatic spoke reflectors, the reflectors of the front wheel shall be essentially colorless or amber, and the reflectors on the rear wheel shall be essentially colorless or red. Reflective sidewalls or spoke reflectors shall cause the bicycle to be visible from all distances from 100 feet to 600 feet when viewed under lawful low beam motor vehicle head lamps under normal atmospheric conditions.

(6) A person who violates subsection (1) or (2) is responsible for a civil infraction.

257.667 Stopping at railroad grade crossing; driving through, around, or under crossing gate or barrier; violation as civil infraction.

Sec. 667. (1) When a person driving a vehicle approaches a railroad grade crossing under any of the following circumstances, the driver shall stop the vehicle not more than 50 feet but not less than 15 feet from the nearest rail of the railroad, and shall not proceed until the driver can do so safely:

(a) A clearly visible electric or mechanical signal device gives warning of the immediate approach of a railroad train.

(b) A crossing gate is lowered or a flagman gives or continues to give a signal of the approach or passage of a railroad train.

(c) A railroad train approaching within approximately 1,500 feet of the highway crossing gives a signal audible from that distance, and the train by reason of its speed or nearness to the crossing is an immediate hazard.

(d) An approaching railroad train is plainly visible and is in hazardous proximity to the crossing.

(2) A person shall not drive a vehicle through, around, or under a crossing gate or barrier at a railroad crossing while the gate or barrier is closed or is being opened or closed or against the direction of a police officer.

(3) A person who violates this section is responsible for a civil infraction.

257.667a Installation and use of unmanned traffic monitoring devices at railroad grade crossing; civil infraction; evidence; diagnostic study team review required where fatality at public railroad grade crossing; exception.

Sec. 667a. (1) The department of state police or the state transportation department; the county board of commissioners, board of county road commissioners, or county sheriff; or other local authority having jurisdiction over a highway or street may authorize the installation and use of unmanned traffic monitoring devices at a railroad grade crossing with flashing signals and gates on a highway or street under their respective jurisdictions. Each device shall be sufficiently marked or identified or a sign shall be placed at the approach to the crossing indicating that the crossing is monitored by an unmanned traffic monitoring device.

(2) Beginning 31 days after the installation of an unmanned traffic monitoring device at a railroad grade crossing described in subsection (1), a person is responsible for a civil infraction as provided in section 667 if the person violates a provision of that section on the basis of evidence obtained from an unmanned traffic monitoring device. However, for the first 30 days after the installation of an unmanned traffic monitoring device, a person shall be issued a written warning only. It is an affirmative defense to a charge of violating section 667 that the mechanical warning devices at the crossing were malfunctioning.

(3) A sworn statement of a police officer from the state or local authority having jurisdiction over the highway or street upon which the railroad grade crossing described in subsection (1) is located, based upon inspection of photographs, microphotographs, videotape, or other recorded images produced by an unmanned traffic monitoring device, is prima facie evidence of the facts contained therein. Any photographs, microphotographs, videotape, or other recorded images indicating such a violation shall be available for inspection in any proceeding to adjudicate the responsibility for a violation of section 667. Any photographs, videotape, or digital images of the violation shall be destroyed 90 days after final disposition of the citation.

(4) In a prosecution for a violation of section 667 established by an unmanned traffic monitoring device under this section, prima facie evidence that the vehicle described in the citation issued was operated in violation of section 667, together with proof that the defendant was at the time of the violation the registered owner of the vehicle, shall constitute in evidence a rebuttable presumption that the registered owner of the vehicle was the person who committed the violation. The presumption is rebutted if the registered owner of the vehicle files an affidavit by regular mail with the clerk of the court that he or she was not the operator of the vehicle at the time of the alleged violation or testifies in open court under oath that he or she was not the operator of the vehicle at the time of the alleged violation. The presumption also is rebutted if a certified copy of a police report, showing that the vehicle had been reported to the police as stolen before the time of the
alleged violation of this section, is presented before the appearance date established on the citation. For purposes of this subsection, the owner of a leased or rental vehicle shall provide the name and address of the person to whom the vehicle was leased or rented at the time of the violation.

(5) Notwithstanding section 742, a citation for a violation of section 667 on the basis of evidence obtained from an unmanned traffic monitoring device may be executed by mailing by first-class mail a copy to the address of the owner of the vehicle as shown on the records of the secretary of state. If the summoned person fails to appear on the date of return set out in the citation previously mailed by first-class mail under this subsection, a copy shall be sent by certified mail-return receipt requested. If the summoned person fails to appear on either of the dates of return set out in the copies of the citation mailed under this section, the citation shall be executed in the manner provided by law for personal service. The court may issue a warrant for the arrest of a person who fails to appear within the time limit established on the citation if a sworn complaint is filed with the court for that purpose.

(6) If there is a fatality resulting from a train-vehicle crash at a public railroad grade crossing, the state transportation department shall convene a diagnostic study team review, if there has not been a diagnostic study team review at the crossing in the last 2 years. However, a diagnostic study team review is not required if the initial law enforcement investigation of the fatality indicates that the motorist’s consumption of alcohol or a controlled substance or his or her disregard of an existing traffic control device conveying a “stop” message contributed to the fatality, or that the fatality was a suicide. The diagnostic study team review shall be conducted within 120 days after the state transportation department is made aware of the fatality. If the diagnostic study team review reaches consensus that warning device enhancements are needed, the state transportation department shall order those improvements. The cost for the improvements shall be financed consistent with the financing of similar projects by the state transportation department according to its annual prioritization of grade crossing safety improvements.

257.668 Designating certain grade crossings as “stop” crossings or “yield” crossings; signs; duties of driver; cost of yield sign installations; action for negligence; failure to stop or yield as civil infraction.

Sec. 668. (1) The state transportation department with respect to highways under its jurisdiction, the county road commissions, and local authorities with reference to highways under their jurisdiction, may designate certain grade crossings of railways by highways as “stop” crossings, and erect signs at the crossings notifying drivers of vehicles upon the highway to come to a complete stop before crossing the railway tracks. When a crossing is so designated and signposted, the driver of a vehicle shall stop not more than 50 feet but not less than 15 feet from the railway tracks. The driver shall then traverse the crossing when it may be done in safety.

(2) The state transportation department with respect to highways under its jurisdiction, the county road commissions, and local authorities with reference to highways under their jurisdiction, may designate certain grade crossings of railways by highways as “yield” crossings, and erect signs at the crossings notifying drivers of vehicles upon the highway to yield. Yield signs may be mounted on the same post as is the crossbuck sign. Drivers of vehicles approaching a yield sign at the grade crossing of a railway shall maintain a reasonable speed based upon existing conditions and shall yield the right-of-way. The cost of yield sign installations shall be borne equally by the railroad and the governmental authority under whose jurisdiction the highway rests. The erection of or failure to erect, replace, or maintain a stop or yield sign or other railroad warning device, unless such devices or signs were ordered by public authority, shall not be a basis for an action of negligence against the state transportation department, county road commissions, the railroads, or local authorities.

(3) A person who fails to stop or yield as required by this section is responsible for a civil infraction.

257.669 Certain vehicles to stop at railroad track grade crossing; driver to listen and look in both directions; shifting gears prohibited; exceptions; violation as civil infraction.

Sec. 669. (1) Except as provided in subsections (2), (3), and (4), the driver of a motor vehicle transporting 16 or more passengers including the driver, a motor vehicle carrying passengers for hire, or a motor vehicle that is required to be marked or placarded under 49 C.F.R. parts 100 to 180 before crossing a railroad track at grade, shall activate the vehicle hazard warning lights and stop the vehicle within 50 feet but not less than 15 feet from the nearest rail. While stopped, the driver shall listen and look in both directions along the track for an approaching train and for signals indicating the approach of a train, and shall not proceed until the driver can do so safely. After stopping as required in this subsection, and upon proceeding when it is safe to do so,
the driver of the vehicle shall cross only in a gear of the vehicle that does not require changing gears while traversing the crossing. The driver shall not shift gears while crossing the track or tracks.

(2) A stop need not be made at a railroad track grade crossing where a police officer or a traffic-control signal directs traffic to proceed.

(3) A stop need not be made at an abandoned railroad track grade crossing. As used in this subsection, “abandoned railroad track” means a railroad track which meets all of the following requirements:

(i) The track has been abandoned pursuant to federal law.
(ii) The track has been covered or removed.
(iii) All signs, signals, and other warning devices are removed.

(4) A stop shall not be made at an industrial or spur line railroad grade crossing marked with a sign reading “exempt”. Exempt signs may be erected only by or with the consent of the state transportation department after notice to and an opportunity to be heard by all railroads operating over that industrial or spur line.

(5) A person who violates this section is responsible for a civil infraction.

257.669a Federal motor carrier safety regulations; adoption; transportation of persons and property over railroad-highway grade crossings.

Sec. 669a. (1) This state adopts motor carrier safety regulations 49 C.F.R. 392.10 and 392.11 on file with the office of the secretary of state, to provide for the safe transportation of persons and property over railroad-highway grade crossings with the intent of following the policies and procedures of the United States department of transportation’s federal motor carrier safety administration as they relate to title 49 of the code of federal regulations. For purposes of this subsection, “commercial motor vehicle” means that term as defined in section 7a.

(2) The driver of a commercial motor vehicle shall comply with a lawful order or direction of a police officer guiding, directing, controlling, or regulating traffic at a railroad-highway grade crossing.

(3) The driver of a commercial motor vehicle shall not cross a railroad-highway grade crossing unless the vehicle has sufficient undercarriage clearance.

(4) The driver of a commercial motor vehicle shall not cross a railroad-highway grade crossing unless the vehicle can be driven completely through the crossing without stopping.

(5) A person who violates this section is responsible for a civil infraction.

257.670 Operating or moving certain vehicles or equipment upon or across steam railroad tracks at grade level; notice of intended crossing; stopping, listening, and looking; warning; violation as civil infraction.

Sec. 670. (1) A person shall not operate or move a caterpillar tractor, shovel, derrick, roller, boiler, machinery, or other structure or object upon rollers, or other equipment or structure, which, because of its limited power, or weight, character, or load, has a normal operating speed of 4 miles per hour or less, or which has a vertical load or body clearance of less than 9 inches above the level surface of the roadway, upon or across the tracks of a railroad at grade level without first complying with this section, except this section shall not apply to the movement of electrically propelled cars on fixed rails or to their loads.

(2) Notice of the intended crossing described in subsection (1) shall be given to the nearest agent or officer of the railroad in time to afford protection to its locomotives, trains, or cars at the crossing.

(3) Before making the crossing, the person operating or moving the vehicle or equipment shall first stop not less than 15 feet or more than 50 feet from the nearest rail of the track and while stopped shall listen and look in both directions along the track for an approaching train and for signals indicating the approach of a train, and shall not proceed until the crossing can be made safely.

(4) A crossing shall not be made when warning is given by automatic signal or crossing gates or a flagman or otherwise of the immediate approach of a railroad train or car.

(5) A person who violates this section is responsible for a civil infraction.

257.671 Designation of through highways; designation of stop, yield, or merge intersections; stop, yield, or merge signs; violation as civil infraction.

Sec. 671. (1) The state highway commission with respect to highways under its jurisdiction, the county road commission, and local authorities with reference to other highways under their jurisdiction, subject to the
approval of the state highway commission if a state trunk line highway, may designate through highways and erect stop, yield, or merge signs at specified entrances thereto or may designate any intersection as a stop, yield, or merge intersection and erect like signs at 1 or more entrances to the intersections.

(2) Every stop, yield, or merge sign shall be reflectorized or illuminated at night. Every stop, yield, or merge sign shall be located as near as practicable at the nearest line of the crosswalk thereat, or, if none, at the nearest line of the roadway.

(3) A person who fails to obey a stop, yield, or merge sign erected pursuant to this section is responsible for a civil infraction.

STOPPING, STANDING AND PARKING

257.672 Stopping, parking or leaving vehicle upon paved or main traveled part of highway or upon paved or unpaved part of limited access highway; violation as civil infraction.

Sec. 672. (1) Outside of the limits of a city or village, a vehicle shall not be stopped, parked, or left standing, attended or unattended, upon the paved or main traveled part of a highway, when it is possible to stop, park, or to leave the vehicle off the paved or main traveled part of the highway. Inside or outside of the limits of a city or village, a vehicle shall not be stopped, parked, or left standing, attended or unattended, upon the paved or unpaved part of a limited access highway, except in an emergency or mechanical difficulty. (2) A local authority may by ordinance permit parking of a vehicle on a 1-way roadway with the vehicle's left wheels adjacent to and within 12 inches of any curb existing at the left of the vehicle.

(4) The state transportation commission with respect to state trunk line highways and the board of county road commissioners with respect to county roads, acting jointly with the director of the department of state police, may place signs prohibiting or restricting the stopping, standing, or parking of vehicles on a highway where in the opinion of the officials as determined by an engineering survey, the stopping, standing, or parking is dangerous to those using the highway or where the stopping, standing, or parking of vehicles would unduly interfere with the free movement of traffic on the highway or street. The signs shall be official signs and a person shall not stop, stand, or park a vehicle in violation of the restrictions stated on the signs. The signs shall be installed only after a proper traffic order is filed with the county clerk. Upon the application to the state transportation commission by a home rule city affected by an order, opportunity shall be given to the city for a hearing before the state transportation commission, pursuant to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, except when an ordinance of the home rule city prohibits or restricts the parking of vehicles on a state trunk line highway; when the home rule city, by lawfully authorized official action, requests the state transportation department to prohibit or restrict parking on a state trunk line highway; or when the home rule city enters into a construction agreement with the state transportation department providing for the prohibition or restriction of parking on a state trunk line highway during or after the period of construction. Traffic control orders, so long as they affect parking upon a state trunk line highway within the corporate limits of a home rule city, are considered “rules” within the meaning of the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, and upon application for a hearing by a home rule city, the proceedings before the state transportation commission shall be considered a “contested case” within the meaning of that act.

(5) A disabled person may apply, on a form prescribed by the secretary of state, for a serially numbered nontransferable temporary or permanent windshield placard for the personal use of the disabled person. An individual who has a religious objection to having a medical examination may personally apply at a branch office of the secretary of state for a serially numbered nontransferable temporary or permanent windshield placard for the personal use of the disabled individual. If it appears obvious that the individual has a qualifying disability, the individual shall not be required to present a medical statement attesting to the disability. The application for and the issuance of the serially numbered nontransferable temporary or permanent windshield placard is subject to all of the following:

(a) The secretary of state may issue to a disabled person with a temporary disability a temporary windshield placard that is valid for a period of not more than 6 months.

(b) The secretary of state may issue to a disabled person with a permanent disability an original or renewal permanent windshield placard that is valid for at least 4 years.

(c) An original certificate of identification or permanent windshield placard shall expire on the disabled person’s fifth birthday after the date of issuance.

(d) A renewal permanent windshield placard shall expire on the disabled person’s fourth birthday after the date of renewal.

(e) A person holding a certificate of identification or permanent windshield placard at any time within 45 days before the expiration of his or her certificate or placard may make application for a new or renewal placard as provided for in this section. However, if the person will be out of state during the 45 days immediately preceding expiration of the certificate or placard or for other good cause shown cannot apply for a placard within the 45-day period, application for a new or renewal placard may be made not more than 6 months before expiration of the certificate or placard. A placard issued or renewed under this subdivision...
shall expire as provided for in this subsection.

(f) Upon application in the manner prescribed by the secretary of state for replacement of a lost, stolen, or destroyed certificate or placard described in this section, a disabled person or organization that provides specialized services to disabled persons may be issued a placard that in substance duplicates the original certificate or placard for a fee of $10.00.

(g) A certificate or placard described in this section may be used by a person other than the disabled person for the sole purpose of transporting the disabled person. An organization that provides specialized services to disabled persons may apply for and receive a permanent windshield placard to be used in any motor vehicle actually transporting a disabled person. If the organization ceases to transport disabled persons, the placard shall be returned to the secretary of state for cancellation and destruction.

(6) A disabled person with a certificate of identification, windshield placard, special registration plates issued under section 803d, a special registration plate issued under section 803f that has a tab for persons with disabilities attached, a certificate of identification or windshield placard from another state, or special registration plates from another state issued for persons with disabilities is entitled to courtesy in the parking of a vehicle. The courtesy shall relieve the disabled person or the person transporting the disabled person from liability for a violation with respect to parking, other than in violation of this act. A local authority may by ordinance prohibit parking on a street or highway to create a fire lane or to provide for the accommodation of heavy traffic during morning and afternoon rush hours, and the privileges extending to veterans and physically disabled persons under this subsection do not supersede that ordinance.

(7) Except as otherwise provided in subsection (24), an application for an initial free parking sticker shall contain a certification by a physician, physician assistant, or certified nurse practitioner licensed to practice in this state attesting to the nature and estimated duration of the applicant's disabling condition and verifying that the applicant qualifies for a free parking sticker. An individual who has a religious objection to having a medical examination may personally apply at a branch office of the secretary of state for an initial free parking sticker. If it appears obvious that the individual is unable to do 1 or more of the acts listed in subdivisions (a) to (d), the individual shall not be required to present a certification by a physician, a physician assistant, or a certified nurse practitioner attesting to the nature and estimated duration of the applicant's disabling condition or verifying that the applicant qualifies for a free parking sticker. The applicant qualifies for a free parking sticker if the applicant is a licensed driver and the physician, physician assistant, or certified nurse practitioner certifies or, if an individual is not required to have a certification by a physician, a physician assistant, or a certified nurse practitioner, it is obvious that the applicant is unable to do 1 or more of the following:

(a) Manage, manipulate, or insert coins, or obtain tickets or tokens in parking meters or ticket machines in parking lots or parking structures, due to the lack of fine motor control of both hands.

(b) Reach above his or her head to a height of 42 inches from the ground, due to a lack of finger, hand, or upper extremity strength or mobility.

(c) Approach a parking meter due to his or her use of a wheelchair or other device.

(d) Walk more than 20 feet due to an orthopedic, neurological, cardiovascular, or lung condition in which the degree of debilitation is so severe that it almost completely impedes the ability to walk.

(b) A valid certificate of identification issued before October 1, 1994.

(c) A valid windshield placard issued by another state.

(d) A certificate of identification issued by another state.

(e) A license plate for persons with disabilities issued by another state.

(f) A special registration plate with a tab for persons with disabilities attached issued by another state.

(g) A vehicle that does not properly display 1 of the items listed in subsection (8) is not entitled to free parking in a metered parking space or in a publicly owned parking area or structure, and the disabled person or vehicle operator shall pay all parking fees and may be responsible for a civil infraction.

(10) Blindness that is not accompanied by an incapacity described in subsection (7) does not entitle a person to a free parking sticker.

(11) The secretary of state shall attach a free parking sticker, in contrasting colors, to the windshield placard of a person certified as having an incapacity described in subsection (7).

(12) A windshield placard issued under this section shall be displayed on the interior rearview mirror of the vehicle or, if there is no interior rearview mirror, on the lower left corner of the dashboard while the vehicle is parked or being parked by a disabled person pursuant to this section.

(13) A certificate of identification issued before February 11, 1992 shall be displayed on the lower left
corner of the dashboard of the parked vehicle.

(14) Upon conviction of an offense involving a violation of the special privileges conferred upon a holder of a certificate of identification, windshield placard, or free parking sticker, a magistrate or judge trying the case, as a part of any penalty imposed, may confiscate the serially numbered certificate of identification, windshield placard, or free parking sticker from a judge or magistrate, the secretary of state shall cancel and destroy the certificate, placard, or sticker, and the disabled person to whom it was issued shall not receive another certificate, placard, or sticker until he or she submits a completed application and presents a current medical statement attesting to his or her condition. A law enforcement officer who observes a misuse of a certificate of identification, windshield placard, or free parking sticker may immediately confiscate the certificate, placard, or sticker and forward it with a copy of his or her report to the secretary of state.

(15) A person who intentionally makes a false statement of material fact or commits or attempts to commit a deception or fraud on a medical statement attesting to a disability, submitted in support of an application for a certificate of identification, windshield placard, free parking sticker, special registration plate, or tab for persons with disabilities under this section, section 803d, or section 803f, is guilty of a misdemeanor, punishable by a fine of not more than $500.00 or imprisonment for not more than 30 days, or both.

(16) A person who commits or attempts to commit a deception or fraud by 1 or more of the following methods is guilty of a misdemeanor punishable by a fine of not more than $500.00 or imprisonment for not more than 30 days, or both:

(a) Using a certificate of identification, windshield placard, or free parking sticker issued under this section or by another state to provide transportation to a disabled person, when the person is not providing transportation to a disabled person.

(b) Altering, modifying, or selling a certificate of identification, windshield placard, or free parking sticker issued under this section or by another state.

(c) Copying or forging a certificate of identification, windshield placard, or free parking sticker described in this section or selling a copied or forged certificate, placard, or sticker described in this section. In the case of a violation of this subdivision, the fine described in this subsection shall be not less than $250.00.

(d) Using a copied or forged certificate of identification, windshield placard, or free parking sticker described in this section.

(e) Making a false statement of material fact to obtain or assist an individual in obtaining a certificate, placard, or sticker described in this section, a special registration plate under section 803d, or a tab for persons with disabilities under section 803f.

(f) Knowingly using or displaying a certificate, placard, or sticker described in this section that has been canceled by the secretary of state.

(17) Except as otherwise provided in this section, a person who violates this section is responsible for a civil infraction.

(18) A certificate of identification issued before October 1, 1994 and containing an expiration date is valid for free parking in a space controlled or regulated by a meter on a public highway or in a publicly owned parking area or structure when the time for parking indicated on the meter has expired, or in a parking space clearly identified by an official sign as being reserved for use by disabled persons that is on public property or private property available for public use, until the expiration date printed on the certificate. The certificate expires and shall be canceled on its expiration date.

(19) A certificate of identification issued before October 1, 1994 that does not contain an expiration date shall be canceled and expired on October 1, 1994.

(20) A certificate of identification shall not be issued or renewed by the secretary of state after October 1, 1994.

(21) The secretary of state may cancel, revoke, or suspend a windshield placard, free parking sticker, or certificate of identification under any of the following circumstances:

(a) The secretary of state determines that a windshield placard, free parking sticker, or certificate of identification was fraudulently or erroneously issued.

(b) The secretary of state determines that a person has made or is making an unlawful use of his or her windshield placard, free parking sticker, or certificate of identification.

(c) The secretary of state determines that a check or draft used to pay the required fee is not paid on its first presentation and is not paid upon reasonable notice or demand or that the required fee is paid by an invalid credit card.

(d) The secretary of state determines that the person is no longer eligible to receive or use a windshield placard, free parking sticker, or certificate of identification.
(e) The secretary of state determines that the owner has committed an offense under this act involving a windshield placard, free parking sticker, or certificate of identification.

(f) A person has violated this act and the secretary of state is authorized under this act to cancel, revoke, or suspend a windshield placard, free parking sticker, or certificate of identification for that violation.

(g) The secretary of state receives notice from another state or foreign country that a windshield placard, free parking sticker, or certificate of identification issued by the secretary of state has been surrendered by the owner or seized in conformity with the laws of that other state or foreign country, or has been improperly used or displayed in violation of the laws of that other state or foreign country.

(22) Before a cancellation, revocation, or suspension under subsection (21), the person affected thereby shall be given notice and an opportunity to be heard.

(23) A windshield placard issued to a disabled person shall bear the first letter and the last 3 digits of the disabled person's driver's or chauffeur's license number or the first letter and the last 4 digits of the number on his or her official state personal identification card issued under 1972 PA 222, MCL 28.291 to 28.300.

(24) For purposes of this section only, the secretary of state may accept an application for a windshield placard, special registration plate, or free parking sticker from a disabled person that is signed by a physician, physician assistant, or certified nurse practitioner licensed or certified to practice in another state if the application is accompanied by a copy of that physician's, physician assistant's, or certified nurse practitioner's current medical license or certification issued by that state.

### 257.675a Unlawful standing or parked vehicle; proof; presumption.

Sec. 675a. Except as provided in section 675b involving leased vehicles, in a proceeding for a violation of a local ordinance or state statute relating to a standing or parked vehicle, proof that the particular vehicle described in the citation, complaint, or warrant was parked in violation of the ordinance or state statute, together with proof from the secretary of state that the defendant named in the citation, complaint, or warrant was at the time of the violation the vehicle's registered owner, creates in evidence a presumption that the vehicle's registered owner was the person who parked or placed the vehicle at the point where and at the time that the violation occurred.

### 257.675b Unlawful standing or parked leased or rented motor vehicle; liability proof; information to be provided by owner; definitions.

Sec. 675b. (1) The lessee or renter of a motor vehicle and not the leased vehicle owner is liable for a violation of a local ordinance or state statute relating to a standing or parked vehicle involving the motor vehicle if the leased vehicle owner furnishes proof that the vehicle described in the citation, complaint, warrant, or notice was in the possession of, custody of, or was being operated or used by the lessee or renter of the vehicle at the time of the violation.

(2) If a leased vehicle is leased or rented for 30 days or less, the leased vehicle owner may avoid liability for a violation described in subsection (1) if the leased vehicle owner provides all of the following information to the clerk of the court or parking violations bureau issuing the violation not later than 30 days after the leased vehicle owner has received notice of the violation:

(a) The lessee's or renter's name, address, and operator's or chauffeur's license number.

(b) A copy of the signed rental or lease agreement or an expedited rental agreement without signature as part of a master rental agreement, including proof of the date and time the possession of the vehicle was given to the lessee or renter and the date and time the vehicle was returned to the leased vehicle owner or the leased vehicle owner's authorized agent under the agreement.
(3) If a leased vehicle is leased or rented for 30 days or less, the leased vehicle owner is liable for a violation of a local ordinance or state statute relating to a standing or parked vehicle if 1 or more of the following occur:
(a) The leased vehicle owner does not provide the information described in subsection (2) within the 30-day period specified in that subsection.
(b) The court or parking violations bureau issuing the violation proceeds against the lessee or renter of the vehicle and the lessee or renter of the vehicle is not convicted of or found responsible for the violation.
(4) As used in this section:
(a) “Affiliate” means a person that directly or indirectly through 1 or more intermediaries controls, is controlled by, or is under common control with another person.
(b) “Leased vehicle owner” means a person in the business of renting or leasing leased vehicles or an affiliate of the person, if the person or the affiliate is the registered owner of a standing or parked leased vehicle involved in a violation of a local ordinance or state statute.

257.675c Stopping, standing, or parking violations; registered owner as person prima facie responsible for violation; affirmative defense; civil action; written indemnification agreement; applicability of subsection (3) to leased vehicle; issuing citation to operator.
Sec. 675c. (1) Except as provided in section 675b, if a vehicle is stopped, standing, or parked in violation of section 672, 674, 674a, 675, or 676, or other state statute, or a local ordinance prohibiting or restricting the stopping, standing, or parking of a vehicle and the violation is a civil infraction, the person in whose name that vehicle is registered in this state or another state at the time of the violation is prima facie responsible for that violation and subject to section 907.
(2) The owner of a vehicle cited for a stopping, standing, or parking violation pursuant to subsection (1) may assert as an affirmative defense that the vehicle in question, at the time of the violation, was in the possession of a person whom the owner had not knowingly permitted to operate the vehicle.
(3) The registered owner of a vehicle who is found to be responsible for a civil infraction as the result of subsection (1) or a leased vehicle owner as defined in section 675b that is found to be responsible for a civil infraction described in section 675b has the right to recover in a civil action against the person who parked, stopped, or left standing the vehicle in question damages including, but not limited to, the amount of any civil fine or costs, or both, imposed pursuant to section 907. The registered owner of a vehicle or the leased vehicle owner may provide in a written agreement that the person who parked, stopped, or left standing the vehicle in violation of a state statute or local ordinance, when the violation is a civil infraction, shall indemnify the registered owner or the leased vehicle owner for the damages incurred including, but not limited to, any civil fine and costs imposed upon the registered owner for that civil infraction. With regard to a leased vehicle, this subsection does not apply if the court or parking violations bureau issuing the violation finds that the lessee or renter of the vehicle is not responsible for the violation and it is determined that the lessee or renter did not violate the terms of the rental contract or lease agreement.
(4) A police officer who issues a citation for a vehicle that is stopped, standing, or parked in violation of a state statute or a local ordinance prohibiting or restricting the stopping, standing, or parking of a vehicle may issue the citation for the violation to the operator of the vehicle if the operator is present at the time of the violation.

(2) A motor vehicle may be equipped with not more than 1 running board courtesy lamp on each side which shall emit a white or amber light without glare.

(3) Backing lights of red, amber, or white may be mounted on the rear of a motor vehicle if the switch controlling the light is so arranged that the light may be turned on only if the vehicle is in reverse gear. The backing lights when unlighted shall be covered or otherwise arranged so as not to reflect objectionable glare in the eyes of a driver of a vehicle approaching from the rear.

(4) Unless both covered and unlit, a vehicle driven on the highways of this state shall not be equipped with a lamp or a part designed to be a reflector unless expressly required or permitted by this chapter or that meets the standards prescribed in 49 C.F.R. 571.108. A lamp or a part designed to be a reflector, if visible from the front, shall display or reflect a white or amber light; if visible from either side, shall display or reflect an amber or red light; and if visible from the rear, shall display or reflect a red light, except as otherwise provided by law.

(5) The use or possession of flashing, oscillating, or rotating lights of any color is prohibited except as otherwise provided by law, or under the following circumstances:

Sec. 697a. Any vehicle may be equipped with flashing, rotating, or oscillating amber lights. However, a wrecker may be equipped with flashing, rotating, or oscillating red lights which shall be activated only when the wrecker is engaged in removing or assisting a vehicle at the scene of a traffic accident or disablement. The flashing, rotating, or oscillating amber lights shall not be activated except in those circumstances that the warning produced by the lights is required for public safety.

(g) A vehicle engaged in leading or escorting a funeral procession or any vehicle that is part of a funeral procession may be equipped with flashing, rotating, or oscillating purple or amber lights which shall not be activated except during a funeral procession.

(h) An authorized emergency vehicle may display flashing, rotating, or oscillating white lights in conjunction with an authorized emergency light as prescribed in this section.

(i) A private motor vehicle of a physician responding to an emergency call may be equipped with and the physician may use flashing, rotating, or oscillating red lights mounted on the roof section of the vehicle either as a permanent installation or by means of magnets or suction cups and clearly visible in a 360 degree arc from a distance of 500 feet when in use. The physician shall first obtain written authorization from the county sheriff.

(j) A public transit vehicle may be equipped with a flashing, oscillating, or rotating light mounted on the roof of the vehicle approximately 6 feet from the rear of the vehicle which displays a white light to the front, side, and rear of the vehicle, which light may be actuated by the driver for use only in inclement weather such as fog, rain, or snow, when boarding or discharging passengers, from 1/2 hour before sunset until 1/2 hour after sunrise, or where conditions hinder the visibility of the public transit vehicle. (k) A person engaged in the manufacture, sale, or repair of flashing, rotating, or oscillating lights governed by this subsection may possess the lights for the purpose of employment, but shall not activate the lights upon the highway unless authorized to do so under subsection (6).

(6) A person shall not sell, loan, or otherwise furnish a flashing, rotating, or oscillating blue or red light designed primarily for installation on an authorized emergency vehicle to a person except a police officer, sheriff, deputy sheriff, authorized physician, volunteer or paid fire fighter, volunteer ambulance driver, licensed ambulance driver or attendant of the state, a county or municipality within the state, a person engaged in the business of operating an ambulance or wrecker service, or a federally recognized nonprofit charitable organization which owns and operates an emergency support vehicle used exclusively for emergencies. This subsection does not prohibit an authorized vehicle, equipped with flashing, rotating, or oscillating blue or red lights, from being operated by a person other than a person described in this section if the person receives authorization to operate the emergency vehicle from a police officer, sheriff, deputy sheriff, authorized physician, volunteer or paid fire fighter, volunteer ambulance driver, licensed ambulance driver or attendant, a person operating an ambulance or wrecker service, or a federally recognized nonprofit charitable organization which owns and operates an emergency support vehicle used exclusively for emergencies, except that the authorization shall not permit the person to operate lights as described in subsection (5)(a), (b), (c), (i), or (j), or to exercise the privileges described in section 603. A person who operates an authorized emergency vehicle in violation of the terms of an authorization is guilty of a misdemeanor.

(9) A person who violates subsection (1), (2), (3), or (4) is responsible for a civil infraction.

257.698a Vehicular traffic hazard; front and rear warning lamps.

Sec. 698a. Any vehicle may be equipped with lamps which may be used for the purpose of warning the operators of other vehicles of the presence of a vehicular traffic hazard requiring the exercise of unusual care.
in approaching, overtaking or passing, and when so equipped may display such warning in addition to any other warning signals required by this act. The lamps used to display such warning to the front shall be mounted at the same level and as widely spaced laterally as practicable, and shall display simultaneously flashing white or amber lights, or any shade of color between white and amber. The lamps used to display such warning to the rear shall be mounted at the same level and as widely spaced laterally as practicable, and shall show simultaneously flashing amber or red lights, or any shade of color between amber and red. These warning lights shall be visible from a distance of not less than 500 feet under normal atmospheric conditions at night.

### 257.699 Multiple beam road lighting equipment; requirements and limitations.

Sec. 699. Except as hereinafter provided, the head lamps, or the auxiliary driving lamps, or combinations thereof, on motor vehicles shall be so arranged that selection may be made between distributions of light projected to different elevations, subject to the following requirements and limitations:

(a) Head lamps shall in all cases emit a white light. Auxiliary lamps may emit either a white or amber light.

(b) There shall be an uppermost distribution of light, or composite beam, so aimed and of an intensity as to reveal persons and vehicles at a distance of at least 350 feet ahead for all conditions of loading.

(c) There shall be a lowermost distribution of light, or composite beam, so aimed and of sufficient intensity to reveal persons and vehicles at a distance of at least 100 feet ahead; and under any condition of loading none of the high intensity portion of the beam shall be directed to strike the eyes of an approaching driver.

(d) Every new motor vehicle except motorcycles and mopeds registered in this state which has multiple beam road lighting equipment shall be equipped with a beam indicator, which shall be lighted when the uppermost distribution of light from the head lamps is in use and shall not otherwise be lighted. The indicator shall be so designed and located that when lighted it will be readily visible without glare to the driver of the vehicle so equipped.

### 257.700 Multiple-beam road lighting equipment; oncoming traffic; intensity.

Sec. 700. (a) Whenever a motor vehicle is being operated on a highway or shoulder adjacent thereto during the times specified in section 684, the driver shall use a distribution of light, or composite beam, directed high enough and of sufficient intensity to reveal persons and vehicles at a safe distance in advance of the vehicle, subject to the following requirements and limitations:

(b) Whenever the driver of a vehicle approaches an oncoming vehicle within 500 feet, such driver shall use a distribution of light or composite beam so aimed that the glaring rays are not projected into the eyes of the oncoming driver.

The lowermost distribution of light, specified in section 699 paragraph (c), shall be deemed to avoid glare at all times regardless of road contour and loading.

### 257.701 Single-beam road-lighting equipment; intensity.

Sec. 701. Head lamps arranged to provide a single distribution of light not supplemented by auxiliary driving lamps shall be permitted on motor vehicles manufactured and sold prior to the effective date of this act in lieu of multiple-beam road-lighting equipment herein specified if the single distribution of light complies with the following requirements and limitations:

1. The head lamps shall be so aimed that when the vehicle is not loaded none of the high-intensity portion of the light shall at a distance of 25 feet ahead project higher than a level of 5 inches below the level of the center of the lamp from which it comes, and in no case higher than 42 inches above the level on which the vehicle stands at a distance of 75 feet ahead.

2. The intensity shall be sufficient to reveal persons and vehicles at a distance of at least 200 feet.

### 257.702 Head lamps on mopeds; single beam or multiple beam type; requirements and limitations.

Sec. 702. The head lamp or head lamps upon every moped may be of the single beam or multiple beam type, but in either event shall comply with the requirements and limitations as follows:

1. Every head lamp or head lamps on a moped shall be of sufficient intensity to reveal a person or a vehicle at a distance of not less than 100 feet.

2. If the moped is equipped with a multiple beam head lamp or head lamps, the upper beam shall meet the...
minimum requirements set forth above and shall not exceed the limitations set forth in section 699(b) and the lowermost beam shall meet the requirements applicable to a lowermost distribution of light, as set forth in section 699(c).

(3) If the moped is equipped with a single beam lamp or lamps, the lamp or lamps shall be so aimed that when the vehicle is loaded none of the high intensity portion of light, at a distance of 25 feet ahead, shall project higher than the level of the center of the lamp from which it comes.

257.703 Slow-moving vehicles; reduced lighting power.

Sec. 703. Any motor vehicle may be operated under the conditions specified in section 684 when equipped with 2 lighted lamps upon the front thereof capable of revealing persons and objects 75 feet ahead in lieu of lamps required in section 699 or section 701: Provided, however, That at no time shall it be operated at a speed in excess of 20 miles per hour.

257.704 Special restriction as to direction of certain lights.

Sec. 704. Any lighted lamp or illuminating device upon a motor vehicle other than head lamps, spot lamps, auxiliary lamps, or flashing front direction signals which projects a beam of light of an intensity greater than 300 candlepower shall be so directed that no part of the beam will strike the level of the roadway on which the vehicle stands at a distance of more than 75 feet from the vehicle.

257.705 Brakes.

Sec. 705. (1) Brake equipment shall be required as follows:

(a) A motor vehicle, other than a motorcycle or moped, and a low-speed vehicle when operated upon a highway shall be equipped with brakes adequate to control the movement of and to stop and hold the vehicle, including 2 separate means of applying the brakes, each of which means shall be effective to apply the brakes to at least 2 wheels. If these 2 separate means of applying the brakes are connected in any way, they shall be constructed in a way that failure of 1 part of the operating mechanism shall not leave the motor vehicle without brakes on at least 2 wheels.

(b) A motorcycle or moped when operated upon a highway shall be equipped with at least 2 brakes, 1 on the front wheel and 1 on the rear wheel, which may be operated by hand or foot.

(c) A trailer or semitrailer of a gross weight of 15,001 pounds or more when operated upon a highway shall be equipped with brakes operating on all wheels and designed to be applied by the driver of the towing motor vehicle from its cab.

(d) A new motor vehicle, trailer, or semitrailer sold in this state and operated upon the highways shall be equipped with brakes on all wheels, except a motorcycle or moped, and except that a semitrailer, pole trailer, or trailer of less than 3,000 pounds gross weight need not be equipped with brakes if the gross weight of a trailer or pole trailer, no part of the load of which rests upon the towing vehicle, does not exceed 40% of the gross weight of the towing vehicle, and if the gross weight of the towing vehicle and the gross weight of a semitrailer or pole trailer, part of the load of which rests upon the towing vehicle, does not exceed 40% of the gross weight of the towing vehicle when connected to the semitrailer or pole trailer. This subdivision shall not apply to a trailer or semitrailer owned by a farmer and used exclusively in connection with the farming operations of the farmer and not used for hire.

(e) Every bus, school bus, truck, or truck tractor shall be equipped with brakes operating on all wheels, except that a truck or truck tractor that has 3 or more axles need not have brakes on the front wheels if the vehicle was manufactured before July 25, 1980.

(f) In any combination of motor driven vehicles, means shall be provided for applying the rearmost trailer brakes, for a trailer equipped with brakes, in approximate synchronism with the brakes on the towing vehicle and developing the required braking effort on the rearmost wheels at the fastest rate; or means shall be provided for applying braking effort first on the rearmost trailer equipped with brakes; or both of the above means capable of being used alternatively may be employed.

(g) A motor vehicle and combination of vehicles, except pole trailers, motorcycles, and mopeds, shall be equipped with parking brakes adequate to hold the vehicle on any grade on which it is operated, under all conditions of loading on a surface free from snow, ice, or loose material. The parking brakes shall be capable of being applied in conformance with the foregoing requirements by the driver's muscular effort or by spring action or by equivalent means. Their operation may be assisted by the service brakes or other source of power if failure of the service brake actuation system or other power assisting mechanism will not prevent the
parking brakes from being applied in conformance with the foregoing requirements. The parking brakes shall be designed in a manner that when once applied they shall remain applied with the required effectiveness despite exhaustion of any source of energy or leakage of any kind. The same brake drums, brake shoes, and lining assemblies, brake shoe anchors, and mechanical brake shoe actuation mechanism normally associated with the wheel brake assemblies may be used for both the service brakes and the parking brakes. If the means of applying the parking brakes and the service brakes are connected in any way, they shall be constructed in a manner that failure of 1 part shall not leave the vehicle without operative brakes.

(h) The brake shoes operating within or upon the drums of the vehicle wheels of a motor vehicle may be used for both service and hand operation.

(2) A motor vehicle or combination of motor-drawn vehicles shall be capable at all times and under all conditions of loading, of being stopped on a dry, smooth, level road free from loose material within the distances specified in this subsection, or shall be capable of being decelerated at a sustained rate corresponding to these distances upon initial application of the service (foot) brake.

(3) Subsection (2) does not apply to a combination of motor-drawn vehicles under all of the following circumstances:

(a) The drawn vehicle is an implement of husbandry as defined in section 21.

(b) The motor vehicle hauling the implement of husbandry does not exceed a maximum speed of 25 miles per hour if the implement of husbandry being drawn is not equipped with brakes that meet the standards set forth in 49 C.F.R. 393.40 and this act.

(c) If the implement of husbandry being drawn does not exceed any other implement or component design maximum speed limitation, the combination of vehicles shall not exceed that maximum speed limitation.

(4) All brakes shall be maintained in good working order and shall be adjusted in a manner as to operate as equally as practicable with respect to the wheels on the opposite side of the vehicle.

Compiler’s note: In subsection (2), the second column heading that reads “Deceleration in feet per second” evidently should read “Deceleration in feet per second per second.”

The driver of a motor vehicle shall when reasonably necessary to insure safe operation give audible warning with his horn but shall not otherwise use the horn when upon a highway.

(b) A vehicle shall not be equipped with nor shall a person use upon a vehicle a siren, whistle, or bell, except as otherwise permitted in this section.

(c) A commercial vehicle may be equipped with a theft alarm signal device which is so arranged that it cannot be used by the driver as an ordinary warning signal.

(d) An authorized emergency vehicle may be equipped with a siren, whistle, air horn, or bell capable of emitting sound audible under normal conditions from a distance of not less than 500 feet, but the siren shall not be used except when the vehicle is operated in response to an emergency call or in the immediate pursuit of an actual or suspected violator of the law. In those cases the driver of the vehicle shall sound the siren.
when necessary to warn pedestrians and other drivers of the approach of the vehicle.

(e) A motor vehicle licensed as an historic vehicle may be equipped with a siren, whistle, or bell which may be used when participating in a parade, exhibition, tour, or similar event.

(3) Except as otherwise provided in this subsection, a visual device permitted under subsection (2)(a) or (b) shall be built into the dashboard, center console, instrument panel, rearview mirror, or other control area of the vehicle and shall meet all applicable federal motor vehicle dash safety standards. An aftermarket visual device described in subsection (2)(a) or (b) may be installed or mounted on the windshield or above the
dashboard, but shall not be mounted within the deployment profile of the vehicle airbags or in a manner that interferes with the operator's view or control. This subsection does not apply to a research vehicle described in subsection (2)(c).

(4) Upon receipt of a completed application, on a form prescribed by the secretary of state, and payment of a fee of $10.00, the secretary of state may issue a special permit authorizing a research vehicle to use the highways of this state. A copy of the authority received by the applicant under subsection (2)(c) shall be submitted as part of the application for the special permit. The special permit may be in a form as prescribed by, and shall be displayed on a research vehicle in a manner determined by, the secretary of state. The special permit shall expire upon completion of or expiration of the specific test plan approved under subsection (2)(c), whichever occurs first, and shall be immediately removed from the research vehicle and destroyed. A special permit shall not be transferred to another vehicle or person. The fee collected under this subsection shall be credited to the Michigan transportation fund and used to defray the expenses of the secretary of state in administering the special permit program. In addition to a special permit, the appropriate vehicle registration plate shall be displayed on a research vehicle to use a highway of this state.

(5) A person who violates this section is responsible for a civil infraction.

257.709 Windshields and windows; prohibitions; rearview mirrors; exemptions; windshield wipers; exemptions; hot air windshield defroster or electrically heated windshield or other device; windshield washer; definitions.

Sec. 709. (1) A person shall not drive a motor vehicle with any of the following:

(a) A sign, poster, nontransparent material, window application, reflective film, or nonreflective film upon or in the front windshield, the side windows immediately adjacent to the driver or front passenger, or the sidewings adjacent to and forward of the driver or front passenger, except that a tinted film may be used along the top edge of the windshield and the side windows or sidewings immediately adjacent to the driver or front passenger if the material does not extend more than 4 inches from the top of the windshield, or lower than the shade band, whichever is closer to the top of the windshield.

(b) A rear window or side window to the rear of the driver composed of, covered by, or treated with a material that creates a total solar reflectance of 35% or more in the visible light range, including a silver or gold reflective film.

(c) A dangling ornament or other suspended object that obstructs the vision of the driver of the vehicle, except as authorized by law.

(2) A person shall not drive a motor vehicle if driver visibility through the rear window is obstructed, unless the vehicle is equipped with 2 rearview mirrors, 1 on each side, adjusted so that the operator has a clear view of the highway behind the vehicle.

(3) This section shall not apply to:

(a) The use of draperies, louvers, or other special window treatments, except those specifically designated in this section, on the rear window, or a side window to the rear of the driver if the vehicle is equipped with 2 outside rearview mirrors, 1 on each side, adjusted so that the driver has a clear view of the highway behind the vehicle.

(b) The use of a nonreflective, smoked or tinted glass, nonreflective film, perforated window screen, or other decorative window application on the rear window or a side window to the rear of the driver.

(c) The placement of a necessary certificate or sticker that does not obstruct the driver's clear view of the roadway or an intersecting roadway.

(d) A vehicle registered in another state, territory, commonwealth of the United States, or another country or province.

(e) A special window treatment or application determined necessary by a physician or optometrist, for the protection of a person who is light sensitive or photosensitive, if the owner or operator of a motor vehicle has in possession a letter signed by a physician or optometrist, indicating that the special window treatment or application is a medical necessity. However, the special window treatment or application shall not interfere with or obstruct the driver's clear vision of the highway or an intersecting highway.

(4) Except as provided in subsection (5), the windshield on each motor vehicle shall be equipped with a device for cleaning rain, snow, or other moisture from the windshield, which device shall be so constructed as to be controlled or operated by the driver of the vehicle. A vehicle licensed as an historical vehicle is exempt from this subsection if the vehicle was not originally equipped with such a device. Each windshield wiper upon a motor vehicle shall be maintained in good working order.

(5) A truck with a gross weight over 10,000 pounds, a truck tractor, a bus, or a truck regardless of weight
carrying hazardous materials on which a placard is required to be posted pursuant to 49 C.F.R. parts 100 to 199 having a windshield shall be equipped with not less than 2 automatically operating windshield wiper blades, 1 on each side of the centerline of the windshield, for cleaning rain, snow, or other moisture from the windshield. The blades shall be in such condition as to provide clear vision for the driver, unless 1 blade is so arranged as to clean an area of the windshield extending to within 1 inch of the limit of vision through the windshield at each side. However, in driveaway-towaway operations, this subsection shall apply only to the driven vehicle. In addition, 1 windshield wiper blade suffices under this subsection when the driven vehicle in a driveaway-towaway operation constitutes part or all of the property being transported and has no provision for 2 blades. A truck and truck tractor, manufactured after June 30, 1953, that depends upon vacuum to operate the windshield wipers, shall be so constructed that the operation of the wipers is not materially impaired by change in the intake manifold pressure.

(6) A truck with a gross weight over 10,000 pounds, a truck tractor, a bus, or a truck regardless of weight carrying hazardous materials on which a placard is required to be posted pursuant to 49 C.F.R. parts 100 to 199 shall not be operated on the highways at any time unless it is equipped with a hot air windshield defroster or an electrically heated windshield or other device to heat and maintain the windshield in operable condition at all times.

(7) As used in this section:

(a) “Physician” means that term as defined in section 17001 or 17501 of the public health code, 1978 PA 368, MCL 333.17001 and 333.17501.

(b) “Optometrist” means that term as defined in section 17401 of the public health code, 1978 PA 368, MCL 333.17401.

257.710 Tires; studs or other traction devices; rules; exceptions; use or sale of unsafe tires prohibited.

Sec. 710. (a) A person shall not operate on a public highway of this state a vehicle or special mobile equipment which has metal or plastic track or a tire which is equipped with metal that comes in contact with the surface of the road or which has a partial contact of metal or plastic with the surface of the road, except as provided in subsections (c), (d), and (e).

(b) A person shall not operate on a highway a vehicle which has a tire that has on its periphery a block, stud, flange, cleat, spike, or other protuberance of a material other than rubber which projects beyond the tread of the traction surface of the tire, except as provided in subsections (c), (d), and (e). A person may, however, use farm machinery with a tire having a protuberance which will not injure a highway. A person may also use a tire chain of reasonable proportion upon a vehicle when required for safety because of snow, ice, or other condition tending to cause a vehicle to skid.

(c) A person may operate on a highway a vehicle which has a pneumatic tire in which wire of .075 inches in diameter or less is embedded if the tire is constructed so that the percent of metal in contact with the highway does not exceed 5% of the total tire area in contact with the roadway, except that during the first 1,000 miles of use or operation of the tire the metal in contact with the highway shall not exceed 20% of the area.

(d) The department of state highways and transportation shall promulgate rules establishing acceptable standards to permit the use of a tire with studs or other traction devices to be used on a street or highway after April 1, 1975. The rules shall make separate provision for the extreme winter snow and ice conditions of the Upper Peninsula and the northern Lower Peninsula. The rules shall include a restriction on the amount and dimension of protrusions that may be allowed on a tire, the type of material that may be used in a stud, traction device, or tire, and the amount of road wear that a tire with studs or other traction devices may cause on a street or highway.

(e) A person may operate on a highway a vehicle which has a pneumatic tire in which are inserted ice grips or tire studs if the person is a law enforcement officer operating a vehicle owned by a law enforcement agency, a person operating an ambulance, or a United States postal service rural carrier driving a vehicle the rural carrier owns and maintains as a prerequisite to employment in the postal service.

(f) A person shall not operate a vehicle on a highway when a tire in use on that vehicle is unsafe as provided in subsection (h).

(g) A person in the business of selling tires shall not sell or offer for sale for highway use a tire which is unsafe as provided in subsection (h).
(h) A tire is unsafe if it is in any of the following conditions:

(i) Has a part of the belting material, tire cords, or plys exposed.

(ii) Has evidence of cord or tread separations.

(iii) Is worn to or below the minimum tread level in 2 or more adjacent major grooves at 3 or more locations spaced around the circumference of the tire. Minimum allowable tread levels are as follows:

- motorcycles and moped: ..................1/32 inch front and rear
- passenger cars and vehicles weighing less than 10,000 pounds: ..................2/32 inch front and rear
- vehicles weighing 10,000 pounds or more: ..................4/32 inch front and 2/32 rear

Measurements shall not be made at locations of tread wear indicators or tie bars. A motor vehicle licensed as an historic vehicle under section 803a is exempt from the tread depth requirements of this subsection.

(iv) Has a marking "not for highway use", "for racing purposes only", "for farm use only", or "unsafe for highway use".

(v) Has been regrooved or recut below the original tread design depth except in the case of special purpose designed tires having extra undertread rubber provided for this purpose and identified as those tires.

Compiler's note: In subdivision (h)(i), the word "plys" evidently should read "plies."

257.710a Safety belts and restraining devices; standards, rules and regulations.

Sec. 710a. No person shall sell, offer or keep for sale, or install for use in any motor vehicle to be operated on the highways of this state, any safety belt, safety restraining device, or attachments thereto as referred to in this section, unless of a type conforming to standards and specifications established by rules and regulations which have been established by the commissioner of the Michigan state police.

The rules and regulations established pursuant to the authorization given in this section shall be promulgated in accordance with the provisions of Act No. 88 of the Public Acts of 1943, as amended, being sections 24.71 to 24.82, inclusive, of the Compiled Laws of 1948, and subject to Act No. 197 of the Public Acts of 1952, as amended, being sections 24.101 to 24.110, inclusive, of the Compiled Laws of 1948.

(3) If the GVWR cannot be determined on a motor vehicle other than a passenger vehicle, the limitations for a motor vehicle having less than 4,501 pounds GVWR shall apply.

(4) Notwithstanding subsection (2), a person shall not operate a motor vehicle having lift blocks between the front axle and springs, or with lift blocks that exceed 4 inches in height between the rear axle and springs in addition to those provided by the original manufacturer. Any body lift block shall be of single piece construction and shall not use more than a 3-inch spacer. Any suspension lift block shall use an alignment pin between the axle and the spring, and shall be of single piece construction. Spring shackle replacements shall not exceed the original equipment manufacture length by more than 2 inches, and coil spring spacers are prohibited. All steering components shall be geometrically arranged to function as original equipment manufacture. Welded pitman arms, drag links, and tie rods are prohibited. All parts used to modify the original suspension or height of a motor vehicle shall be factory manufactured and shall meet or exceed the original manufacturer's specifications.

(5) A person shall not modify a vehicle to be in violation of this section, alter or add to an original frame resulting in an increase in height of the vehicle, or cause the vehicle body or chassis to come in contact with the ground, expose the fuel tank to damage from collision, or cause the wheels to come in contact with the body. No part of the suspension on a vehicle shall extend below the lowest portion of a wheel rim on the vehicle. A part of the original suspension system shall not be disconnected or modified to defeat the safe operation of the suspension system. This section does not prohibit the installation of heavy duty equipment including bumpers, shock absorbers, and overload springs within the limitations of this section, or the removal of a bumper when necessary to install a snowplow, lift ramp, or similar device while the device is in place and operational.

(6) This section shall not be construed to establish standards stricter than those formulated by the United States department of transportation for bumpers on a passenger motor vehicle sold within the United States.

(7) This section does not apply to a vehicle having a manufacturer's design which intrinsically precludes conformance with this section, a vehicle with a GVWR of 10,001 pounds or more, a vehicle designed to carry 16 or more passengers including the driver, implements of husbandry, or a road tractor, truck or truck tractor owned by a wood harvester or contractor and used exclusively in connection with wood harvesting and logging operations, or a vehicle which has an unaltered bumper or suspension system as supplied by the manufacturer. The operator of a vehicle cited for a violation of this section may assert as an affirmative defense that the vehicle in question, at the time of the violation, met original manufacturer's specifications for equipment which affected its bumper or frame height. The operator shall establish by a preponderance of this evidence the affirmative defense asserted pursuant to this subsection.

(8) As used in this section:

(a) "Bumper height" means the vertical distance between the ground and the highest point of the bottom of the bumper, as measured to a level surface when the vehicle is unladen with the vehicle tires inflated to the manufacturer's recommended pressure. If the bottom of the bumper cannot be determined due to vehicle design, the measurement shall be made from the lowest point on the rearmost portion of the rear horizontal bumper bar, or the vertical distance between the lowest point on the forwardmost portion of the front horizontal bumper bar, as measured to a level surface when the vehicle is unladen with the vehicle tires inflated to the manufacturer's recommended pressure.

(b) "Frame" means the main longitudinal structural members of the chassis of the vehicle as equipped from the factory or, for a vehicle with unitized body construction, the lowest main longitudinal structural members of the body of the vehicle.

(c) "Frame height" means the vertical distance between the ground and the lowest point on the frame, measured when the vehicle is unladen on a level surface at the lowest point on the frame midway between the front axle and the second axle on the vehicle with the vehicle tires inflated to the manufacturer's recommended pressure.

(d) "GVWR" means the original manufacturer's gross vehicle weight rating as defined in section 18b.

(e) "Multipurpose passenger motor vehicle" means a motor vehicle, other than a truck or passenger vehicle, designed to carry 10 passengers or less and constructed either on a truck chassis or with special features for occasional off-road operation.

(f) "Other motor vehicle" means any truck, multipurpose passenger motor vehicle, or other motor vehicle having a GVWR of 10,001 pounds or more, not including a passenger vehicle or motorcycle.

(g) "Passenger vehicle" means a motor vehicle with motive power designed to carry 10 passengers or less, or a van having a GVWR of 5,001 pounds or less, not including a multipurpose passenger motor vehicle.
Sec. 710d. (1) Except as provided in this section, or as otherwise provided by law, a rule promulgated pursuant to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, or federal regulation, each driver transporting a child less than 4 years of age in a motor vehicle shall properly secure that child in a child restraint system that meets the standards prescribed in 49 C.F.R. 571.213.

(2) This section does not apply to any child being nursed.

(3) This section does not apply if the motor vehicle being driven is a bus, school bus, taxicab, moped, motorcycle, or other motor vehicle not required to be equipped with safety belts under federal law or regulations.

(4) A person who violates this section is responsible for a civil infraction.

(5) Points shall not be assessed under section 320a for a violation of this section. An abstract required under section 732 shall not be submitted to the secretary of state regarding a violation of this section.

(6) The secretary of state may exempt by rules promulgated pursuant to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, a class of children from the requirements of this section, if the secretary of state determines that the use of the child restraint system required under subsection (1) is impractical because of physical unfitness, a medical problem, or body size. The secretary of state may specify alternate means of protection for children exempted under this subsection.

Sec. 710e. (1) This section does not apply to an operator or passenger of any of the following:

(a) A motor vehicle manufactured before January 1, 1965.

(b) A bus.

(c) A motorcycle.

(d) A moped.

(e) A motor vehicle if the operator or passenger possesses a written verification from a physician that the operator or passenger is unable to wear a safety belt for physical or medical reasons.

(f) A motor vehicle that is not required to be equipped with safety belts under federal law.

(g) A commercial or United States postal service vehicle that makes frequent stops for the purpose of pickup or delivery of goods or services.

(h) A motor vehicle operated by a rural carrier of the United States postal service while serving his or her rural postal route.

(2) This section does not apply to a passenger of a school bus.

(3) Each operator and front seat passenger of a motor vehicle operated on a street or highway in this state shall wear a properly adjusted and fastened safety belt except as follows:

(a) A child who is less than 4 years of age shall be protected as required in section 710d.

(b) A child who is 4 years of age or older but less than 8 years of age and who is less than 4 feet 9 inches in height shall be properly secured in a child restraint system in accordance with the child restraint manufacturer's and vehicle manufacturer's instructions and the standards prescribed in 49 CFR 571.213.

(4) If there are more passengers than safety belts available for use, and all safety belts in the motor vehicle are being utilized in compliance with this section, the operator of the motor vehicle is in compliance with this section.

(5) Except as otherwise provided in subsection (3)(b), each operator of a motor vehicle transporting a child 4 years of age or older but less than 16 years of age in a motor vehicle shall secure the child in a properly adjusted and fastened safety belt and seated as required under this section. If the motor vehicle is transporting more children than there are safety belts available for use, all safety belts available in the motor vehicle are
being utilized in compliance with this section, and the operator and all front seat passengers comply with subsection (3), the operator of a motor vehicle transporting a child 8 years of age or older but less than 16 years of age for which there is not an available safety belt is in compliance with this subsection if that child is seated in other than the front seat of the motor vehicle. However, if that motor vehicle is a pickup truck without an extended cab or jump seats, and all safety belts in the front seat are being used, the operator may transport the child in the front seat without a safety belt.

(6) If after December 31, 2005 the office of highway safety planning certifies that there has been less than 80% compliance with the safety belt requirements of this section during the preceding year, enforcement of this section by state or local law enforcement agencies shall be accomplished only as a secondary action when an operator of a motor vehicle has been detained for a suspected violation of another section of this act.

(7) Failure to wear a safety belt in violation of this section may be considered evidence of negligence and may reduce the recovery for damages arising out of the ownership, maintenance, or operation of a motor vehicle. However, that negligence shall not reduce the recovery for damages by more than 5%. 

(8) A person who violates this section is responsible for a civil infraction.

(9) A law enforcement agency shall conduct an investigation for all reports of police harassment that result from the enforcement of this section.

(10) The secretary of state shall engage an independent organization to conduct a 3-year study to determine the effect that the primary enforcement of this section has on the number of incidents of police harassment of motor vehicle operators. The organization that conducts the study shall submit a report to the legislature not later than June 30, 2001 and an annual report not later than June 30 each year thereafter.

(11) The secretary of state shall promote compliance with the safety belt requirements of this section at the branch offices and through any print or visual media determined appropriate by the secretary of state.

(12) It is the intent of the legislature that the enforcement of this section be conducted in a manner calculated to save lives and not in a manner that results in the harassment of the citizens of this state.

(13) Points shall not be assessed under section 320a for a violation of this section.

Compiler’s note: Enacting section 1 of 1999 PA 29, which amended this section, provides:

Sec. 711. (1) A person shall not sell a new motor vehicle nor shall a new motor vehicle be registered thereafter which is designed or used for the purpose of transporting passengers for compensation unless that vehicle is equipped with safety glass wherever glass is used in doors, windows, and windshields. Rigid safety plastic which meets the test requirements of American national standards institute standard Z26.1-1966, as supplemented and amended, may be used on buses in lieu of safety glass, except that front windshields shall be equipped with safety glass.

(2) A person shall not sell a new motor vehicle nor shall a new motor vehicle be registered thereafter unless that vehicle is equipped with safety glass wherever glass is used in the windshield, doors, and windows; nor shall any glass be replaced in the windshield, doors, and windows of a motor vehicle unless the glass is safety glass as herein defined.

Sec. 715. (1) Equipment on motor vehicles as required under this act shall be maintained as provided in this act. A uniformed police officer may on reasonable grounds shown stop a motor vehicle to inspect the vehicle, and if any defects in equipment are found, issue an appropriate citation under section 728 or 742 to the driver and order the driver to have the defect or defects repaired immediately. In case of an accident a police officer may make an inspection of the vehicles involved in the accident.

(2) The director of the department of state police shall cause inspection to be made of motor vehicles operating on the public highways to detect defective equipment or other violations of law governing the use of public highways by motor vehicles, operators, and chauffeurs. For that purpose the director may establish temporary vehicle check lanes at appropriate locations throughout the state for checking for inadequacies and violations. A county, city, village, or township police department also may operate a temporary check lane within its limits with the express authorization of the director of the department of state police and under the direct supervision of a designated representative of the director.

257.715a Inspection of certain school buses, buses, or other motor vehicles with seating capacity of 12 or more; delegation of inspection; rules.

SIZE, WEIGHT AND LOAD
257.716 Size, weight, and load limitations; exceptions; rules; operation of wrecker, disabled vehicle, and trailer; noncompliance; fine.

Sec. 716. (1) Unless specifically declared to be a civil infraction, it is a misdemeanor for a person to drive or move or for the owner to cause or permit to be driven or moved on a highway a vehicle or vehicles of a size or weight exceeding the limitations stated in this chapter or otherwise in violation of this chapter, and the maximum size and weight specified in this chapter are lawful throughout this state, and local authorities shall not alter those size and weight limitations except as express authority is granted in this chapter.

(2) The provisions of this chapter governing size, weight, and load do not apply to a fire apparatus, to an implement of husbandry incidentally moved upon a highway, a combination of vehicles described in, and under the conditions provided by, subsection (4), or to a vehicle operated under the terms of a special permit issued as provided in this chapter.

(3) The state transportation department, under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, may promulgate rules permitting and regulating the operation of a vehicle or vehicles of a size or weight that exceeds the size or weight limitations in this chapter. The rules may restrict or proscribe the conditions of operation of a vehicle or vehicles of a size or weight that exceeds the size or weight limitations in this chapter, if the restriction or proscription is necessary to protect the public safety or to prevent undue damage to a road foundation or surface, a structure, or an installation. The rules may provide for a reasonable inspection fee for an inspection of a vehicle or vehicles to determine whether their sizes and weights are in conformance with this act, and may require other security necessary to compensate for damage caused by the vehicle or vehicles described in this subsection.

(4) A wrecker and a disabled vehicle, or a wrecker and a combination of a disabled vehicle and 1 trailer, that exceeds the size and weight limitations in this chapter may be operated upon the highways of this state under the following conditions:

(a) The wrecker is specifically designed for such towing operations, is equipped with flashing, oscillating, or rotating amber or red lights as permitted under section 698, and is capable of utilizing the lighting and braking systems of the disabled vehicle or combination of disabled vehicles if those systems are operational.

(b) For a combination of disabled vehicles, the wrecker is issued a special permit under section 725 by the state transportation department if each trip beginning from the place of original disablement of the combination of disabled vehicles is 25 miles or less except that, for each trip that begins and ends north of a line between Ludington and Pinconning, the trip beginning from the place of original disablement of the combination of vehicles may be 50 miles or less. The special permit is valid for the entire towing distance set forth in this subdivision, and the operator of the wrecker may remove the disabled vehicles from the roadway at any lawful point of his or her choosing within that distance.

(c) For a single disabled vehicle, the wrecker is issued a special permit under section 725 by the state transportation department for the transport of the disabled vehicle. A wrecker operator is not subject to mileage limitations for a special permit issued for purposes of this subdivision.

(d) The wrecker does not operate on any highway, road, street, or structure included on a list provided by the state transportation department unless the disabled vehicle or combination of vehicles is located on 1 of those roads or structures.

(5) The owner or operator of a wrecker that does not comply with subsection (4)(d) is responsible for a civil infraction and shall pay a civil fine of not less than $250.00 or more than $500.00. The civil fine imposed under this subsection is in addition to any fine that may be imposed under section 724 or 725.

257.717 Maximum permissible width of vehicle or load; operation or movement of implement of husbandry; extension beyond center line of highway; permit; designation of highway for operation of vehicle or vehicle combination; special permit; violation as civil infraction; charging owner.

Sec. 717. (1) The total outside width of a vehicle or the load on a vehicle shall not exceed 96 inches, except as otherwise provided in this section.

(2) A person may operate or move an implement of husbandry of any width on a highway as required, designed, and intended for farming operations, including the movement of implements of husbandry being driven or towed and not hauled on a trailer, without obtaining a special permit for an excessively wide vehicle or load under section 725. The operation or movement of the implement of husbandry shall be in a manner so as to minimize the interruption of traffic flow. A person shall not operate or move an implement of husbandry to the left of the center of the roadway from a half hour after sunset to a half hour before sunrise, under the
conditions specified in section 639, or at any time visibility is substantially diminished due to weather conditions. A person operating or moving an implement of husbandry shall follow all traffic regulations.

(3) The total outside width of the load of a vehicle hauling concrete pipe, agricultural products, or unprocessed logs, pulpwood, or wood bolts shall not exceed 108 inches.

(4) Except as provided in subsections (2) and (5) and this subsection, if a vehicle that is equipped with pneumatic tires is operated on a highway, the maximum width from the outside of 1 wheel and tire to the outside of the opposite wheel and tire shall not exceed 102 inches, and the outside width of the body of the vehicle or the load on the vehicle shall not exceed 96 inches. However, a truck and trailer or a tractor and semitrailer combination hauling pulpwood or unprocessed logs may be operated with a maximum width of not to exceed 108 inches in accordance with a special permit issued under section 725.

(5) The total outside body width of a bus, a trailer coach, a trailer, a semitrailer, a truck camper, or a motor home shall not exceed 102 inches. However, an appurtenance of a trailer coach, a truck camper, or a motor home that extends not more than 6 inches beyond the total outside body width is not a violation of this section.

(6) A vehicle shall not extend beyond the center line of a state trunk line highway except when authorized by law. Except as provided in subsection (2), if the width of the vehicle makes it impossible to stay away from the center line, a permit shall be obtained under section 725.

(7) The director of the state transportation department, a county road commission, or a local authority may designate a highway under the agency's jurisdiction as a highway on which a person may operate a vehicle or vehicle combination that is not more than 102 inches in width, including load, the operation of which would otherwise be prohibited by this section. The agency making the designation may require that the owner or lessee of the vehicle or of each vehicle in the vehicle combination secure a permit before operating the vehicle or vehicle combination. This subsection does not restrict the issuance of a special permit under section 725 for the operation of a vehicle or vehicle combination. This subsection does not permit the operation of a vehicle or vehicle combination described in section 722a carrying a load described in that section if the operation would otherwise result in a violation of that section.

(8) The director of the state transportation department, a county road commission, or a local authority may issue a special permit under section 725 to a person operating a vehicle or vehicle combination if all of the following are met:

(a) The vehicle or vehicle combination, including load, is not more than 106 inches in width.

(b) The vehicle or vehicle combination is used solely to move new motor vehicles or parts or components of new motor vehicles between facilities that meet all of the following:

(i) New motor vehicles or parts or components of new motor vehicles are manufactured or assembled in the facilities.

(ii) The facilities are located within 10 miles of each other.

(iii) The facilities are located within the city limits of the same city and the city is located in a county that has a population of more than 400,000 and less than 500,000 according to the most recent federal decennial census.

(c) The special permit and any renewals are each issued for a term of 1 year or less.

(9) A person who violates this section is responsible for a civil infraction. The owner of the vehicle may be charged with a violation of this section.

257.718 Width of load carried on passenger type vehicle; violation as civil infraction.

Sec. 718. (1) A passenger type vehicle shall not be operated on a highway with a load carried on the vehicle extending beyond the line of the fenders on the left side of the vehicle nor extending more than 6 inches beyond the line of the fenders on the right side of the vehicle.

(2) A person who violates this section is responsible for a civil infraction.

***** 257.719 SUBSECTIONS (2)(a) AND (3)(b) MAY NOT APPLY: See subsection (8) *****
prohibitions; connecting assemblies and lighting devices; gross weight; violation as civil
infraction; applicability of subsections (2)(a) and (3)(b); definitions.

Sec. 719. (1) A vehicle unloaded or with load shall not exceed a height of 13 feet 6 inches. The owner of a
vehicle that collides with a lawfully established bridge or viaduct is liable for all damage and injury resulting
from a collision caused by the height of the vehicle, whether the clearance of the bridge or viaduct is posted or
not.

(2) Lengths described in this subsection shall be known as the normal length maximum. Except as
provided in subsection (3), the following vehicles and combinations of vehicles shall not be operated on a
highway in this state in excess of these lengths:

(a) Subject to subsection (8), any single vehicle: 40 feet; a crib vehicle on which logs are loaded
lengthwise of the vehicle: 42.5 feet; any single bus or motor home: 45 feet.

(b) Articulated buses: 65 feet.

(c) Notwithstanding any other provision of this section, a combination of a truck and semitrailer or trailer,
or a truck tractor, semitrailer, and trailer, or truck tractor and semitrailer or trailer, designed and used
exclusively to transport assembled motor vehicles or bodies, recreational vehicles, or boats, that does not
exceed a length of 65 feet. Stinger-steered combinations shall not exceed a length of 75 feet. The load on the
combinations of vehicles described in this subdivision may extend an additional 3 feet beyond the front and 4
feet beyond the rear of the combinations of vehicles. Retractable extensions used to support and secure the
load that do not extend beyond the allowable overhang for the front and rear shall not be included in
determining length of a loaded vehicle or vehicle combination.

(d) Truck tractor and semitrailer combinations: no overall length, the semitrailer not to exceed 50 feet.

(e) Truck and semitrailer or trailer: 59 feet.

(f) Except as provided in subdivision (g), truck tractor, semitrailer, and trailer, or truck tractor and 2
semitrailers: 59 feet.

(g) A truck tractor, semitrailer, and trailer, or a truck tractor and 2 semitrailers, in which no semitrailer or
trailer is more than 28-1/2 feet long: 65 feet. This subdivision only applies while the vehicle is being used for
a business purpose reasonably related to picking up or delivering a load and only if each semitrailer or trailer
is equipped with a device or system capable of mechanically dumping construction materials or dumping
construction materials by force of gravity.

(h) More than 1 motor vehicle, wholly or partially assembled, in combination, utilizing 1 tow bar or 3
saddle mounts with full mount mechanisms and utilizing the motive power of 1 of the vehicles in
combination, not to exceed 55 feet.

(3) Notwithstanding subsection (2), the following vehicles and combinations of vehicles shall not be
operated on a designated highway of this state in excess of these lengths:

All semitrailers longer than 50 feet shall have a wheelbase of 37.5 to 40.5 feet plus or minus 0.5 feet,
measured from the kingpin coupling to the center of the rear axle or the center of the rear axle assembly. A
semitrailer with a length longer than 50 feet shall not operate with more than 3 axles on the semitrailer. City,
village, or county authorities may prohibit stops of vehicles with a semitrailer longer than 50 feet within their
jurisdiction unless the stop occurs along appropriately designated routes, or is necessary for emergency
purposes or to reach shippers, receivers, warehouses, and terminals along designated routes.

(b) Truck and semitrailer or trailer combinations: 65 feet, except that a person may operate a truck and
semitrailer or trailer designed and used to transport saw logs, pulpwood, and tree length poles that does not
exceed an overall length of 70 feet or a crib vehicle and semitrailer or trailer designed and used to transport
saw logs that does not exceed an overall length of 75 feet. A crib vehicle and semitrailer or trailer designed to
and used to transport saw logs shall not exceed a gross vehicle weight of 164,000 pounds. A person may
operate a truck tractor and semitrailer designed and used to transport saw logs, pulpwood, and tree length
wooden poles with a load overhang to the rear of the semitrailer which does not exceed 6 feet if the
semitrailer does not exceed 50 feet in length.

(c) Truck tractor and 2 semitrailers, or truck tractor, semitrailer, and trailer combinations: no overall length
limit, if the length of each semitrailer or trailer does not exceed 28-1/2 feet each, or the overall length of the
semitrailer and trailer, or 2 semitrailers as measured from the front of the first towed unit to the rear of the
second towed unit while the units are coupled together does not exceed 58 feet.

(d) More than 1 motor vehicle, wholly or partially assembled, in combination, utilizing 1 tow bar or 3
saddle mounts with full mount mechanisms and utilizing the motive power of 1 of the vehicles in
combination, not to exceed 75 feet.

(4) The following combinations and movements are prohibited:
(a) A truck shall not haul more than 1 trailer or semitrailer, and a truck tractor shall not haul more than 2 semitrailers or 1 semitrailer and 1 trailer in combination at any 1 time, except that a farm tractor may haul 2 wagons or trailers, or garbage and refuse haulers may, during daylight hours, haul up to 4 trailers for garbage and refuse collection purposes, not exceeding in any combination a total length of 55 feet and at a speed limit not to exceed 15 miles per hour.

(b) A combination of vehicles or a vehicle shall not have more than 11 axles, except when operating under a valid permit issued by the state transportation department or a local authority with respect to a highway under its jurisdiction.

c) Any combination of vehicles not specifically authorized under this section is prohibited.

d) A combination of 2 semitrailers pulled by a truck tractor, unless each semitrailer uses a fifth wheel connecting assembly which conforms to the requirements of the motor carrier safety act of 1963, 1963 PA 181, MCL 480.11 to 480.22.

(e) A vehicle or a combination of vehicles shall not carry a load extending more than 3 feet beyond the front of the lead vehicle.

(f) A vehicle described in subsections (2)(e) and (3)(d) employing triple saddle mounts unless all wheels that are in contact with the roadway have operating brakes.

(g) All combinations of vehicles under this section shall employ connecting assemblies and lighting devices that are in compliance with the motor carrier safety act of 1963, 1963 PA 181, MCL 480.11 to 480.22.

(h) The total gross weight of a truck tractor, semitrailer, and trailer combination or a truck tractor and 2 semitrailers combination that exceeds 59 feet in length shall not exceed a ratio of 400 pounds per engine net horsepower delivered to clutch or its equivalent specified in the handbook published by the society of automotive engineers, inc. (SAE), 1977 edition.

(i) A person who violates this section is responsible for a civil infraction. The owner of the vehicle may be charged with a violation of this section.

(j) The provisions in subsections (2)(a) and (3)(b) prescribing the length of a crib vehicle on which logs are loaded lengthwise do not apply unless section 127(d) of title 23 of the United States Code, 23 USC 127, is amended to allow crib vehicles carrying logs to be loaded as described in this section.

(k) As used in this section:

(a) "Designated highway" means a highway approved by the state transportation department or a local authority with respect to a highway under its jurisdiction.

(b) "Length" means the total length of a vehicle, or combination of vehicles, including any load the vehicle is carrying. Length does not include devices described in 23 CFR 658.16 and 23 CFR part 658, appendix d, 23 CFR 658.16 and 23 CFR part 658, appendix d, as on file with the secretary of state are adopted by reference. A safety or energy conservation device shall be excluded from a determination of length only if it is not designed or used for the carrying of cargo, freight, or equipment. Semitrailers and trailers shall be measured from the front vertical plane of the foremost transverse load supporting structure to the rearmost transverse load supporting structure. Vehicle components not excluded by law shall be included in the measurement of the length, height, and width of the vehicle.

(c) "Stinger-steered combinations" means a truck tractor and semitrailer combination in which the fifth wheel is located on a drop frame located behind and below the rearmost axle of the power unit.

Compiler's note: In subdivision (9)(b), the reference to "appendix d" evidently should be followed by a comma instead of a period.

(c) Notice that the operator of a towing vehicle transporting the mobile home shall operate the towing vehicle on a highway as follows:

(i) At a safe speed and in a safe manner that will not impede motor traffic.

(ii) Only when the surface condition of the highway is not slippery.

(iii) In accordance with seasonal load restrictions.

(10) A person who violates this section is responsible for a civil infraction and may be assessed a civil fine of not more than $500.00. The owner of the towing vehicle may be charged with a violation of this section.

(11) The state transportation commission may order the state transportation department to immediately cease issuing all special permits to move on the highways of the lower peninsula of this state a mobile home that is more than 14-1/3 feet wide plus normal appurtenances that extend no more than 6 inches, and an eave that extends no more than 2 feet from the width of that mobile home upon a state transportation commission determination that those permits create an unreasonable safety hazard or hazards. The state transportation commission shall notify all other jurisdictional authorities of the determination made under this subsection. The order shall not prohibit the issuance of a special permit for the movement of a mobile home if a binding contract for the movement of that mobile home was executed before the commission determination of an unreasonable safety hazard or hazards.

(12) As used in this section:

(a) “Jurisdictional authority” means the state transportation department, a county road commission, or a local authority having jurisdiction over a highway upon which a mobile home is proposed to be moved.

(b) “Mobile home” means any of the following:

(i) A prebuilt housing module.

257.720 Construction or loading of vehicles to prevent contents from escaping; exception; closing tailgates, faucets, and taps; exemption; proof of violation; loading of vehicles not completely enclosed; prima facie liability; exceptions; front end loading device; violation; penalty; "logs" defined.

Sec. 720. (1) A person shall not drive or move a vehicle on a highway unless the vehicle is so constructed or loaded as to prevent its contents from dropping, sifting, leaking, blowing off, or otherwise escaping from the vehicle. This requirement does not apply to a vehicle transporting agricultural or horticultural products when hay, straw, silage, or residue from a product, but not including the product itself, or when materials such as water used to preserve and handle agricultural or horticultural products while in transportation, escape from the vehicle in an amount that does not interfere with other traffic on the highway. The tailgate, faucets, and taps on a vehicle shall be securely closed to prevent spillage during transportation whether the vehicle is loaded or empty, and the vehicle shall not have any holes or cracks through which material can escape. Any highway maintenance vehicle engaged in either ice or snow removal shall be exempt from this section.

(2) Actual spillage of material on the highway or proof of that spillage is not necessary to prove a violation of this section.

(3) Except as provided in this section, a vehicle carrying a load, other than logs or tubular products, which is not completely enclosed shall meet either of the following requirements:

(a) Have the load covered with firmly secured canvas or a similar type of covering. A device used to comply with the requirement of this subdivision shall not exceed a width of 108 inches nor by design or use have the capability to carry cargo by itself.

(b) Have the load securely fastened to the body or the frame of the vehicle with binders of adequate number and of adequate breaking strength to prevent the dropping off or shifting of the load.

(4) A company or individual who loads or unloads a vehicle or causes it to be loaded or unloaded, with knowledge that it is to be driven on a public highway, in a manner so as to cause a violation of subsection (1) shall be prima facie liable for a violation of this section.

(5) Subsection (3) does not apply to a person operating a vehicle to transport agricultural commodities or to a person operating a farm truck or implement of husbandry transporting sand, gravel, and dirt necessary in the normal operation of a farm. However, a person operating a vehicle to transport agricultural commodities or sand, gravel, and dirt in the normal operation of the farm who violates subsection (1) or (4) is guilty of a misdemeanor and is subject to the penalties prescribed in subsection (9).

(6) Subsection (3)(a) does not apply to a motor vehicle transporting items of a load that because of their weight will not fall off the moving vehicle and that have their centers of gravity located at least 6 inches below the top of the enclosure nor to a motor vehicle carrying metal that because of its weight and density is so loaded as to prevent it from dropping or falling off the moving vehicle.

(7) Subsection (3)(a) does not apply to motor vehicles and other equipment engaged in work upon the surface of a highway or street in a designated work area.

(8) A person shall not drive or move on a highway a vehicle equipped with a front end loading device with a tine protruding parallel to the highway beyond the front bumper of the vehicle unless the tine is carrying a load designed to be carried by the front end loading device. This subsection does not apply to a vehicle designed to be used or being used to transport agricultural commodities, to a vehicle en route to a repair facility, or to a vehicle engaged in construction activity. As used in this subsection, "agricultural commodities" means that term as defined in section 722.

(9) A person who violates this section is guilty of a misdemeanor punishable by a fine of not more than $500.00 or imprisonment for not more than 90 days, or both.

(10) As used in this section, "logs" means sawlogs, pulpwood, or tree length poles.

257.721 Passenger vehicle or pickup truck towing vehicle or trailer; drawbar or other connection; coupling devices and safety chains; pickup truck with fifth wheel assembly; conditions for towing additional trailer or semitrailer; speed limit requirements; violation
Section 721. (1) Except as otherwise provided in subsection (5), a passenger vehicle or a pickup truck shall not be driven upon a highway drawing or having attached to the passenger vehicle or pickup truck more than 1 vehicle or trailer.

(2) The drawbar or other connection between 2 vehicles, 1 of which is towing or drawing the other on a highway, shall not exceed 15 feet in length from 1 vehicle to the other. If the connection consists of a chain, rope, or cable, there shall be displayed upon the connection a red flag or other signal or cloth not less than 12 inches both in length and width.

(3) A vehicle or trailer towed or drawn by a vehicle shall be attached to the vehicle with forms of coupling devices in a manner so that when the combination is operated in a linear alignment on a level, smooth, paved surface, the movement of the towed or drawn vehicle or trailer does not deviate more than 3 inches to either side of the path of the towing vehicle that tows or draws it. The vehicle or trailer shall also be connected to the towing vehicle by suitable safety chains or devices, 1 on each side of the coupling and at the extreme outer edge of the vehicle or trailer. Each chain or device and connection used shall be of sufficient strength to haul the vehicle or trailer when loaded. In the case of an implement of husbandry with a gross vehicle weight rating or gross combination weight rating of 10,000 pounds or less, the safety chains or devices required under this subsection shall conform to the federal motor carrier safety regulations requirements contained in 49 C.F.R. 393.70(d)(5).

(4) A pickup truck with a fifth wheel assembly shall not tow a semitrailer unless the fifth wheel assembly conforms to the standards prescribed in the motor carrier safety act of 1963, 1963 PA 181, MCL 480.11 to 480.22.

(5) Notwithstanding subsection (1), a pickup truck with a towing rating equal to, or greater than, the weight being towed, equipped with a fifth wheel assembly that conforms with the standards prescribed in the motor carrier safety act of 1963, 1963 PA 181, MCL 480.11 to 480.22, towing attached with a semitrailer designed for recreational living purposes may tow an additional trailer or semitrailer under the following conditions:

(a) The additional trailer or semitrailer shall be attached pursuant to subsection (3). The safety chains described in subsection (3) shall be securely attached at the extreme outer edge of the attached trailer or semitrailer with a locking mechanism. The towing vehicle hitch shall be of substantial material and shall be attached in a proper and skillful manner to the frame of the towing vehicle.

(b) The total length of the pickup truck, semitrailer designed for recreational living purposes, and additional trailer or semitrailer, and load, shall not exceed 65 feet on any highways in this state.

(c) The gross weight of the additional trailer or semitrailer towed or drawn shall not exceed the empty weight of the pickup truck or the empty weight of the semitrailer.

(6) For the purposes of this section, a pickup truck towing a semitrailer and additional trailer shall be considered a passenger vehicle and shall comply with the speed limit requirements of section 627(5).

(7) A person who violates this section is responsible for a civil infraction.

257.722 Maximum axle load; normal loading maximum; designating highways as adequate for heavier loading; restrictions as to tandem axle assemblies; exceptions; public utility vehicles; normal size of tires; maximum wheel load; reduction of maximum axle load on concrete pavements during March, April, and May; exemptions; suspension of restrictions; determination of gross vehicle weight and axle weights; designation of highways for operation of certain vehicles; definitions.

Sec. 722. (1) The maximum axle load shall not exceed the number of pounds designated in the following provisions that prescribe the distance between axles:

(a) If the axle spacing is 9 feet or more between axles, the maximum axle load shall not exceed 18,000 pounds for vehicles equipped with high pressure pneumatic or balloon tires.

(b) If the axle spacing is less than 9 feet between 2 axles but more than 3-1/2 feet, the maximum axle load shall not exceed 13,000 pounds for high pressure pneumatic or balloon tires.

(c) If the axles are spaced less than 3-1/2 feet apart, the maximum axle load shall not exceed 9,000 pounds per axle.

(d) Subdivisions (a), (b), and (c) shall be known as the normal loading maximum.

(2) When normal loading is in effect, the state transportation department, or a local authority with respect to highways under its jurisdiction, may designate certain highways, or sections of those highways, where bridges and road surfaces are adequate for heavier loading, and revise a designation as needed, on which the
maximum tandem axle assembly loading shall not exceed 16,000 pounds for any axle of the assembly, if there is no other axle within 9 feet of any axle of the assembly.

(3) On a legal combination of vehicles, only 1 tandem axle assembly shall be permitted on the designated highways at the gross permissible weight of 16,000 pounds per axle, if there is no other axle within 9 feet of any axle of the assembly, and if no other tandem axle assembly in the combination of vehicles exceeds a gross weight of 13,000 pounds per axle. On a combination of truck tractor and semitrailer having not more than 5 axles, 2 consecutive tandem axle assemblies shall be permitted on the designated highways at a gross permissible weight of 16,000 pounds per axle, if there is no other axle within 9 feet of any axle of the assembly.

(4) Notwithstanding subsection (3), on a combination of truck tractor and semitrailer having not more than 5 axles, 2 consecutive sets of tandem axles may carry a gross permissible weight of not to exceed 17,000 pounds on any axle of the tandem axles if there is no other axle within 9 feet of any axle of the tandem axles and if the first and last axles of the consecutive sets of tandem axles are not less than 36 feet apart and the gross vehicle weight does not exceed 80,000 pounds to pick up and deliver agricultural commodities between the national truck network or special designated highways and any other highway. This subsection is not subject to the maximum axle loads of subsections (1), (2), and (3). For purposes of this subsection, a "tandem axle" means 2 axles spaced more than 40 inches but not more than 96 inches apart or 2 axles spaced more than 3-1/2 feet but less than 9 feet apart. This subsection does not apply during that period when reduced maximum loads are in effect pursuant to subsection (8).

(5) The exception to the loading maximums and gross vehicle weight requirements of subsection (12) under subsection (8) for a person hauling agricultural commodities applies only if the person who picks up or delivers the agricultural commodity either from a farm or to a farm notifies the county road commission for roads under its authority not less than 48 hours before the pickup or delivery of the time and location of the pickup or delivery. The county road commission shall issue a permit to the person and charge a fee that does not exceed the administrative costs incurred. The permit shall contain all of the following:

(a) The designated route or routes of travel for the load.

(b) The date and time period requested by the person who picks up or delivers the agricultural commodities during which the load may be delivered or picked up.

(c) A maximum speed limit of travel, if necessary.

(d) Any other specific conditions agreed to between the parties.

(6) The exception to the loading maximums and gross vehicle weight requirements of subsection (12) under subsection (8) applies to public utility vehicles that are owned or operated by public utilities under the jurisdiction of the Michigan public service commission, or are subcontracted by public utilities under the jurisdiction of the Michigan public service commission to perform electrical emergency public utility work, only under the following circumstances:

(a) For emergency public utility work on restricted roads, as follows:

(i) If required by the county road commission, the public utility shall notify the county road commission, as soon as practical, of the location of the emergency public utility work and provide a statement that the vehicles that were used to perform the emergency utility work may have exceeded the loading maximums and gross vehicle weight requirements of subsection (12) under subsection (8). The notification may be made via facsimile or electronically.

(ii) The public utility vehicle travels to and from the site of the emergency public utility work while on a restricted road at a speed not greater than 35 miles per hour.

(b) For nonemergency public utility work on restricted roads, as follows:

(i) If the county road commission requires, the public utility shall apply to the county road commission annually for a seasonal truck permit for roads under its authority before seasonal weight restrictions are effective. The county road commission shall issue a seasonal truck permit for each vehicle or vehicle configuration the public utility anticipates will be utilized for nonemergency public utility work. The county road commission may charge a fee for a permit that does not exceed the administrative costs incurred for the permit. The seasonal truck permit shall contain all of the following:

(A) The seasonal period requested by the public utility during which the permit is valid.

(B) A unique identification number for the vehicle and any vehicle configuration to be covered on the seasonal truck permit requested by the public utility.

(C) A requirement that travel on restricted roads during weight restrictions will be minimized and only utilized when necessary to perform work using the public utility vehicle or vehicle configuration that nonrestricted roads shall be used for travel when available and for routine travel.

(ii) If the county road commission requires notification, the county road commission shall provide a notification application for the public utility to use when requesting access to operate on restricted roads and
the public utility shall provide notification to the county road commission, via facsimile or electronically, not
later than 24 hours before the time of the intended travel. Notwithstanding this subsection or an agreement
under this subsection, if the county road commission determines that the condition of a particular road under
its jurisdiction makes it unusable, the county road commission may deny access to all or any part of that road.
The denial shall be made and communicated via facsimile or electronically to the public utility within 24
hours after receiving notification that the public utility intends to perform nonemergency work that requires
use of that road. Any notification that is not disapproved within 24 hours after the notice is received by the
county road commission is considered approved. The notification application required under this
subsection may include all of the following information:

(A) The address or location of the nonemergency work.
(B) The date or dates of the nonemergency work.
(C) The route to be taken to the nonemergency work site.
(D) The restricted road or roads intended to be traveled upon to the nonemergency work site or sites.

(7) The normal size of tires shall be the rated size as published by the manufacturers, and the maximum
wheel load permissible for any wheel shall not exceed 700 pounds per inch of width of tire.

(8) Except as provided in this subsection and subsection (9), during the months of March, April, and May
in each year, the maximum axle load allowable on concrete pavements or pavements with a concrete base is
reduced by 25% from the maximum axle load as specified in this chapter, and the maximum axle loads
allowable on all other types of roads during these months are reduced by 35% from the maximum axle loads
as specified. The maximum wheel load shall not exceed 525 pounds per inch of tire width on concrete and
concrete base or 450 pounds per inch of tire width on all other roads during the period the seasonal road
restrictions are in effect. This subsection does not apply to vehicles transporting agricultural commodities or
public utility vehicles on a highway, road, or street under the jurisdiction of a local road agency.

(9) The state transportation department for roads under its jurisdiction and a county road commission for
roads under its jurisdiction may grant exemptions from seasonal weight restrictions for milk on specified
routes when requested in writing. Approval or denial of a request for an exemption shall be given by written
notice to the applicant within 30 days after the date of submission of the application. If a request is denied, the
written notice shall state the reason for denial and alternate routes for which the permit may be issued. The
applicant may appeal to the state transportation commission or the county road commission. These
exemptions do not apply on county roads in counties that have negotiated agreements with milk haulers or
 haulers of other commodities during periods of seasonal load limits before April 14, 1993. This subsection
does not limit the ability of these counties to continue to negotiate such agreements.

(10) The state transportation department, or a local authority with respect to highways under its
jurisdiction, may suspend the restrictions imposed by this section when and where conditions of the highways
or the public health, safety, and welfare warrant suspension, and impose the restricted loading requirements of
this section on designated highways at any other time that the conditions of the highway require.

(11) For the purpose of enforcing this act, the gross vehicle weight of a single vehicle and load or a
combination of vehicles and loads, shall be determined by weighing individual axles or groups of axles, and
the total weight on all the axles shall be the gross vehicle weight. In addition, the gross axle weight shall be
determined by weighing individual axles or by weighing a group of axles and dividing the gross weight of the
group of axles by the number of axles in the group. For purposes of subsection (12), the overall gross weight
on a group of 2 or more axles shall be determined by weighing individual axles or several axles, and the total
weight of all the axles in the group shall be the overall gross weight of the group.

(12) The loading maximum in this subsection applies to interstate highways, and the state transportation
department, or a local authority with respect to highways under its jurisdiction, may designate a highway, or a
section of a highway, for the operation of vehicles having a gross vehicle weight of not more than 80,000
pounds that are subject to the following load maximums:

(a) Twenty thousand pounds on any 1 axle, including all enforcement tolerances.
(b) A tandem axle weight of 34,000 pounds, including all enforcement tolerances.
(c) An overall gross weight on a group of 2 or more consecutive axles equaling:

\[ W = \frac{500}{\frac{LN}{N-1} + 12N + 36} \]

where W = overall gross weight on a group of 2 or more consecutive axles to the nearest 500 pounds, L =
distance in feet between the extreme of a group of 2 or more consecutive axles, and N = number of axles in
the group under consideration; except that 2 consecutive sets of tandem axles may carry a gross load of
34,000 pounds each if the first and last axles of the consecutive sets of tandem axles are not less than 36 feet
apart. The gross vehicle weight shall not exceed 80,000 pounds including all enforcement tolerances. Except
for 5 axle truck tractor, semitrailer combinations having 2 consecutive sets of tandem axles, vehicles having a
gross weight in excess of 80,000 pounds or in excess of the vehicle gross weight determined by application of
the formula in this subsection are subject to the maximum axle loads of subsections (1), (2), and (3). As used in
this subsection, "tandem axle weight" means the total weight transmitted to the road by 2 or more
consecutive axles, the centers of which may be included between parallel transverse vertical planes spaced
more than 40 inches but not more than 96 inches apart, extending across the full width of the vehicle. Except
as otherwise provided in this section, vehicles transporting agricultural commodities shall have weight load
maximums as set forth in this subsection.

(13) As used in this section:
(a) "Agricultural commodities" means those plants and animals useful to human beings produced by
agriculture and includes, but is not limited to, forages and sod crops, grains and feed crops, field crops, dairy
and dairy products, poultry and poultry products, cervidae, livestock, including breeding and grazing, equine,
fish, and other aquacultural products, bees and bee products, berries, herbs, fruits, vegetables, flowers, seeds,
grasses, nursery stock, mushrooms, fertilizer, livestock bedding, farming equipment, and fuel for agricultural
use. The term does not include trees or lumber.
(b) "Emergency public utility work" means work performed to restore public utility service or to eliminate
a danger to the public due to a natural disaster, an act of God, or an emergency situation, whether or not a
public official has declared an emergency.

257.722a Transporting flammable liquid; violation as misdemeanor; penalty; enforcement;
“in bulk” defined; vehicles transporting hazardous materials.

Sec. 722a. (1) A truck pulling a trailer, a truck tractor pulling a semitrailer and trailer combination, or a
truck tractor pulling 2 semitrailers shall not transport a flammable liquid, in bulk, which has a flash point at or
below 70 degrees Fahrenheit within this state.

(2) A truck pulling a trailer, a truck tractor pulling a semitrailer and trailer combination, or a truck tractor
pulling 2 semitrailers shall not transport a flammable gas or a compressed flammable gas, in bulk, as defined
by 49 C.F.R. parts 100 to 180, within this state.

(3) A truck or a truck tractor pulling a semitrailer shall not transport a flammable liquid, in bulk, which has
a flash point at or below 70 degrees Fahrenheit in this state, unless the truck or the semitrailer has a water
capacity of less than 13,800 gallons. This subsection does not apply to those vehicles registered with the
motor carrier division of the department of state police on or before January 1, 1986.

(4) A truck or truck tractor pulling a semitrailer shall not transport a flammable liquid, in bulk, which has
a flash point at or below 70 degrees Fahrenheit in a quantity of more than 13,400 gallons.

(5) The owner or driver of a vehicle that transports, or a shipper who loads a vehicle with a flammable
liquid, flammable gas, or compressed flammable gas in violation of this section is guilty of a misdemeanor,
punishable by a fine of not more than $3,000.00, or imprisonment for not more than 90 days, or both.

(6) This section shall be enforced only by a police officer.

(7) For the purposes of this section, “in bulk” means an amount of product or material of 3,500 water
gallons or more in a single containment system. Commercial motor vehicles transporting hazardous materials
shall comply with the motor carrier safety act, Act No. 181 of the Public Acts of 1963, being sections 480.11
to 480.21 of the Michigan Compiled Laws.

257.723 Commercial vehicles with certain weight and towing or platform bed wrecker road
service vehicles; identification requirements; compliance; exception; violation as civil
infraction.

Sec. 723. (1) All commercial vehicles with a single or combination gross weight rating or total gross
weight of more than 5,000 pounds and all towing or platform bed wrecker road service vehicles in operation
upon the public highways of this state shall have the name, city, and state or the registered logo or emblem of
the registered owner of the vehicle, and lessee of the vehicle if the vehicle is being operated under lease,
painted or permanently attached on each side of the vehicle in letters of not less than 3 inches in height, not
lower than the bottom edge of the door. This information shall be in sharp color contrast to the background.
(2) Except for towing or platform bed wrecker road service vehicles, the identification requirements of subsection (1) may be met through the use of removable devices which meet the requirements of subsection (1). These devices shall be of durable construction and securely attached to each side of the motor truck or truck tractor. The removable devices shall be attached so that the identification is in a horizontal position.

(3) A vehicle in compliance with the identification requirements of the federal motor carrier safety regulations, 49 CFR parts 390-399, is considered to be in compliance with this section.

(4) This section does not apply to a truck eligible for and registered under a farm or manufacturer license plate, that has a gross vehicle weight of less than 10,000 pounds.

(5) A person who violates this section is responsible for a civil infraction.

257.724 Stopping vehicle for weighing; shifting or removing load; civil fine and costs; moving vehicle to place of safekeeping; impoundment; foreclosure sale; powers of authorized agent; unlawful weight as civil infraction; fine; driving duly marked vehicle; failure to stop as misdemeanor.

Sec. 724. (1) A police officer, a peace officer, or an authorized agent of the state transportation department or a county road commission having reason to believe that the weight of a vehicle and load is unlawful may require the driver to stop and submit to a weighing of the vehicle by either portable or stationary scales approved and sealed by the department of agriculture as a legal weighing device and may require that the vehicle be driven to the nearest weigh station of the state transportation department for the purpose of allowing a police officer, peace officer, or agent of the state transportation department or county road commission to determine whether the vehicle is loaded in conformity with this chapter.

(2) When the officer or agent, upon weighing a vehicle and load, determines that the weight is unlawful, the officer or agent may require the driver to stop the vehicle in a suitable place and remain standing until that portion of the load is shifted or removed as necessary to reduce the gross axle load weight of the vehicle to the limit permitted under this chapter. All material unloaded as provided under this subsection shall be cared for by the owner or operator of the vehicle at the risk of the owner or operator. A judge or magistrate imposing a civil fine and costs under this section that are not paid in full immediately or for which a bond is not immediately posted in double the amount of the civil fine and costs shall order the driver or owner to move the vehicle at the driver's own risk to a place of safekeeping within the jurisdiction of the judge or magistrate, inform the judge or magistrate in writing of the place of safekeeping, and keep the vehicle until the fine and costs are paid or sufficient bond is furnished or until the judge or magistrate is satisfied that the fine and costs will be paid. The officer or agent who has determined, after weighing a vehicle and load, that the weight is unlawful, may require the driver to proceed to a judge or magistrate within the county. If the judge or magistrate is not satisfied that the owner or lessee, after a notice and a right to be heard on the merits is given, will pay the amount of the probable civil fine and costs, the judge or magistrate may order the vehicle to be impounded until trial on the merits is completed under conditions set forth in this section for the impounding of vehicles after the civil fine and costs have been imposed. Removal of the vehicle, and forwarding, care, or preservation of the load shall be under the control of and at the risk of the owner or driver. Vehicles impounded shall be subject to a lien, subject to a prior valid bona fide lien of prior record, in the amount of the civil fine and costs and if the civil fine and costs are not paid within 90 days after the seizure, the judge or magistrate shall certify the unpaid judgment to the prosecuting attorney of the county in which the violation occurred, who shall proceed to enforce the lien by foreclosure sale in accordance with procedure authorized in the case of chattel mortgage foreclosures. When the duly authorized agent of the state transportation department or county road commission is performing duties under this chapter, the agent has all the powers conferred upon peace officers by the general laws of this state.

(3) Subject to subsection (4), an owner of a vehicle or a lessee of the vehicle of an owner-operator, or other person, who causes or allows a vehicle to be loaded and driven or moved on a highway, when the weight of that vehicle violates section 722 is responsible for a civil infraction and shall pay a civil fine in an amount equal to 3 cents per pound for each pound of excess load over 1,000 pounds when the excess is 2,000 pounds or less; 6 cents per pound of excess load when the excess is over 2,000 pounds but not over 3,000 pounds; 9 cents per pound for each pound of excess load when the excess is over 3,000 pounds but not over 4,000 pounds; 12 cents per pound for each pound of excess load when the excess is over 4,000 pounds but not over 5,000 pounds; 15 cents per pound for each pound of excess load when the excess is over 5,000 pounds but not over 10,000 pounds; and 20 cents per pound for each pound of excess load when the excess is over 10,000 pounds; 25 cents per pound for each pound of excess load when the excess is over 25,000 pounds.

(4) This section does not apply to a truck eligible for and registered under a farm or manufacturer license plate, that has a gross vehicle weight of less than 10,000 pounds.

(4) Beginning January 1, 2006, if the court determines that the motor vehicle or the combination of vehicles was operated in violation of this section, the court shall impose a fine as follows:

(a) If the court determines that the motor vehicle or the combination of vehicles was operated in such a manner that the gross weight of the vehicle or the combination of vehicles would not be lawful by a proper distribution of the load upon all the axles of the vehicle or the combination of vehicles, the court shall impose a fine for the violation according to the schedule provided for in subsection (3).

(b) If the court determines that the motor vehicle or the combination of vehicles was lawful by a proper distribution of the load upon all the axles of the vehicle or the combination of vehicles, but that 1 or more axles of the vehicle exceeded the maximum allowable axle weight by 4,000 pounds or less, the court shall impose a misload fine of $200.00 per axle. Not more than 3 axles shall be used in calculating the fine to be imposed under this subdivision. This subdivision does not apply to a vehicle subject to the maximum loading provisions of section 722(11) or to a vehicle found to be in violation of a special permit issued under section 725.

(c) If the court determines that the motor vehicle or the combination of vehicles would be lawful by a proper distribution of the load upon all the axles of the vehicle or the combination of vehicles, but that 1 or more axles of the vehicle exceeded the maximum allowable axle weight by more than 4,000 pounds, the court shall impose a fine for the violation according to the schedule provided in subsection (3).

(5) A driver or owner of a commercial vehicle with other vehicles or trailers in combination, a truck or truck tractor, a truck or truck tractor with other vehicles in combination, or any special mobile equipment who fails to stop at or bypass any scales or weighing station is guilty of a misdemeanor.

(6) An agent or authorized representative of the state transportation department or a county road commission shall not stop a truck or vehicle in movement upon a road or highway within the state for any purpose, unless the agent or authorized representative is driving a duly marked vehicle, clearly showing and denoting the branch of government represented.

(7) A driver or owner of a vehicle who knowingly fails to stop when requested or ordered to do so and submit to a weighing by a police officer, a peace officer, or an authorized agent of the state transportation department, or a representative or agent of a county road commission, authorized to require the driver to stop and submit to a weighing of the vehicle and load by means of a portable scale, is guilty of a misdemeanor punishable by imprisonment for not more than 90 days or a fine of not more than $100.00, or both. A driver or person who dumps his or her load when ordered to submit to a weigh or who otherwise attempts to commit or commits an act to avoid a vehicle weigh is in violation of this section.

257.724a Axle weight requirements; exception; weight after lift axles lowered; "lift axle" defined.

Sec. 724a. (1) The axle weight requirements of this chapter do not apply to a vehicle equipped with lift axles during the period in which axles are raised to negotiate an intersection, driveway, or other turn and until the lift axles are fully engaged after the period of time or the distance necessary to negotiate that intersection, driveway, or other turn.

(2) If a vehicle is to be weighed to determine whether the vehicle is being operated in violation of this act or a rule promulgated under this act or of a local ordinance substantially corresponding to this act or a rule promulgated under this act and the vehicle is equipped with lift axles that have been raised to allow the vehicle to negotiate an intersection, driveway, or other turn, the vehicle shall be weighed only after the lift axles have been fully lowered and are under operational pressure as provided in subsection (1).

(3) As used in this section, "lift axle" means an axle on a vehicle that can be raised or lowered by mechanical means.

257.725 Special permit for certain vehicles and loads required; fees; “jurisdictional authority” defined.

Sec. 725. (1) Upon receipt of a written application and good cause being shown, a jurisdictional authority may issue a written special permit authorizing an applicant to operate upon or remove from a highway maintained by that jurisdictional authority a vehicle or combination of vehicles that are any of the following:

(a) Of a size, weight, or load exceeding the maximum specified in this chapter.
(b) Otherwise not in conformity with this chapter.

(2) The application for a special permit shall be on a form prescribed by the jurisdictional authority and shall specifically describe the vehicle or vehicles and load to be operated or moved and the particular highways upon which the special permit to operate is requested.

(3) A jurisdictional authority may issue a special permit and charge a fee that does not exceed the administrative costs incurred authorizing the operation of the following upon a highway:

(a) Traction engines or tractors having movable tracks with transverse corrugations upon the periphery of those movable tracks on farm tractors.

(b) Other farm machinery otherwise prohibited under this chapter.

(c) A vehicle of a size or weight otherwise prohibited under this chapter that is hauling farm machinery to or from a farm.

(4) A special permit shall specify the trip or trips and date or dates for which it is valid and the jurisdictional authority granting the special permit may restrict or prescribe conditions of operation of a vehicle or vehicles, if necessary, to protect the safety of the public or to ensure against undue damage to the road foundations, surfaces, structures, or installations, and may require a reasonable inspection fee and other security as that jurisdictional authority determines necessary to compensate for damages caused by the movement. A special permit may be issued on an annual basis. Except as otherwise provided in this section, the fee charged by the state transportation department for an intrastate or an out-of-state vehicle for a single trip shall be $50.00 and for multiple trips or on an annual basis shall be $100.00. Except as otherwise provided in this section, the fee charged by a jurisdictional authority other than the state transportation department for an intrastate or an out-of-state vehicle for a single trip shall be not more than $50.00 and for multiple trips or on an annual basis shall be not more than $100.00. Effective October 1, 1998, the fee charged by a jurisdictional authority other than the state transportation department for a special permit under this subsection shall be the fee charged on September 30, 1997. The fee charged by a jurisdictional authority other than the state transportation department for a special permit under this subsection may be increased above the amount charged on September 30, 1997 subject to the maximums allowed by this subsection subject to a prior public hearing with reasonable notice. However, the fee charged by a jurisdictional authority other than the state transportation department for a special permit under this subsection that is more than $50.00 for a single trip or that is more than $100.00 for multiple trips or on an annual basis, or both, on September 30, 1997 shall not be increased.

(5) The fee charged by the state transportation department for an intrastate or an out-of-state vehicle or combination of vehicles that exceed the maximum size specified in this chapter but do not exceed the maximum weight or load specified in this chapter or are otherwise not in conformity with this chapter shall be $15.00 for a single trip and $30.00 for multiple trips or on an annual basis. The fees charged under this subsection may be increased not more than once each year based on the percentage increase in the United States consumer price index for all urban consumers for the immediately preceding 12-month period rounded to the nearest whole dollar. This subsection takes effect October 1, 1998.

(6) The fee charged by a jurisdictional authority other than the state transportation department for an intrastate or an out-of-state vehicle or combination of vehicles of a size exceeding the maximum specified in this chapter but not exceeding the maximum weight or load specified in this chapter shall not exceed the administrative costs incurred by that jurisdictional authority in issuing the permit. This subsection takes effect October 1, 1998.

(7) A special permit issued under this section shall be carried in the vehicle or combination of vehicles to which it refers and shall be open to inspection by a police officer or authorized agent of a jurisdictional authority granting the special permit. A person shall not violate any of the terms or conditions of the special permit.

(8) A person who violates this section is responsible for a civil infraction.

(9) A jurisdictional authority issuing a special permit to move a mobile home under this section and a person who is issued a special permit to move a mobile home under this section are subject to section 719a.

(10) As used in this section, “jurisdictional authority” means the state transportation department, a county road commission, or a local authority having jurisdiction over a highway upon which a vehicle is proposed to be moved pursuant to a permit required under this section.

257.725a Transportation of farm machinery or implements by dealer; annual permit; condition.

© Legislative Council, State of Michigan
Sec. 725a. Upon application, the state transportation department may issue an annual permit authorizing a farm implement dealer to transport by truck, truck tractor, semitrailer, or trailer upon a state highway during daylight hours, including Saturday, farm machinery or implements of a greater width or height than authorized by this act if the transportation is otherwise permitted under those rules promulgated pursuant to section 716 that do not conflict with this section.

257.726 Prohibitions, limitations, or truck route designations by local authorities and county road commissions; signs; violation as civil infraction.

Sec. 726. (1) Local authorities and county commissions with respect to highways under their jurisdiction, except state trunk line highways, by ordinance or resolution, may do any of the following:
(a) Prohibit the operation of trucks or other commercial vehicles on designated highways or streets.
(b) Impose limitations as to the weight of trucks or other commercial vehicles on designated highways or streets.
(c) Provide that only certain highways or streets may be used by trucks or other commercial vehicles.
(2) Any prohibitions, limitations, or truck route designations established under subsection (1) shall be designated by appropriate signs placed on the highways or streets. The design and placement of the signs shall be consistent with the requirements of section 608.
(3) A person who violates a prohibition, limitation, or truck route designation established pursuant to subsection (1) is responsible for a civil infraction.

Constitutionality: This section was held unconstitutional insofar as it deprives a municipality of the right to reasonable control over its streets, including state trunk lines within its limits, in violation of Const 1963, art VII, § 29. City of Dearborn v Souden & Sivier, Inc., 343 Mich 257; 72 NW2d 185 (1955).

257.726a Enforcement of act on boundary streets or highways.

Sec. 726a. A peace officer of any county, city, village or township of this state may exercise authority and powers outside his own county, city, village or township when he is enforcing this act on a street or highway which is on the boundary of the county, city, village or township the same as if he were in his own county, city, village or township.

257.726b Violation as to load, weight, or height of vehicle or load; powers of police officer.

Sec. 726b. Any police officer having reason to believe that the load, weight, or height of a vehicle or load is in violation of section 719, 720, 722a, or 724 which violation is a misdemeanor, may require the driver of the vehicle to stop, and the officer may investigate, weigh, or measure the vehicle or load. If after personally investigating, weighing, or measuring the vehicle or load, the officer determines that the load, weight, or height of a vehicle or load are in violation of the requirements of section 719, 720, 722a, or 724, the officer may temporarily detain the driver of the vehicle for purposes of making a record or vehicle check, may make an arrest for the violation, and may proceed as otherwise provided in this act.

257.726c Duly authorized agent of county road commission; shoulder patch required; firearm.

Sec. 726c. (1) A duly authorized agent of a county road commission when enforcing sections 215, 255, 631(1), 717, 719, 719a, 720, 722, 724, 725, and 726 shall wear a shoulder patch which shall be clearly visible and shall identify the branch of government represented.

257.727 Arrest without warrant; arraignment by magistrate or family division of circuit court.

Sec. 727. If a person is arrested without a warrant in any of the following cases, the arrested person shall, without unreasonable delay, be arraigned by the magistrate who is nearest or most accessible within the judicial district as provided in section 13 of chapter IV of the code of criminal procedure, 1927 PA 175, MCL
764.13, or, if a minor, taken before the family division of circuit court within the county in which the offense charged is alleged to have been committed:

(a) The person is arrested upon a charge of negligent homicide.

(b) The person is arrested under section 625(1), (3), (4), (5), (6), (7), or (8), or an ordinance substantially corresponding to section 625(1), (3), (6), or (8).

(c) A person is arrested under section 626 or an ordinance substantially corresponding to that section. If under the existing circumstances it does not appear that releasing the person pending the issuance of a warrant will constitute a public menace, the arresting officer may proceed as provided by section 728.

(d) A person arrested does not have in his or her immediate possession a valid operator's or chauffeur's license or the receipt described in section 311a. If the arresting officer otherwise satisfactorily determines the identity of the person and the practicability of subsequent apprehension if the person fails to voluntarily appear before a designated magistrate or the family division of circuit court as directed, the officer may release the person from custody with instructions to appear in court, given in the form of a citation as prescribed by section 728.

Compiler's note: The repealed section pertained to citations for traffic violations.

257.727b Citation books; issuance; receipt.

Sec. 727b. Each police chief, including the state police, and each sheriff shall issue citation books to each police officer of the department whose duties may or will include traffic duty or traffic law enforcement. Each police chief shall obtain a receipt from the officer to whom a citation book has been issued upon a form created by the secretary of state, the attorney general, the state court administrator, and the director of the department of state police.

257.727c “Citation” defined; numbering, form, and parts of citation; modification and optional use of citation; complaint signed by police officer as made under oath; conditions.

(b) The first copy which shall be retained by the local traffic enforcement agency.

(c) The second copy which shall be delivered to the alleged violator if the violation is a misdemeanor.

(d) The third copy which shall be delivered to the alleged violator if the violation is a civil infraction.

(3) For purposes of this act, a complaint signed by a police officer shall be treated as made under oath if the violation alleged in the complaint is either a civil infraction or a misdemeanor or ordinance violation for which the maximum permissible penalty does not exceed 93 days in jail or a fine, or both, and occurred or was committed in the signing officer's presence or under circumstances permitting the officer's issuance of a citation under section 625a or 728(8), and if the complaint contains the following statement immediately above the date and signature of the officer:

Sec. 728. (1) When a person is arrested without a warrant for a violation of this act punishable as a misdemeanor, or an ordinance substantially corresponding to a provision of this act and punishable as a misdemeanor, under conditions not referred to in section 617, 619, or 727, the arresting officer shall prepare, as soon as possible and as completely as possible, an original and 3 copies of a written citation to appear in court containing the name and address of the person, the violation charged, and the time and place when and where the person shall appear in court. The officer shall inform the offender of the violation and shall give the second copy of the citation to the alleged offender. If the arrested person demands, he or she shall be arraigned by a magistrate or probate court as provided in section 727 in lieu of being given the citation.

(2) The time specified in the citation to appear shall be within a reasonable time after the arrest.

(3) The place specified in the citation to appear shall be before a magistrate or probate court within the county in which the violation charged is alleged to have been committed and who has jurisdiction of the violation.

(4) Appearance may be made in person, by representation, or by mail. If appearance is made by representation or mail, the magistrate may accept the plea of guilty or not guilty for purposes of arraignment, with the same effect as though the person personally appeared before him or her. The magistrate, by giving 5 days' notice of the date of appearance, may require appearance in person at the time and place designated in the citation.

(5) If a nonresident is arrested without warrant for a violation of this act that is punishable as a misdemeanor, or an ordinance substantially corresponding to a provision of this act and punishable as a misdemeanor, under conditions not referred to in section 727, the arresting officer, upon demand of the arrested person, immediately shall take the person for arraignment by a magistrate in the vicinity to answer to the complaint made against the person. If a magistrate is not available or an immediate trial cannot be had, the person arrested may recognize to the officer for his or her appearance by leaving with the officer a guaranteed appearance certificate or a sum of money not to exceed $100.00, in which case the following provisions apply:

(a) The officer making the arrest shall give a receipt to the person arrested for the guaranteed appearance certificate or the money deposited together with a written citation as provided in subsection (1).

(b) If the alleged offender fails to appear as required in the citation, the guaranteed appearance certificate or deposit shall be forfeited as in other cases of default in bail in addition to any other penalty provided in this chapter.

(c) At or before the completion of his or her tour of duty, a police officer taking a certificate or deposit of money shall deliver the certificate or deposit of money either to the magistrate named in the citation together with a report of the facts relating to the arrest, or to the police chief or person authorized by the police chief to receive certificates and deposits. The police chief or person authorized by the police chief shall deposit with the court the certificate or the money deposited and the citation in the same manner as prescribed for citations in section 728a. Failure to make a report and deliver the money deposited is embezzlement of public money.

(d) "Guaranteed appearance certificate" means a card or certificate containing a printed statement that a surety company authorized to do business in this state guarantees the appearance of the person whose signature appears on the card or certificate, and that the company, if the person fails to appear in court at the time of trial or sentencing or to pay any fines or costs imposed under this act, will pay any fine, costs, or bond forfeiture imposed on the person in a total amount not to exceed $200.00.

(6) An officer making an arrest under this chapter for a misdemeanor without a warrant, except under section 727, is not entitled to any fees for making the arrest or the issuance of a citation under this section.

(7) An officer or magistrate who violates this section is guilty of misconduct in office and subject to removal from office.

(8) A police officer may issue a citation to a person who is an operator of a motor vehicle involved in an accident if, based upon personal investigation, the officer has reasonable cause to believe that the person has committed a misdemeanor under this act in connection with the accident. The officer shall prepare an original and 3 copies of the citation, setting forth the name and address of the person, the violation that may be charged against the person, and the time and place of the appearance of the person in court. The citation shall inform the person of the office, bureau, or department to which requests for a change or adjournment of the court date may be made.

(9) If the citation is issued to a person who is operating a commercial motor vehicle, the citation shall contain the vehicle group designation and indorsement description of the vehicle operated by the person at the time of the alleged violation.

The police chief or a person duly authorized by the police chief shall deposit the original of the citation with the court having jurisdiction over the offense not later than 3 days after the date of the citation, excluding Saturdays, Sundays, and legal holidays.

(2) The citation shall be considered to have been deposited with the court as required under subsection (1) if the original of the citation is mailed not later than 2 days after the date of the citation as specified under this subsection. Mailing shall be accomplished by enclosing the original of the citation in a sealed envelope with first class postage fully prepaid, addressed to the court, and depositing the envelope and contents in the United States government mail.

(3) If a citation is spoiled, mutilated, or voided, it shall be endorsed with a full explanation thereof by the police officer voiding the citation, and shall be accounted for to the police officer's police chief or an authorized designee of the police chief.

(4) Nothing in this act shall prevent a person other than a police officer from applying for a criminal complaint for a vehicle law violation which is not a civil infraction, and that person need not show that the alleged offender has been issued a citation in connection with the offense.

### 257.741 Civil infraction action as civil action; commencement; plaintiff; jurisdiction; time and place for appearance; venue.

Sec. 741. (1) A civil infraction action is a civil action in which the defendant is alleged to be responsible for a civil infraction. A civil infraction action is commenced upon the issuance and service of a citation as provided in section 742. The plaintiff in a civil infraction action shall be either the state if the alleged civil infraction is a violation of this act, or a political subdivision if the alleged civil infraction is a violation of a local ordinance of that subdivision which substantially corresponds to a provision of this act.

(2) The following courts shall have jurisdiction over civil infraction actions:

(a) The district court.
(b) Any municipal court.

(3) The time specified in a citation for appearance shall be within a reasonable time after the citation is issued pursuant to section 742.

(4) The place specified in the citation for appearance shall be the court listed in subsection (2) which has territorial jurisdiction of the place where the civil infraction occurred. Venue in the district court shall be governed by section 8312 of the revised judicature act of 1961, 1961 PA 236, MCL 600.8312.

(5) If the person cited is a minor, that individual shall be permitted to appear in court or to admit responsibility for a civil infraction without the necessity of appointment of a guardian or next friend. The courts listed in subsection (2) shall have jurisdiction over the minor and may proceed in the same manner and in all respects as if that individual were an adult.

### 257.742 Stopping, detaining, and issuing citation for civil infraction; pursuing, stopping, and detaining person outside village, city, township, or county; purpose; violation as to load, weight, height, length, or width of vehicle or load; powers of police officer; issuing citation to driver of motor vehicle; form of citation; informing person of alleged civil infraction; delivering copy of citation to alleged offender; issuing, serving, and processing citations for parking and standing violations; filing citation with court; “parking violation notice” and “parking violations bureau” defined.

Sec. 742. (1) A police officer who witnesses a person violating this act or a local ordinance substantially corresponding to this act, which violation is a civil infraction, may stop the person, detain the person temporarily for purposes of making a record of vehicle check, and prepare and subscribe, as soon as possible and as completely as possible, an original and 3 copies of a written citation, which shall be a notice to appear in court for 1 or more civil infractions. If a police officer of a village, city, township, or county, or a police officer who is an authorized agent of a county road commission, witnesses a person violating this act or a local ordinance substantially corresponding to this act within that village, city, township, or county and that violation is a civil infraction, that police officer may pursue, stop, and detain the person outside the village, city, township, or county where the violation occurred for the purpose of exercising the authority and performing the duties prescribed in this section and section 749, as applicable.

(2) Any police officer, having reason to believe that the load, weight, height, length, or width of a vehicle
or load are in violation of section 717, 719, 719a, 722, 724, 725, or 726 which violation is a civil infraction, may require the driver of the vehicle to stop, and the officer may investigate, weigh, or measure the vehicle or load. If, after personally investigating, weighing, or measuring the vehicle or load, the officer determines that the load, weight, height, length, or width of the vehicle or load are in violation of section 717, 719, 719a, 722, 724, 725, or 726, the officer may temporarily detain the driver of the vehicle for purposes of making a record or vehicle check and issue a citation to the driver or owner of the vehicle as provided in those sections.

(3) A police officer may issue a citation to a person who is a driver of a motor vehicle involved in an accident when, based upon personal investigation, the officer has reasonable cause to believe that the person is responsible for a civil infraction in connection with the accident. A police officer may issue a citation to a person who is a driver of a motor vehicle when, based upon personal investigation by the police officer of a complaint by someone who witnessed the person violating this act or a local ordinance substantially corresponding to this act, which violation is a civil infraction, the officer has reasonable cause to believe that the person is responsible for a civil infraction and if the prosecuting attorney or attorney for the political subdivision approves in writing the issuance of the citation.

(4) The form of a citation issued under subsection (1), (2), or (3) shall be as prescribed in sections 727c and 743.

(5) The officer shall inform the person of the alleged civil infraction or infractions and shall deliver the third copy of the citation to the alleged offender.

(6) In a civil infraction action involving the parking or standing of a motor vehicle, a copy of the citation is not required to be served personally upon the defendant but may be served upon the registered owner by attaching the copy to the vehicle. A city may authorize personnel other than a police officer to issue and serve a citation for a violation of its ordinance involving the parking or standing of a motor vehicle. A city may authorize a person other than personnel or a police officer to issue and serve a citation for parking violations described in section 675d if the city has complied with the requirements of section 675d. State security personnel receiving authorization under section 6c of 1935 PA 59, MCL 28.6c, may issue and serve citations for violations involving the parking or standing of vehicles on land owned by the state or land of which the state is the lessee when authorized to do so by the director of the department of state police.

(7) If a parking violation notice other than a citation is attached to a motor vehicle, and if an admission of responsibility is not made and the civil fine and costs, if any, prescribed by ordinance for the violation are not paid at the parking violations bureau, a citation may be filed with the court described in section 741(4) and a copy of the citation may be served by first-class mail upon the registered owner of the vehicle at the owner's last known address. A parking violation notice may be issued by a police officer, including a limited duty officer, or other personnel duly authorized by the city, village, township, college, or university to issue such a notice under its ordinance. The citation filed with the court pursuant to this subsection need not comply in all particulars with sections 727c and 743 but shall consist of a sworn complaint containing the allegations stated in the parking violation notice and shall fairly inform the defendant how to respond to the citation.

(8) A citation issued under subsection (6) or (7) for a parking or standing violation shall be processed in the same manner as a citation issued personally to a defendant under subsection (1) or (3).

(9) As used in subsection (7):

(a) "Parking violation notice" means a notice, other than a citation, directing a person to appear at a parking violations bureau in the city, village, or township in which, or of the college or university for which, the notice is issued and to pay the fine and costs, if any, prescribed by ordinance for the parking or standing of a motor vehicle in violation of the ordinance.

(b) "Parking violations bureau" means a parking violations bureau established pursuant to section 8395 of the revised judicature act of 1961, 1961 PA 236, MCL 600.8395, or a comparable parking violations bureau established in a city or village served by a municipal court or established pursuant to law by the governing board of a state university or college.

257.743 Contents of citation issued pursuant to MCL 257.742; timely appearance.

Sec. 743. (1) A citation issued pursuant to section 742 shall contain the name of the state or political subdivision acting as plaintiff, the name and address of the person to whom the citation is issued, the civil infraction alleged, the place where the person shall appear in court, the telephone number of the court, the time at or by which the appearance shall be made, and the additional information required by this section.

(2) The citation shall inform the defendant to the effect that he or she, at or by the time specified for
appearance, may:

(a) Admit responsibility for the civil infraction in person, by representation, or by mail.
(b) Admit responsibility for the civil infraction "with explanation" in person, by representation, or by mail.
(c) Deny responsibility for the civil infraction by doing either of the following:
   (i) Appearing in person for an informal hearing before a district court magistrate or a judge without the opportunity of being represented by an attorney.
   (ii) Appearing in court for a formal hearing before a judge, with the opportunity of being represented by an attorney.

(3) The citation shall inform the defendant that if the person desires to admit responsibility "with explanation" other than by mail to have an informal hearing or a formal hearing, the person must apply to the court in person, by mail, or by telephone, within the time specified for appearance and obtain a scheduled date and time to appear for a hearing. A hearing date may be specified on the citation.

(4) The citation shall contain a notice in boldface type that the failure of a person to appear within the time specified in the citation or at the time scheduled for a hearing or appearance will result in entry of a default judgment against the person and in the immediate suspension of the person's operator's or chauffeur's license. Timely application to the court for a hearing or return of the citation with an admission of responsibility and with full payment of applicable civil fines and costs constitute a timely appearance.

(5) If the citation is issued to a person who is operating a commercial motor vehicle, the citation shall contain a vehicle group designation and indorsement description of the vehicle, which vehicle is operated by the person at the time of the alleged civil infraction.

Compiler's note: Section 2 of Act 346 of 1988 provides:

"(1) Except as otherwise provided in this section, this amendatory act shall take effect October 1, 1989.
"(2) Sections 634, 710g, 722, 723, 724, 802, and 907 of this amendatory act shall take effect January 1, 1989.
"(3) Sections 4B and 801 of this amendatory act shall take effect upon the date of enactment of this amendatory act."

Section 2 of Act 173 of 1989 provides:

"(2) Enacting section 2 of Act No. 346 of the Public Acts of 1988 is repealed."

257.744 Admissions or denials; sworn complaint; warrant for arrest.

Sec. 744. If an officer issues a citation under section 742 for a civil infraction or if a citation is issued under section 742 for a parking or standing violation, the court may accept an admission with explanation or an admission or denial of responsibility upon the citation without the necessity of a sworn complaint. If the person denies responsibility for the civil infraction, further proceedings shall not be had until a sworn complaint is filed with the court. A warrant for arrest under section 321a for failure to appear on the civil infraction citation shall not issue until a sworn complaint relative to the civil infraction is filed with the court.

257.744a Police officer knowingly making materially false statement in citation as perjury; felony; penalty; contempt of court.

Sec. 744a. A police officer who, knowing the statement is false, makes a materially false statement in a citation issued under section 742 is guilty of perjury, a felony punishable by imprisonment for not more than 15 years, and in addition is in contempt of court.

257.745 Responding to allegations in citation; appearance in person, by representation, or by mail; admission of responsibility; acceptance of admission; denial of responsibility; scheduling of informal or formal hearing.

Sec. 745. (1) A person to whom a citation is issued under section 742 shall appear by or at the time specified in the citation and may respond to the allegations in the citation as provided in this section.

(2) If the person wishes to admit responsibility for the civil infraction, the person may do so by appearing in person, by representation, or by mail. If appearance is made by representation or mail, the court may accept the admission with the same effect as though the person personally appeared in court. Upon acceptance of the admission, the court may order any of the sanctions permitted under section 907.

(3) If the person wishes to admit responsibility for the civil infraction "with explanation", the person may...
do so in either of the following ways:

(a) By appearing by mail.

(b) By contacting the court in person, by mail, by telephone, or by representation to obtain from the court a scheduled date and time to appear, at which time the person shall appear in person or by representation.

(4) If a person admits responsibility for a civil infraction "with explanation" under subsection (3), the court shall accept the admission as though the person has admitted responsibility under subsection (2) and may consider the person's explanation by way of mitigating any sanction which the court may order under section 907. If appearance is made by representation or mail, the court may accept the admission with the same effect as though the person personally appeared in court, but the court may require the person to provide a further explanation or to appear in court.

(5) If the person wishes to deny responsibility for a civil infraction, the person shall do so by appearing for an informal or formal hearing. Unless the hearing date is specified on the citation, the person shall contact the court in person, by representation, by mail, or by telephone, and obtain a scheduled date and time to appear for an informal or formal hearing. The court shall schedule an informal hearing, unless the person expressly requests a formal hearing. If the hearing date is specified on the citation, the person shall appear on that date for an informal hearing unless the person contacts the court at least 10 days before that date in person, by representation, by mail, or by telephone to request a formal hearing. If the person expressly requests a formal hearing, the court shall schedule a formal hearing. If a hearing is scheduled by telephone, the court shall mail the defendant a confirming notice of that hearing by regular mail to the address appearing on the citation or to an address which may be furnished by the defendant. An informal hearing shall be conducted pursuant to section 746 and a formal hearing shall be conducted pursuant to section 747.

257.746 Informal hearing; procedure.

Sec. 746. (1) An informal hearing shall be conducted by a district court magistrate when authorized by the judge or judges of the district court district or by a judge of a court listed in section 741(2). A district court magistrate may administer oaths, examine witnesses, and make findings of fact and conclusions of law at an informal hearing. The judge or district court magistrate shall conduct the informal hearing in an informal manner so as to do substantial justice according to the rules of substantive law but shall not be bound by the statutory provisions or rules of practice, procedure, pleading, or evidence, except provisions relating to privileged communications. There shall not be a jury at an informal hearing. A verbatim record of an informal hearing shall not be required.

(2) At an informal hearing the person cited may not be represented by an attorney nor may the plaintiff be represented by the prosecuting attorney or attorney for a political subdivision.

(3) Notice of a scheduled informal hearing shall be given to the citing police agency, which agency may subpoena witnesses for the plaintiff. The defendant may also subpoena witnesses. Witness fees need not be paid in advance to a witness. Witness fees for a witness on behalf of the plaintiff are payable by the district control unit of the district court for the place where the hearing occurs, by the city or village when the hearing involves an ordinance violation in a district where the district court is not functioning, or by the county when the hearing involves a violation of this act in a district where the district court is not functioning.

(4) If the judge or district court magistrate determines by a preponderance of the evidence that the person cited is responsible for a civil infraction, the judge or magistrate shall enter an order against the person as provided in section 907. Otherwise, a judgment shall be entered for the defendant, but the defendant shall not be entitled to costs of the action.

(5) The plaintiff and defendant shall be entitled to appeal an adverse judgment entered at an informal hearing. An appeal from a municipal judge shall be a trial de novo in the circuit court. In other instances an appeal shall be de novo in the form of a scheduled formal hearing as follows:

(a) The appeal from a judge of the district court shall be heard by a different judge of the district.

(b) The appeal from a district court magistrate shall be heard by a judge of the district.

257.747 Formal hearing; procedure.

Sec. 747. (1) A formal hearing shall be conducted only by a judge of a court having jurisdiction over civil infraction actions under section 741(2).

(2) In a formal hearing the person cited may be represented by an attorney, but is not entitled to appointed counsel at public expense.

(3) Notice of a formal hearing shall be given to the prosecuting attorney or attorney for the political
subdivision who represents the plaintiff. That attorney shall appear in court for a formal hearing and that attorney shall be responsible for the issuance of a subpoena to each witness for the plaintiff. The defendant may also subpoena witnesses. Witness fees need not be paid in advance to a witness. Witness fees for a witness on behalf of the plaintiff are payable by the district control unit of the district court for the place where the hearing occurs, by the city or village when the hearing involves an ordinance violation in a district where the district court is not functioning, or by the county when the hearing involves a violation of this act in a district where the district court is not functioning.

(4) There shall not be a jury trial in a formal hearing.

(5) If the judge determines by a preponderance of the evidence that the person cited is responsible for a civil infraction, the judge shall enter an order against the person as provided in section 907. Otherwise, a judgment shall be entered for the defendant, but the defendant shall not be entitled to costs of the action.

257.748 Default judgment; suspension of license.

Sec. 748. If the person to whom a citation is issued for a civil infraction fails to appear as directed by the citation or other notice, at a scheduled appearance under section 745(3)(b) or (4), at a scheduled informal hearing, or at a scheduled formal hearing, the court shall enter a default judgment against that person and the person's license shall be suspended pursuant to section 321a until that person appears in court and all matters pertaining to the violation are resolved or until the default judgment is set aside.

257.749 Stopping nonresident for civil infraction; taking operator's or chauffeur's license as security for appearance; delivery of license to court, police chief, or authorized person; depositing driver's license and citation with court; contempt; arrest; guaranteed appearance certificate or deposit; answering before magistrate; return or retention of license; receipt; failure to deliver money deposited as embezzlement; default judgment; forfeiture of certificate or money deposited; "guaranteed appearance certificate" defined.

Sec. 749. (1) When a nonresident is stopped under section 742 for a civil infraction, the police officer making the stop shall take that person's operator's license or chauffeur's license as security for the nonresident's appearance in court and satisfaction of any order that may be issued under section 907 and shall issue to that person a citation as provided in sections 727c and 742. At or before the completion of his or her tour of duty, a police officer taking the operator's license or chauffeur's license shall deliver that license to the court named in the citation or to the police chief or person authorized by the police chief to receive citations and operator's licenses and chauffeur's licenses. The police chief or person authorized shall deposit the license and citation with the court in the same manner as prescribed for citations in section 728a. Failure to deliver the license shall be considered contempt of court. If the person does not have an operator's license or a chauffeur's license in immediate possession in violation of section 301 or a license or the receipt described in section 311a in violation of section 311, the officer shall arrest that person under section 727(d).

(2) In lieu of the officer's taking of the license under subsection (1) or before appearance in court, the person stopped may recognize to the officer or to the court for his or her appearance by leaving with the officer or court a guaranteed appearance certificate or a sum of money not to exceed $100.00.

(3) If a magistrate is available for an immediate appearance, upon demand of the person stopped, the officer immediately shall take the nonresident driver before the magistrate to answer to the civil infraction alleged. Upon entry of an admission of responsibility for the civil infraction, with or without explanation, or upon completion of an informal hearing, the defendant's license shall be retained until the defendant enters a formal hearing.

(4) The officer receiving a guaranteed appearance certificate or deposit of money under subsection (2) shall give a receipt to the person stopped for the guaranteed appearance certificate or the money deposited together with the written citation required under subsection (1).

(5) At or before the completion of his or her tour of duty a police officer taking a certificate or deposit of money shall deliver the certificate or deposit of money and the citation either to the court named in the citation, or to the police chief or person authorized by the police chief to receive certificates or deposits. The
police chief or person authorized shall deposit the certificate or the money deposited and the citation with the court in the same manner as prescribed for citations in section 728a. Failure to deliver the money deposited shall be embezzlement of public money.

(6) If the person who posts a certificate or deposit fails to appear as required in the citation or for a scheduled formal hearing, the court having jurisdiction and venue over the civil infraction shall enter a default judgment against the person, and the guaranteed appearance certificate or money deposited shall be forfeited and applied to any civil fine or costs ordered under section 907.

(7) For purposes of this section, “guaranteed appearance certificate” means a card or certificate containing a printed statement that a surety company authorized to do business in this state guarantees the appearance of the person whose signature appears on the card or certificate, and that the company, if the person fails to appear in court at the time of a scheduled informal or formal hearing or to pay any fine or costs imposed under section 907, will pay any fine, costs, or bond forfeiture imposed on the person in a total amount not to exceed $200.00.

257.750 Issuance of citations; number as factor in evaluation of police officer's performance; applicability of MCL 257.901; fees prohibited; violation of MCL 257.749 as misconduct in office; removal.

Sec. 750. (1) A police officer shall not be required to issue a certain number of citations for violations of this act or of local ordinances substantially corresponding to provisions of this act, including parking or standing violations, unless the issuance of citations is a part of a police officer’s performance evaluation system and the issuance of citations is not given any greater consideration than any other factor in the evaluation of a police officer's performance. In the absence of a police officer’s performance evaluation system, the issuance of citations shall not be given any greater consideration than any other factor in the evaluation of a police officer's performance. Section 901 does not apply to a violation of this subsection.

(2) A police officer shall not be entitled to any fees for issuing a citation. A police officer, judge, district court magistrate, or other person employed by the state or by a local governmental unit who violates section 749 or this subsection is guilty of misconduct in office and subject to removal from office.

On October 1, 1983, and October 1, 1984, the tax assessed under this subdivision shall be annually revised for the registrations expiring on the appropriate October 1 or after that date by multiplying the tax assessed in the preceding fiscal year times the personal income of Michigan for the preceding calendar year divided by the personal income of Michigan for the calendar year that preceded that calendar year. In performing the calculations under this subdivision, the secretary of state shall use the spring preliminary report of the United States department of commerce or its successor agency. Beginning January 1, 1984, the registration tax for each motorcycle is increased by $3.00. The $3.00 increase is not part of the tax assessed under this subdivision for the purpose of the annual October 1 revisions but is in addition to the tax assessed as a result of the annual October 1 revisions. Beginning January 1, 1984, $3.00 of each motorcycle fee shall be placed in a motorcycle safety fund in the state treasury and shall be used only for funding the motorcycle safety education program as provided for under sections 312b and 811a.

If a current tax increases or decreases as a result of 1998 PA 384, only a vehicle purchased or transferred after January 1, 1999 shall be assessed the increased or decreased tax.

(ii) For the second registration, 90% of the tax assessed under subparagraph (i).

(iii) For the third registration, 90% of the tax assessed under subparagraph (ii).

(iv) For the fourth and subsequent registrations, 90% of the tax assessed under subparagraph (iii).

For a vehicle of the 1984 or a subsequent model year that has been previously registered by a person other than the person applying for registration or for a vehicle of the 1984 or a subsequent model year that has been previously registered in another state or country and is registered for the first time in this state, the tax under this subdivision shall be determined by subtracting the model year of the vehicle from the calendar year for which the registration is sought. If the result is 1, 2, or 3 or more, then, respectively, the second, third, or subsequent registration tax shall be paid. A van that is owned by an individual who uses a wheelchair or by an individual who transports a member of his or her household who uses a wheelchair and for which registration plates are issued under section 803d shall be assessed at the rate of 50% of the tax provided for in this subdivision.

(q) For a wrecker, $200.00.

(r) When the secretary of state computes a tax under this section, a computation that does not result in a whole dollar figure shall be rounded to the next lower whole dollar when the computation results in a figure ending in 50 cents or less and shall be rounded to the next higher whole dollar when the computation results in a figure ending in 51 cents or more, unless specific taxes are specified, and the secretary of state may accept the manufacturer's shipping weight of the vehicle fully equipped for the use for which the registration application is made. If the weight is not correctly stated or is not satisfactory, the secretary of state shall determine the actual weight. Each application for registration of a vehicle under subdivisions (j) and (m) shall have attached to the application a scale weight receipt of the vehicle fully equipped as of the time the application is made. The scale weight receipt is not necessary if there is presented with the application a registration receipt of the previous year that shows on its face the weight of the motor vehicle as registered with the secretary of state and that is accompanied by a statement of the applicant that there has not been a structural change in the motor vehicle that has increased the weight and that the previous registered weight is the true weight.

(2) A manufacturer is not exempted under this act from paying ad valorem taxes on vehicles in stock or bond, except on the specified number of motor vehicles registered. A dealer is exempt from paying ad valorem taxes on vehicles in stock or bond.

(b) A fee of $5.75 that shall be credited to the transportation administration collection fund created in section 810b.

(4) If a tax required to be paid under this section is not received by the secretary of state on or before the expiration date of the registration plate, the secretary of state shall collect a late fee of $10.00 for each registration renewed after the expiration date. An application for a renewal of a registration using the regular mail and postmarked before the expiration date of that registration shall not be assessed a late fee. The late fee collected under this subsection shall be deposited into the general fund.

(5) As used in this section:

(a) "Gross proceeds" means that term as defined in section 1 of the general sales tax act, 1933 PA 167, MCL 205.51, and includes the value of the motor vehicle used as part payment of the purchase price as that value is agreed to by the parties to the sale, as evidenced by the signed agreement executed under section 251.

(b) "List price" means the manufacturer's suggested base list price as published by the secretary of state, or the manufacturer's suggested retail price as shown on the label required to be affixed to the vehicle under 15
USC 1232, if the secretary of state has not at the time of the sale of the vehicle published a manufacturer's suggested retail price for that vehicle, or the purchase price of the vehicle if the manufacturer's suggested base list price is unavailable from the sources described in this subdivision.

(c) "Purchase proceeds" means the gross proceeds received by the seller in consideration of the sale of the motor vehicle being registered.

A claim shall be filed within 1 year after the date of payment and verified by the secretary of state before a refund is made. If an application for a dealer license provided for in section 248 is withdrawn by the applicant or the applicant's heir, before issuance of the dealer license, the fees that accompanied the application under sections 803, 803a, and 807 may be refunded by the secretary of state upon application and satisfactory proof.

(2) If a person's license to drive a motor vehicle is revoked, suspended, or denied for medical or physical reasons, the person may return the registration plates and obtain a refund on the plates prorated on a monthly basis for the time period remaining in the registration year from the date the plates are returned. A refund shall not be made if the amount due is less than $5.00.
(7) In the case of an original application for the registration plates bearing the letters “SEN” or “REP”, the secretary of state shall issue a refund prorated on a monthly basis from the date of application for the time period remaining in the previously issued registration.

(8) In the case of an original application and issuance of an international registration plan registration plate under section 801g, the secretary of state shall make a refund as a credit prorated on a monthly basis from the date of application for the months remaining for the previously issued registration on the same vehicle, if an application for the refund as a credit is made and satisfactory proof of eligibility is presented to the secretary of state. A refund as a credit shall not exceed the total amount of the Michigan apportioned fees assessed for the plates issued under section 801g nor be made if the amount due is less than $5.00. For the purpose of this subsection, a month shall mean 30 consecutive days and a partial month shall be considered as a whole month.

Sec. 801g. (1) Notwithstanding section 801(1)(j) or 801(1)(k), for a truck, truck tractor, or road tractor
engaged in interstate commerce, for which a registration fee otherwise would be provided in section 801(1)(j)
or 801(1)(k), the fee may be apportioned under the international registration plan according to the miles

(2) For the purposes of this section, “international registration plan” means a method of licensing trucks

Partial months shall be considered as whole months in the calculation of the required fee and in the determination of the length of time between the application for a registration and the last day of the month of expiration. The calculation shall include any refund as a credit provided for in section 801b(8). The fee required for the registration shall be rounded off to whole dollars as provided in section 801.

(5) If a person does not surrender a registration plate purchased under section 801(1)(j) or 801(1)(k) for a registration under this section, the apportioned fee shall be determined as provided for in this section except the apportioned fee for a registration purchased shall bear the same relationship to the fee required under this section for a 12-month registration as the length of time the registration bears to 12 months. Partial months shall be considered as whole months in the calculation of the required fee and in the determination of the length of time between the application for a registration and the last day of the month of expiration. (5) In addition to a civil fine and costs ordered under subsection (2) or (3) and subsection (4) and the justice system assessment ordered under subsection (14), the judge or district court magistrate may order the person to attend and complete a program of treatment, education, or rehabilitation.

(6) A district court magistrate shall impose the sanctions permitted under subsections (2), (3), and (5) only to the extent expressly authorized by the chief judge or only judge of the district court district.

(7) Each district of the district court and each municipal court may establish a schedule of civil fines, costs, and assessments to be imposed for civil infractions that occur within the respective district or city. If a schedule is established, it shall be prominently posted and readily available for public inspection. A schedule need not include all violations that are designated by law or ordinance as civil infractions. A schedule may exclude cases on the basis of a defendant's prior record of civil infractions or traffic offenses, or a combination of civil infractions and traffic offenses.

(8) The state court administrator shall annually publish and distribute to each district and court a recommended range of civil fines and costs for first-time civil infractions. This recommendation is not binding upon the courts having jurisdiction over civil infractions but is intended to act as a normative guide for judges and district court magistrates and a basis for public evaluation of disparities in the imposition of civil fines and costs throughout the state.

(9) If a person has received a civil infraction citation for defective safety equipment on a vehicle under section 683, the court shall waive a civil fine, costs, and assessments upon receipt of certification by a law enforcement agency that repair of the defective equipment was made before the appearance date on the citation.

(10) A default in the payment of a civil fine or costs ordered under subsection (2), (3), or (4) or a justice system assessment ordered under subsection (14), or an installment of the fine, costs, or assessment, may be collected by a means authorized for the enforcement of a judgment under chapter 40 of the revised judicature act of 1961, 1961 PA 236, MCL 600.4001 to 600.4065, or under chapter 60 of the revised judicature act of 1961, 1961 PA 236, MCL 600.6001 to 600.6098.

(11) If a person fails to comply with an order or judgment issued pursuant to this section within the time prescribed by the court, the driver's license of that person shall be suspended pursuant to section 321a until full compliance with that order or judgment occurs. In addition to this suspension, the court may also proceed under section 908.

(12) The court shall waive any civil fine, cost, or assessment against a person who received a civil infraction citation for a violation of section 710d if the person, before the appearance date on the citation, supplies the court with evidence of acquisition, purchase, or rental of a child seating system meeting the requirements of section 710d.

(13) Until October 1, 2003, in addition to any civil fines and costs ordered to be paid under this section, the judge or district court magistrate shall levy an assessment of $5.00 for each civil infraction determination, except for a parking violation or a violation for which the total fine and costs imposed are $10.00 or less. An assessment paid before October 1, 2003 shall be transmitted by the clerk of the court to the state treasurer for deposit in the justice system fund created in section 181 of the revised judicature act of 1961, 1961 PA 236, MCL 600.181. An assessment levied under this subsection is not a civil fine for purposes of section 909.

(14) Effective October 1, 2003, in addition to any civil fines or costs ordered to be paid under this section, the judge or district court magistrate shall order the defendant to pay a justice system assessment of $40.00 for each civil infraction determination, except for a parking violation or a violation for which the total fine and costs imposed are $10.00 or less. Upon payment of the assessment, the clerk of the court shall transmit the assessment collected to the state treasurer to be deposited into the justice system fund created in section 181 of the revised judicature act of 1961, 1961 PA 236, MCL 600.181. An assessment levied under this subsection is
not a civil fine for purposes of section 909.

(15) If a person has received a citation for a violation of section 223, the court shall waive any civil fine, costs, and assessment, upon receipt of certification by a law enforcement agency that the person, before the appearance date on the citation, produced a valid registration certificate that was valid on the date the violation of section 223 occurred.

(16) If a person has received a citation for a violation of section 328(1) for failing to produce a certificate of insurance pursuant to section 328(2), the court may waive the fee described in section 328(3)(c) and shall waive any fine, costs, and any other fee or assessment otherwise authorized under this act upon receipt of verification by the court that the person, before the appearance date on the citation, produced valid proof of insurance that was in effect at the time the violation of section 328(1) occurred. Insurance obtained subsequent to the time of the violation does not make the person eligible for a waiver under this subsection.

257.908 Default as civil contempt; penalty.

Sec. 908. (1) If a defendant defaults in the payment of a civil fine, costs, or both, or of any installment, as ordered pursuant to section 907(2), the court, upon the motion of the plaintiff or upon its own motion, may require the defendant to show cause why the default should not be treated as in civil contempt and may issue a summons or order to show cause or a bench warrant of arrest for the defendant's appearance.

(2) When a corporation or an association is ordered to pay a civil fine or costs, the persons authorized to make disbursement shall pay the fine or costs, and their failure to do so shall be civil contempt unless they make the showing required in this section.

(3) Unless the defendant shows that the default was not attributable to an intentional refusal to obey the order of the court or to a failure on his or her part to make a good faith effort to obtain the funds required for payment, the court shall find that the default constitutes a civil contempt and may order the defendant committed until the civil fine, costs, or both, or a specified part thereof, is paid.

(4) If it appears that the default in the payment of a civil fine or costs does not constitute civil contempt, the court may enter an order allowing the defendant additional time for payment, reducing the amount of payment or of each installment, or revoking the fine or costs or the unpaid portion thereof in whole or in part.

(5) The term of imprisonment on civil contempt for nonpayment of a civil fine or costs shall be specified in the order of commitment, and shall not exceed 1 day for each $10.00 of the fine and costs. A person committed for nonpayment of a civil fine or costs shall be given credit toward payment for each day of detention in default of recognizance before judgment at the rate of $10.00 per day.

(6) A defendant committed to imprisonment for civil contempt for nonpayment of a civil fine or costs shall not be discharged from custody until 1 of the following occurs:

(a) The defendant has been credited with the amount due pursuant to subsection (5).

(b) The amount due has actually been collected through execution of process or otherwise.

(c) The amount due has been satisfied pursuant to a combination of subdivisions (a) and (b).

(7) The civil contempt shall be purged upon discharge of the defendant pursuant to subsection (6).

Sec. 909. (1) Except as provided in subsection (2), a civil fine which is ordered under section 907 for a violation of this act or other state statute shall be exclusively applied to the support of public libraries and county law libraries in the same manner as is provided by law for penal fines assessed and collected for violation of a penal law of the state. A civil fine ordered for a violation of a code or ordinance of a local authority regulating the operation of commercial motor vehicles and substantially corresponding to a provision of this act shall be paid to the county treasurer and shall be allocated as follows:

(b) Thirty percent for library purposes as provided by law.

The state is not required to post a bond in a court proceeding. In addition the court may suspend or revoke a registration, certificate, or permit.

257.1324 Notice of alleged violation.

Sec. 24. The attorney general or prosecuting attorney after receiving notice of an alleged violation of this act or a violation of an injunction, order, decree or judgment issued in an action brought pursuant to this act or an assurance under this act shall immediately forward written notice of the alleged violation together with any information he may have to the office of the administrator.

257.1325 Action by administrator not restricted by expiration or absence of registration, certificate, or permit.

Sec. 25. The expiration or absence of a registration, certificate, or permit of a facility or person shall not restrict the administrator from proceeding with an investigation, petition, disciplinary proceeding, or other action authorized by this act against a facility or person.

257.1326 Public or private investigation by administrator; additional powers of administrator.

Sec. 26. (1) The administrator shall on his own initiative or in response to complaints, make reasonable and necessary public or private investigations within or outside of this state and gather evidence against a person who violated or is about to violate this act or a rule or order hereunder.

(2) The administrator may:

(a) Require or permit a person to file a statement in writing or otherwise as the administrator determines as to all the facts and circumstances concerning the matter to be investigated.

(b) Mediate disputes between parties arising from violations of this act or an administrative rule.

(c) Develop conditions of probation or operation for the facility or mechanic mutually agreed upon and signed by the facility or the mechanic and the administrator instead of further disciplinary proceedings.

(d) On his own initiative, conduct spot check investigations of motor vehicle repair facilities registered or required to be registered throughout the state on a continuous basis to determine whether or not the facility is in compliance with this act and rules promulgated hereunder. The administrator may not alter the odometer on a vehicle employed in such investigations or deliberately misrepresent the condition of the vehicle.

(e) Conduct mechanical and diagnostic examinations of vehicles when there are reasonable grounds to believe that an unlawful act or practice was used to produce the repair or to make the repair.

257.1327 Voluntary assurance of discontinuance of alleged violation.

Sec. 27. In mediating a dispute between parties contesting a violation of this act or administrative rule, the administrator may take from a motor vehicle repair facility a voluntary assurance that the facility will discontinue an alleged violation of this act or an administrative rule. The assurance shall be filed in the records of the administrator, shall be open for public inspection, and shall not constitute on the part of the facility making the assurance an admission of any issue of law or fact. The assurance subject to agreement by all parties, may contain provisions whereby:

(a) The facility will refund to an individual consumer an amount of money agreed upon by the parties.

(b) A facility shall take such affirmative action as is appropriate in the judgment of the administrator to correct an alleged violation of this act or a rule.

(c) A facility shall place in escrow a sum of money for the purposes of restitution to an aggrieved consumer pending the outcome of an action pursuant to this act. If the facility accepts the administrator's suggestions and performs accordingly, that fact shall be given due consideration in any subsequent disciplinary proceeding. The assurance shall constitute a contract which may be enforced by the parties in the circuit court upon application being made to the court for that purpose.

257.1328 Oaths or affirmations; subpoena; order compelling compliance; contempt.

Sec. 28. (1) For the purpose of an investigation or proceeding under this act, the administrator or an officer designated by him may administer oaths or affirmations, and upon motion of the attorney general or upon the motion of a party to a proceeding, make application to the circuit court for Ingham county for a subpoena, and if in the judgment of the court there is reasonable grounds to believe a subpoena should be issued, the court
shall issue a subpoena to compel the attendance of the designated person, take evidence, or require the production of any matter which is relevant to the investigation or proceeding before the administrator or other officer conducting a proceeding.

(2) Upon failure to obey a subpoena of the court or to answer questions propounded by the administrator or other officer conducting the investigation or proceeding, after reasonable notice to the persons affected thereby, an application may be made to the circuit court for Ingham county for an order compelling compliance. Failure to comply with the order of the court shall be punished as a contempt.

257.1329 Service of process.

Sec. 29. If a person, including a nonresident of this state, engages in conduct prohibited by this act or a rule or order and has not filed an irrevocable appointment of the secretary of state as an agent for service of process, and personal jurisdiction over him cannot otherwise be obtained in this state, the conduct itself authorizes the administrator to receive service of process in a noncriminal proceeding against that person or his successor, if that proceeding originates in conduct that is a violation of this act or an administrative rule hereunder. The service shall have the same force and validity as if served on the person personally.

257.1330 Fees; duration of original and renewal registrations, certificates, and permits.

Sec. 30. (1) The registration fee for the registration of a facility shall be determined by a sliding fee scale based upon the gross annual revenue of the facility as follows:

(2) The certificate fee for the certification of specialty and master mechanics and the permit fee of mechanic trainees shall be set by rule.

(3) The fee for the renewal of the registration of a facility, certification of a specialty or master mechanic, including a permit of a mechanic trainee shall be set by rule. The effective length of original and renewal registrations, certificates, and permits shall be set by rule and shall not be less than 1 year in duration. The renewal fee for a registration, certificate, or permit that has expired shall be 1-1/2 times the fee for the renewal of a registration, certificate, or permit that has not expired.

257.1331 Acts or practices barring action on contract, action for collection of compensation, or assertion of lien; recovery of amount paid unregistered facility.

Sec. 31. A person who engages or attempts to engage in the business or trade of a motor vehicle repair facility or specialty or master mechanic without a registration or certificate, or engages in an act or practice in violation of this act or a rule is barred from bringing or maintaining an action at law or equity on a contract or for the collection of compensation for work performed or materials or parts provided to any other person. In addition, the person is barred from asserting a mechanic’s, garageman’s, or similar lien upon a motor vehicle,
including the repossession of a motor vehicle. A customer is entitled to recover any amount paid to an unregistered facility for the repair of a motor vehicle belonging to that customer.

257.1332 Written estimate required; consent to excess charge; payment of actual cost if cost less than estimate; cost of returning vehicle to original condition; cost of diagnosis; waiver of rights.

Sec. 32. (1) A motor vehicle repair facility shall give to the customer a written estimate, itemizing as closely as possible the price for labor and parts necessary for a specific job prior to the commencement of work. A facility shall not charge for work done or parts supplied in excess of the estimated price or in excess of the limit stated by the customer in the waiver provided for in subsection (3) without the knowing written or oral consent of the customer which shall be obtained at some time after it is determined that the estimated price or stated limit is insufficient and before any work not estimated or in excess of the limit is done or the parts not estimated or in excess of the limit are supplied. If a waiver is not signed as provided in subsection (3) and the estimated price is exceeded by not more than 10% or $10.00 whichever is lesser, the written or oral consent of the customer for the excess charge need not be obtained unless specifically requested by the customer. This section shall not be construed as requiring a motor vehicle repair facility, mechanic, or mechanic trainee to give a written estimated price if he agrees not to perform the requested repair. If the actual cost of repair is less than the agreed upon estimated cost, the customer shall pay only the actual cost.

(2) If the facility or mechanic informs the customer that the price for repair will exceed the written estimate or the stated limit in the waiver and the customer does not want the repair work performed then the customer is liable for all reasonable costs to return the vehicle to the condition it was when it entered the facility. These costs should be indicated in written form itemizing the costs as closely as possible with a copy given to the customer. The cost of a diagnosis to be made, whether or not the customer authorizes repairs to be performed, shall be contained in the written estimate before the diagnosis is undertaken.

(3) If a customer initiates a request for service or parts for the repair of a motor vehicle without receiving a written estimate and voluntarily agrees to pay all reasonable costs of repair up to an amount stated by the customer, a repair facility may obtain from the customer a waiver of his right to receive a prior estimate of repair costs. The waiver shall be in 14 point or larger bold capital type face and executed with 1 copy to the customer requesting the repairs and shall read as follows:

“I, __________, voluntarily request __________ to provide services or parts in the repair of the below described motor vehicle without receiving an estimate of repair costs. By signing this form, I understand that I will give up my right to:

1. Receive a written estimate of the cost for repairs;
2. Approve in advance any repairs or costs with a total cost under $ __________; and
3. Refuse to pay for repairs with a total cost less than the amount stated above.

The facility may exceed the amount stated above only after I give my written or oral approval.

Motor vehicle description:
Customer signature _______________
Date __________
Time __________

This waiver shall not be effective unless given by the customer voluntarily and with full knowledge of the implications of the waiver. A motor vehicle repair facility or anyone in its employ shall not make use of the waiver in an attempt to evade this act.

257.1333 Right to receive or see replaced parts; notice; sign at entrance of facility.

Sec. 33. (1) The administrator shall determine by rule the time and manner in which the motor vehicle repair facility shall return replaced parts to the customer at the time of the completion of the work. This requirement does not apply to parts exempted by the administrator because of size, weight, or similar factors from this requirement, and except for parts that the motor vehicle repair facility or mechanic is required to return to the manufacturer or distributor under a warranty or exchange arrangement. If the parts must be returned to the manufacturer or distributor, the facility or mechanic shall offer to show and upon acceptance of the offer or upon request shall show the parts to the customer upon completion of the work, except the facility shall not be required to show a replacement part when a charge is not being made for the replacement thereof.

(2) A customer shall be informed of his right to receive or see replaced parts as provided in this section prior to the customer executing any document or engaging the facility or mechanic for the work. The
information shall be given to the customer on the face of any contract, work order form, or sign, or other
document evidencing the engagement of the facility or mechanic or by separate written document, in at least
12 point boldface type as follows:

YOU ARE ENTITLED BY LAW TO THE RETURN OF ALL PARTS REPLACED, EXCEPT
THOSE WHICH ARE TOO HEAVY OR LARGE, AND THOSE REQUIRED TO BE SENT BACK
TO THE MANUFACTURER OR DISTRIBUTOR BECAUSE OF WARRANTY WORK OR AN
EXCHANGE AGREEMENT. YOU ARE ENTITLED TO INSPECT THE PARTS WHICH CANNOT
BE RETURNED TO YOU.

(3) The motor vehicle repair facility shall display a clearly legible sign in a conspicuous place at the
entrance of the facility indicating that inquiries concerning repair service or complaints may be made to the
administrator and shall contain the address and telephone number of the department.

257.1334 Written statement required upon return of repaired vehicle.

Sec. 34. A motor vehicle repair facility, including a gasoline service station which performs any of the
repairs listed in the repair categories of certification for specialty mechanics or developed by the administrator
by rule, shall give to each customer a written statement upon return of the repaired vehicle to the customer.
The statement shall disclose:

(a) Repairs needed, as determined by the facility.
(b) Repairs requested by the customer.
(c) Repairs authorized by the customer.
(d) The facility’s estimate of repair costs.
(e) The actual cost of repairs.
(f) The repairs or services performed, including a detailed identification of all parts that were replaced and
a specification as to which are new, used, rebuilt, or reconditioned.
(g) A certification that the repairs were completed properly or a detailed explanation of an inability to
complete repairs properly. The statement shall be signed by the owner of the facility or by a person designated
by the owner to represent the facility. The name of the mechanic or mechanics who performed the diagnosis
and the repair shall also appear on the statement.

257.1334a Written estimate not required if total cost less than $20.00; final invoice required.

Sec. 34a. Unless otherwise requested by the customer, the requirement to furnish a written estimate shall
not apply to repair work performed by a motor vehicle repair facility when the total cost for services and parts
is less than $20.00. Nothing in this, or any other section, shall cause any repair facility to fail to furnish to the
customer a final invoice for the repairs performed and the parts supplied.

257.1335 False statement, misrepresentation, or failure to comply with cease and desist
order.

Sec. 35. A resident agent, director, officer, or partner of a motor vehicle repair facility who knowingly
authorizes, directs or makes a false statement or misrepresentation concerning the method or price of repair of
a motor vehicle, or who knowingly fails to comply with the terms of a final cease and desist order is subject to
penalties under this act. Each violation constitutes a separate offense.

257.1336 Liability for damage or injury.

Sec. 36. A facility that violates this act or who, in a course of dealing as set forth in this act or rules,
engages in an unfair or deceptive method, act, or practice, is liable as provided in this act to a person who
suffers damage or injury as a result thereof in an amount equal to the damages plus reasonable attorney fees
and costs. If the damage or injury to the person occurs as the result of a wilful and flagrant violation of this
act, the person shall recover double the damages plus reasonable attorney fees and costs.

257.1337 Mechanic or mechanic trainee as agent; joint and several liability; right to
contribution.

Sec. 37. (1) If a mechanic or mechanic trainee is employed by, or enters into a contract with, a motor
vehicle repair facility, that mechanic or mechanic trainee for the purposes of a civil action brought pursuant to
this act shall be considered to be an agent of the motor vehicle repair facility and the methods, acts, and practices of the mechanic or mechanic trainee shall be construed as the methods, acts, and practices of the motor vehicle repair facility.

(2) A person who directly or indirectly controls a motor vehicle repair facility or its employees, as well as a general partner, officer, or director of the facility shall be jointly and severally liable among themselves for a violation of this act, unless that person can demonstrate that he did not know, and in the exercise of reasonable care could not have known, of the existence of the facts by reason of which the violation occurred. There is a right to contribution as in cases of contract among persons so liable.

### 257.1338 Violation; penalty.

Sec. 38. Any person, agent, or employee of a registrant under this act who knowingly violates this act is guilty of a misdemeanor, punishable by imprisonment for not more than 90 days or a fine of not more than $1,000.00, or both, for the first conviction under this act and not more than 1 year or a fine of not more than $5,000.00, or both, for any subsequent conviction.

### 257.1339 Rules; effective date.

Sec. 39. The department shall promulgate the rules to implement this act within 6 months after the effective date of this act. The remaining portions of this act, except as provided in section 5, shall become effective 6 months after the rules are promulgated.

### 257.1340 Disposition of fees.

Sec. 40. The fees collected pursuant to this act shall be credited to the general fund of the state.

### 257.1402 Repair of defect or condition; report.

**Sec. 2.** If a new motor vehicle has any defect or condition that impairs the use or value of the new motor vehicle to the consumer or which prevents the new motor vehicle from conforming to the manufacturer's express warranty, the manufacturer or a new motor vehicle dealer of that type of motor vehicle shall repair the defect or condition as required under section 3 if the consumer initially reported the defect or condition to the manufacturer or the new motor vehicle dealer within 1 of the following time periods, whichever is earlier:

(a) During the term the manufacturer's express warranty is in effect.

(b) Not later than 1 year from the date of delivery of the new motor vehicle to the original consumer.

**Popular name:** Lemon Law

### 257.1403 Continued existence of defect or condition; replacement of motor vehicle or refund; allowance for use; reimbursement for towing costs and costs for rental vehicle; determination of ordinary and personal use; consent to replacement of security interest; presumption; performing repairs after expiration of warranty; extension of time for repair services.

**Sec. 3.** (1) If a defect or condition that was reported to the manufacturer or new motor vehicle dealer pursuant to section 2 continues to exist and the new motor vehicle has been subjected to a reasonable number of repairs as determined under subsection (5), the manufacturer shall within 30 days, do either of the following as applicable:

(a) If the new motor vehicle was purchased, either replace the new motor vehicle with a comparable replacement motor vehicle currently in production and acceptable to the consumer or accept return of the vehicle and refund to the consumer the purchase price. A consumer shall have the right to demand a refund.

(b) If the new motor vehicle was leased, the consumer has the right to a refund of the lease price paid by the consumer. The consumer may agree to accept a comparable replacement vehicle in lieu of a refund for the lease price paid. If the consumer agrees to accept a replacement vehicle, the lease agreement shall not be altered except with respect to the identification of the vehicle.

(2) The purchase price or lease price includes the cost of any options or other modifications installed or made by or for the manufacturer, and the amount of all other charges made by or for the manufacturer, less a reasonable allowance for the consumer's use of the vehicle, and less an amount equal to any appraised damage that is not attributable to normal use or to the defect or condition. A reasonable allowance for use is the purchase or lease price of the new motor vehicle multiplied by a fraction having as the denominator 100,000 miles and having as the numerator the miles directly attributable to use by the consumer and any previous consumer prior to his or her first report of a defect or condition that impairs the use or value of the new motor vehicle plus all mileage directly attributable to use by a consumer beyond 25,000 miles. If a vehicle is replaced or refunded under the provisions of this section, if towing services and rental vehicles were not made available without cost to the consumer, the manufacturer shall also reimburse the consumer for those towing costs and reasonable costs for a comparable rental vehicle that were incurred as a direct result of the defect or condition.

(3) If a court or an alternative dispute settlement procedure described in section 5 determines that a consumer has provided sufficient evidence that the vehicle did not provide reliable transportation for ordinary personal or household use for any period beyond the first 25,000 mileage usage period of the vehicle, the court or the alternative dispute settlement procedure may reduce the vehicle usage deduction for mileage beyond the first 25,000 mileage usage period only for the period beyond the 25,000 mileage usage period that the court or alternative dispute settlement procedure determines that the vehicle did not provide useful transportation for ordinary personal or household use. To determine if the vehicle did or did not provide useful transportation for ordinary personal and household use, the court or the alternative dispute settlement procedure shall consider all of the following:
(a) The number of repairs.
(b) The cost of the repairs.
(c) The number of days the vehicle was out of service.
(d) Whether the vehicle's need for repair significantly affected the consumer's ability to use the vehicle for personal or household functions.

(4) The provisions of this act do not affect the obligations of a consumer under a loan, sales, or lease contract or the secured interest of a secured party. The secured party shall consent to the replacement of the security interest with a corresponding security interest on a replacement motor vehicle that is accepted by the consumer in exchange for the motor vehicle having a defect or condition pursuant to subsection (1), if the replacement motor vehicle is comparable in value to the original motor vehicle. If for any reason the security interest in the new motor vehicle having a defect or condition pursuant to subsection (1) is not able to be replaced with a corresponding security interest on a new motor vehicle accepted by the consumer, the consumer shall accept a refund. A refund required under this subsection or subsection (1) shall be made to the consumer and the secured party, if any, as their interests exist at the time the refund is to be made. The lessor, if any, shall be notified if a refund is made to a lessee under this act. A lessor shall not assess a fee for early termination of a lease under this act.

(5) It shall be presumed that a reasonable number of attempts have been undertaken to repair a defect or condition if 1 of the following occurs:

(a) The same defect or condition that substantially impairs the use or value of the new motor vehicle to the consumer has been subject to repair a total of 4 or more times by the manufacturer or new motor vehicle dealer within 2 years of the date of the first attempt to repair the defect or condition, and the defect or condition continues to exist. Any repair performed on the same defect made pursuant to subsection (6) shall be included in calculating the number of repairs under this section. The consumer or his or her representative, before availing himself or herself of a remedy provided under subsection (1), and any time after the third attempt to repair the same defect or condition, shall give written notification, by return receipt service, to the manufacturer of the need for repair of the defect or condition in order to allow the manufacturer an opportunity to cure the defect or condition. The manufacturer shall notify the consumer as soon as reasonably possible of a reasonably accessible repair facility. After delivery of the vehicle to the designated repair facility, the manufacturer has 5 business days to repair the defect or condition.

(b) The new motor vehicle is out of service because of repairs for a total of 30 or more days or parts of days during the term of the manufacturer's express warranty, or within 1 year from the date of delivery to the original consumer, whichever is earlier. The consumer, or his or her representative, before availing himself or herself of a remedy provided under subsection (1), and after the vehicle has been out of service for at least 25 days in a repair facility, shall give written notification by return receipt service to the manufacturer of the need for repair of the defect or condition in order to allow the manufacturer an opportunity to cure the defect or condition. The manufacturer shall notify the consumer as soon as reasonably possible of a reasonably accessible repair facility. After delivery of the vehicle to the designated repair facility, the manufacturer has 5 business days to repair the defect or condition.

(6) Any repairs required to be made under this act shall be made even if the repairs need to be performed after the expiration of the manufacturer's express warranty. The defect needing repair must be a continuation of the original attempt to repair the defect.

(7) The term of an express warranty, and the 1-year, 30-day, and 5-day periods of time provided for in this section shall be extended because repair services were not available to the consumer because of war, invasion, strike, fire, flood, or other natural disaster.

(a) Complies with the Magnuson-Moss warranty—federal trade commission improvement act, Public Law

(b) Requires that the manufacturer is bound by any decision reached if the consumer agrees to it.

(c) Provides that the consumer is not obligated to accept the decision and may pursue the remedies provided for under this act.

(d) Requires the manufacturer to initiate the process necessary to implement any final settlement not more than 30 days after the settlement has been reached.

The department of state police may delegate the inspection of school buses to publicly employed inspectors if the inspection complies with this section.

(2) Inspection of a school bus may be accomplished at any time, at any location, on or off a school site, and as frequently as the department of state police considers necessary to secure passenger safety. A school bus may be rejected by the inspecting state police official for further use in transportation of passengers if it does not meet the requirements of this act and the rules promulgated pursuant to this act. However, if a school bus is determined to be safe for operation even though in unsatisfactory condition, the official may determine that not more than 60 days shall be allowed to effect a specific repair.

(3) A person, school, or school bus owner shall not operate or permit to be operated a school bus which has not been inspected under this section.

(4) Any public or private entity that owns or uses a school bus for pupil transportation shall identify itself to the department of state police so an inspection can be scheduled. (7) A school, before establishing a contract with a company for school bus services, shall require the company to verify in writing that the buses used by the contractor have been inspected by the department of state police and have passed that inspection. The school shall specify in a written contract that the contractor will not use any school buses that have not been inspected or have failed inspection, and that a violation of this provision of the contract will result in revocation of the contract. The contract shall specify that the contractor shall submit, in writing, the inspection results of its entire fleet of buses to the school within 30 days of the completion of the department of state police inspection. A school shall identify to the department of state police all of the contractors the school is using upon request.

[reverse side] Repairs and reinspection shall be obtained on or before _____. Do not remove without State Police authorization." If, upon reinspection, the vehicle defect has not been repaired, replaced, or corrected, the state police official shall remove the yellow sticker and affix a red sticker to the vehicle. Exceptions may be made when the necessary parts or equipment has been ordered but not received at the time of reinspection. Reinspection may take place within 60 days after the original inspection.

(4) A school bus that is considered to be in satisfactory condition after inspection by a state police official shall have a Michigan vehicle inspection passing sticker affixed to its windshield. The owner of a school bus shall remove or destroy the pass sticker before selling the school bus. The display of a pass sticker on a vehicle other than a school bus is a state civil infraction. Sec. 55. (1) A school bus driver shall actuate alternately flashing lights only when the school bus is stopped or stopping on a highway or private road for the purpose of receiving or discharging pupils in the manner provided in this act. A school bus driver shall not actuate the alternately flashing lights when operating on a public highway or private road and transporting passengers primarily other than school pupils.

(2) The driver of a school bus while operating upon the public highways or private roadways open to the public shall receive or discharge pupils from the bus in the following manner:

(a) If pupils are required to cross the roadway, the driver of a school bus equipped with only the alternately flashing overhead red lights shall activate the alternately flashing overhead red lights not less than 200 feet before the stop, stop the bus on the roadway or private road to provide for the safety of the pupils being boarded or discharged, and continue to activate the alternately flashing overhead red lights while receiving or discharging pupils. The bus shall stop in the extreme right-hand lane when boarding or discharging pupils. Before resuming motion, the driver shall deactivate these lights and allow congested traffic to disperse where practicable. The deactivation of these lights is the signal for stopped traffic to proceed.

(b) If the pupils are required to cross the roadway, the driver of a school bus equipped with red and amber alternately flashing overhead lights in accordance with section 17 shall activate the alternately flashing overhead amber lights not less than 200 feet before the stop, stop the bus on the roadway or private road to provide for the safety of the pupils being boarded or discharged, deactivate the alternately flashing overhead amber lights, and activate the alternately flashing overhead red lights while receiving or discharging pupils. The bus shall stop in the extreme right-hand lane for the purpose of boarding or discharging pupils. Before resuming motion, the driver shall deactivate these lights and allow congested traffic to disperse where practicable. The deactivation of these lights is the signal for stopped traffic to proceed.

(c) If the pupils are not required to cross the roadway, the driver of a school bus equipped with only the alternately flashing overhead red lights shall activate the alternately flashing overhead red lights not less than 200 feet before the stop, stop the bus as far off the roadway or private road as practicable to provide for the safety of the pupils being boarded or discharged, deactivate the alternately flashing overhead amber lights, and activate the alternately flashing overhead red lights while receiving or discharging pupils. Before resuming motion, the driver shall deactivate these lights and allow congested traffic to disperse where practicable. The deactivation of these lights is the signal for stopped traffic to proceed.

(d) If the pupils are not required to cross the roadway, the driver of a school bus equipped with red and amber alternately flashing overhead lights in accordance with section 19 shall activate the alternately flashing overhead amber lights not less than 200 feet before the stop, stop the bus as far off the roadway or private road as practicable to provide for the safety of the pupils being boarded or discharged, deactivate the alternately flashing overhead amber lights, and activate the alternately flashing overhead red lights while receiving or discharging pupils. Before resuming motion, the driver shall deactivate these lights and allow congested traffic to disperse where practicable. The deactivation of these lights is the signal for stopped traffic to proceed.
(e) If the pupils are not required to cross the roadway and where the road has adequate width for the school bus to be pulled to the far right of or off the roadway or private road allowing traffic to flow and to provide for the safety of pupils being boarded or discharged, the driver shall activate the hazard warning lights before the stop and continue to display the lights until the process of receiving or discharging passengers has been completed if the lawful speed limit is 45 miles per hour or less. Before resuming motion, the driver shall deactivate these lights. The driver of a school bus shall only use this procedure at stops where the school administrator or person or entity under contract with a school to provide pupil transportation services has approved its use. If this hazard warning light option is not used, the driver shall use the appropriate procedure in subdivision (a), (b), (c), or (d) as if pupils were not required to cross the roadway.

(f) Except as provided in subdivision (e), if the pupils are not required to cross the roadway and where the school bus may be pulled off the roadway or private road or where the road has adequate width for the school bus to be pulled off to the far right of the roadway or private road leaving the normal traffic flow unobstructed and to provide for the safety of pupils being boarded or discharged, the driver shall activate the hazard warning lights before the stop and continue to display the lights until the process of receiving or discharging passengers has been completed. Before resuming motion, the driver shall deactivate these lights. The driver of a school bus shall only use this procedure at stops where the school administrator or entity under contract with a school to provide pupil transportation services has approved its use. If this hazard warning light option is not used, the driver shall use the appropriate procedure in subdivision (a), (b), (c), or (d) as if pupils were not required to cross the roadway.

(g) The distance of not less than 200 feet required for light activation by this subsection shall be measured on the roadway or private road on which the stop is made for receiving or discharging pupils.

(3) Pupils crossing the roadway upon being discharged from a school bus shall cross in front of the stopped school bus. If a school district authorizes its school bus drivers to signal pupils to cross in front of the stopped school bus, the signal shall be uniform throughout the school district.

(4) The driver of a school bus shall not stop the bus for the purpose of receiving or discharging pupils in the following instances:

(a) Within 200 feet of a public or private roadway intersection unless the stop is approved by the school administrator or entity under contract with a school to provide pupil transportation services.
